

ALPHA + OMEGA  
God's Way Till Eternity

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7-8

#### Jesus Christ

My daughter, thank you for sitting with me and my dear Mother.

My daughter, thank you for your love, for sharing the messages with my children today. My daughter, what a balm to my pierced heart and my Mother's heart. Today, your heart, your spirit, was enlivened, in ecstasy, to be able to talk about me, your Jesus. Your time will soon come for you to be free to speak about my messages.

My children shared their love, their feelings during their lives. My daughter, I, your Jesus, want to convey to you about my children.

My son Daniel, my daughter Candida and my daughter Eulalia, I, your Jesus, placed you together tonight, for you to share my love, my living words, which pleases me and embalms my heart. My son Daniel, I your Jesus of Nazareth, say thank you to you for your trust and confidence in me, your God. My son and my daughter Candida, your hardships, your battles, your trials, nothing passes through without my knowledge and my consent. My children I, your God, your Lord, created you, I gave you my Breath of Life. You are my special children. Before I placed you in your parents' care, I entrusted them to take care of you while you are in this world, on this earth. I love all my children. I am their Creator. I don't want to see any of my children, my sheep, my flock perish. Salvation for their souls – that's my aim for my children.

My son Daniel, do not worry about tomorrow. I received your prayers. I placed them in my heart, in my hands. I, your Lord, the Creator of the universe, I see your pains, your sufferings, your pleas to me, my Father and the Holy Spirit. I am a merciful God, a forgiving Lord. My son, carry on putting your trust in your Jesus Christ. Keep praying, especially for your enemies. Ask my Father's pardon, forgiveness on their souls, to give them salvation. Everything is in my care. Give all your tribulations, your worries to me. Trust, trust, your God, your Jesus.

My daughter Candida, thank you for being the pillar of strength for your loved ones. When the tide is too strong to hold the boat, with your faith in me, I will help you always through the rough seas. I thank you, my son and my daughter, for your prayers, your love dedicated to me. Never doubt, my children, about my immense love given to my children. I am the Alpha and the Omega. I died for all my children. I don't have favourites. I love all my people equally.

I bless and give my peace to you, your loved ones, your family, friends, enemies and the whole world. I, your God, your Lord, came at this precious moment to convey this message of love.

[Fernanda] *Thank you, my adorable Jesus, my King, my Lord, for all this love dedicated to your children.*

Thank you, my Petal. Relay this message to my children.

My daughter Eulalia, I, your Jesus, your God, want to say, convey thank you to you for all the help given to your loved ones and my children. Oh my daughter, I, your Jesus of Nazareth, saw all these years of painful heartache, all your trials, to maintain, to hold up your career to provide for your loved ones. I see your pains. I hear your pleas, your prayers. I am aware of everything. Nothing, not even a hair falls out of your head without my consent. My child, one day you will understand why [you went through] all these hardships. I, your Jesus, never abandon or forsake my children. I am a loving God towards my children. Do not despair or become despondent when things get out of control, without a solution. I, your Jesus, want you to know that this is not heaven. My child, to enter my Kingdom, my children sometimes go through these trials, but my daughter Eulalia, I want to relay to you that I am always with you. I carry you in my arms when your strength is extinguished. My Blessed Mother protects you and your loved ones with her Divine Mantle. Pray for your enemies, especially the ones who persecute you. I, your God, your Jesus of Nazareth, say thank you for tonight, for the dialogue between my children. It pleased me, it was a balm to my heart and my Blessed Mother's.

I give my blessing and my peace to you, my daughter Eulalia, and to your loved ones, family and all my children.

[Fernanda] *Thank you, my Jesus, my God, for this beautiful love bestowed upon your children. I love you, my Jesus.*

Thank you, my Andorinha<sup>1</sup>. My Blessed Mother, she is here to converse with you.

### **Mother Mary**

My daughter, I, your Mother Mary, say thank you for conversing with my Son and me, your Mother, the Mother of your loving Jesus.

My daughter, I thank you for enlightening my children's hearts about my Son's messages. My child, do not fear criticism about relaying my Son's and my messages. Tell my children about your rare gift from my Son. It's not prophecy, it's conversations with your God, your Lord. You fear to say it this way, but my Petal, my Son has given you this gift. You are not saying this with pride to show you are more special. We see in you that you are humble, not being vain. I understand that you want my children to know that you are not more special than them. You do explain that to my children. My Son's Apostles had to open their hearts, their mouths, for my Son's living words. My child, remember, you are my Son's apostle, messenger to the world for my Son's Second Coming. Oh soon, soon everything about your rare gift will come to the light, it will be exposed to the world that you are my Son Jesus Christ's chosen one.

My daughter, I, your Mother Mary, say thank you for the love to tell my children about my earthly home in Turkey. Do not doubt about sitting under that tree. Yes, I used to sit under that tree. It was my favourite place to pray, meditate. While you were sitting there, you knew in your heart it was a special place. You were feeling that you weren't there, that you were on top of the world. You didn't

share that with my daughter. You knew they wouldn't understand what you experienced at that moment.

[Fernanda] *Oh my Blessed Mother, thank you, thank you. That was exactly what I experienced. I love you, my Beloved Mother. My dear Mother, I am, I have been a big sinner. My dear Mother, I sometimes feels like I don't deserve this beautiful grace, this rare gift.*

My daughter, my Son's humble servant, my Son chose you in your Mother's womb. My child, yes, you committed sins like any of my children, but your humbleness, your humility towards my children, your love, your forgiveness towards all your persecutors... My child when you confess your sins with a contrite heart, it pleases our Father, the Holy Spirit, my Son Jesus. My Son knows every instant of your life since you were born. My Son knows your kind heart, your love, everything you have done for my children, your trials, tribulations, hardships. You have been through a lot of purification. My Son prepared you for this mission, a task entrusted to you and me, your Mother Mary, *Mãe*<sup>2</sup>. I am going to be your teacher, your guidance for your mission. You know all this already. I just want to remind you to be alert to all that's been said to you.

I bless you, my Andorinha, your loved ones, family, friends and the whole world. I, your Mother Mary say thank you, my Petal, for responding to my call. I love you.

### **Jesus Christ**

I, your Jesus, say thank you for spending this quality time with me and my Mother.

My child, I remind you, relay this message to my children. I, your God, your loving Jesus, give my peace and my love to you and your loved ones, family.

Pray for your brother Francisco, his loved ones and entire family. My son Francisco needs prayers. Call him and say to him that I, your Jesus, his Jesus, love him. I didn't forsake him or abandon him. He is my son and I want to save him. I want him in my Kingdom. I know his pains, trials, hardships. I am aware of his indescribable pains. I am with him. He must pray, pray. I will give him peace and love in his heart. I love him. I created him. I gave him the first breath of life. Ask him to pray the Rosary, go to Confession, to trust me, his Jesus of Nazareth. My son Francisco, I, your Jesus, love you. I give my peace to you and your loved ones, family.

[Fernanda] *Thank you, my Jesus, I love you. I adore you. I praise you, my Lord. I am sorry Jesus, I went to see what is going on with the alarm.*

My daughter, I am with you. I am conversing with you. You are protected by me, your Jesus. My child, I don't want you to get annoyed with that. I don't want interruptions during our conversations.

[Fernanda] *I am sorry, my Jesus, I love you. Sua bênção<sup>3</sup>, my Holy Trinity. Sua bênção, my Blessed Mother. I love you all with all my entire heart – your humble servant.*
