

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

This mission is about teaching Jesus' ignorant, astray sheep who need to be fed with the food for eternal life, not earthly food

Jesus Christ

Thank you, my humble servant, for waking up to be with me, your Jesus. Your patience is much appreciated. My daughter, I called, I want to convey, relay this very important message. Take care of this message – it's very important. I, your Jesus, need to explicate this message to you.

My daughter, soon, soon, I, your Jesus, will have something special for you, for your mission. This is, I repeat, very important, auspicious for you. I'm going to prepare you for your mission.

You are looking at me. My daughter, it's me your Jesus.

I am preparing everything for you to start your mission. Take care, note of what I am saying to you. I, your Jesus, I am going to place upon you a gift for you, which is very different, rare.

...private message removed...

Do not be afraid. I will be very gentle not to hurt you. You are going to feel some pains, but I will help you to endure these pains. It's a rare gift.

You are my strong warrior for my End of Times. I, your Jesus, and my dear Mother, we have been teaching and explaining to you all about my teachings, all about what I want for my children for them to be saved.

My daughter, tonight you were very excited to talk about me, about our conversations with your God, your Jesus. I permitted, I allowed you, to speak about your gift. Do not worry, I wanted it this way. Do not fear because you have disclosed to them about your rare gift. Yes, my Petal, there is so much to explain, to teach, my ignorant, astray sheep. My lambs need to be fed with the food of eternal life, not earthly food.

My precious child, what joy your kisses in our hearts [bring]. It's like you are taking a thorn out of our hearts – your smile, waiting, expecting a smile in return, but not become despondent, having confidence. My Mother and I will soon smile back.

Thank you always for the *sua bênçãos*¹, for this act of love that you don't see anymore. My child you do things to us from your heart. Love comes out of you spontaneously – not imitating anybody, not reading from a book – it's love that radiates profoundly from your heart, your unconditional love

towards us. Thank you for the Divine Mercy Chaplet. My Father received it with love and gratitude and has taken it into his heart. You must pray this way often.

My precious Andorinha², thank you for being obedient to me, your Jesus of Nazareth, your King of Kings, *Jesus Nazareno, Rei dos Judeus*³.

I bless you and give my peace, my love to you, your loved ones, family, friends scattered all over the world and your enemies. I love you, my little princess

[Fernanda] *Thank you, Jesus, my love. I love you with all my heart.*
