

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Trust Jesus, fear nothing and know that the Rosary is the strongest weapon against the enemy – he can't stand the Hail Mary prayer

Jesus Christ, Mother Mary

Jesus Christ

Thank you, my child, for sitting with me and my Blessed Mother, for your time spent with us.

My little one I, your Jesus, want to convey to you this message of love to my children. My daughter, you are very happy, joyous today at my daughter Cheri-Lee and my son Rudi's wedding. What a beautiful, special day, auspicious day, full of joy and love. What a peaceful day. My children were united in love as I wish to see all my children in unity.

My Petal, I see that you were dancing, my "ballerina", my "merry widow". I, your Jesus, and my Blessed Mother also joined in this joy with my children. Oh my youth, it's beautiful, a soothing balm to my heart, to see my youth enjoying themselves with pure, clean hearts. It pleases me, your Jesus, and my Blessed Mother. Oh my child, we also danced: when I see a simple, pure dance, we join my children.

My daughter Cheri-Lee and my son Rudi, I, your Jesus, want to say thank you for your sincere, clean, pure love towards me and my Blessed Mother, for all the love dedicated to us during your special day. My daughter and my son, I, your Jesus, was very happy that you didn't neglect us. Oh my children, my heart and my Mother's were full of joy. Your dedication to invite me and my Mother to your wedding, your special day, was like incense in our hearts. Oh, I was first, on top of the list! Do you know, my child, what a beautiful act of love towards me and my Mother this was? I, your Jesus, say thank you for always being obedient to me, to the Holy Spirit, my Father and my Blessed Mother. I'm very pleased with you and my daughter Cheri-Lee for this admirable, unique praise and worship with my youth, your dedication to help, to teach my youth, my children, for all your prayers and Rosaries said to me and my Blessed Mother. My daughter Cheri-Lee, I thank you for all the sacrifices to be there, your patience towards my children. I will reward you, my special ones. I will bless you and your loved ones. My Mother will be your shield of protection with her Divine Mantle against the foe, my enemy, my adversary. My Beloved Mother says thank you. She will be with you always and she says, "I love you, my daughter, for the special youth group – it enriches my Son's pierced heart and mine, pierced because of so many sins. Thank you, my special children." I, your Jesus of Nazareth, want to convey to you, my daughter Cheri-Lee and my son Rudi, I bless your wedding, your special day, like at the wedding of Cana. My children, take my hand, don't let go of my hand. I will carry you both and your loved ones in the palm of my hand. Follow my footprints, then you will never be lost. I will carry you through your trials and tribulations. I will be your strong rower. When the sea is rough, I will be in the midst of it to help you to come to shore in my love and my peace. Do

not fear, my children, when you trust me, your Jesus, your God, your Creator, the Saviour of the world.

I give you my peace, my peace I give to you and your loved ones, family and the whole world.

I, your Jesus, your God, come to you at this time to convey this message of love, appreciation, courage and strength through your daily lives. I love you all, my children. I love all my children equally. I want to save all my people. My daughter and my son, I, your Jesus, ask from my children to come to my Holy Mass and Confession, to repent with contrite hearts, for unity in families, humbleness and humility, it pleases me very much and gives me much joy in my aching heart. Thank you, my special little ones.

I, your Jesus, want to relay this message to my children, the parents to whom I entrusted my children while on this earth, for the strong upbringing, teaching our children about me, your Jesus, and my Blessed Mother. I, your God, your Lord, say thank you with appreciation and gratitude for the pleasant, beautiful work on our children whom I, your Jesus, created and gave the Breath of Life in their mother's wombs. I then entrusted my (our) children to you to take care of them while they are on this earth. Thank you, my children. I, your Jesus, your God, the King of the universe, say thank you.

Be in, my peace, my mercy and your loved ones in the whole world.

[Fernanda] *Thank you, my Jesus. I love you very much. I adore you, my Jesus.*

Thank you, my Petal. I, your Jesus, love you too. My daughter, relay this message to my children.

My daughter, my dear Mother, she is here to converse with you.

Mother Mary

My daughter, I, your Mother Mary, say thank you for the special time spent with my Son and me. The dialogue between my Son Jesus and you, my Petal, was very touching to my heart.

Yes, my child, this wedding was blessed by my Son Jesus, the Holy Trinity. My daughter and my Son are very devoted to my Son and me. My daughter, my Son has explained to you many times about our youth going into decay, chaos, being destroyed by my enemy, my adversary. Only prayers, prayer groups are the only hope to help our youth against Satanism and all the wrongdoing because my enemy's joy is to destroy my youth, my beloved son priests, our temples, churches. He attacks them very often and if my children don't have a strong teaching of love and praying the Rosary, my innocent children fall into his prey. The [Rosary](#) is the strongest weapon against my adversary. He can't stand my [Hail Mary](#). When my children pray the Hail Mary, this strong weapon is the salvation of my youth. My children have to be taught at a young age, from birth, how to bless themselves with holy water with the [Sign of the Cross](#) and to pray at least three Hail Marys every morning for protection. I, your Mother, will stand in the midst of my enemy to defend them, that's my promise to my children, and if it's possible, to also pray seven [Glory Be's](#) to their own guardian angels.

Thank you, my children. I, your Mother Mary, say thank you and I love you. All I want is to save my sheep, my flock.

[Fernanda] *Thank you, my dear Mother, for the special message to your children. I adore you. I love you so much.*

Jesus Christ

My daughter, I know it's late. My child, I have so much to converse with you about my stubborn children, about our pains that our children commit into our hearts. I will call you soon to converse with you. You need your rest.

Oh, my child, what a dance! You didn't invite me to dance with you. You know, my child, I couldn't cope with all those turns! My child, it's a joy to see your happiness in your heart when you speak about my Son and me. Your heart was with my Son and me. Do not worry. You were very much enjoying [yourself], but with decency and an innocent, pure heart. My Son doesn't condemn my children when they enjoy themselves in this way. It doesn't hurt our hearts.

I bless you and your loved ones, family, friends and whole world. Thank you for responding to my call.

[Fernanda] *Thank you my dear Mother, the Mother of my loving Jesus.*

Jesus Christ

My daughter, I, your Jesus, want to say thank you for spending this hour with me and my Mother. My daughter, I want you to pray the Divine Mercy Chaplet now for the dying at this moment, as you always pray. Ask for mercy from my Father for those who commit abortion.

My daughter, I, your Jesus, will call you soon to converse with you.

I give my peace, my peace I give to you, your loved ones, family, friends, enemies and the whole world. I, your Jesus of Nazareth, say thank you, my Andorinha¹, my humble servant. Be in my peace.

[Fernanda] *Thank you, thank you, my love, my life, my breath, my source of my life, my Spouse. I adore you. I praise you. I thank you for everything in my life, my loved ones, family and all your children.*

Oh, thank you, my little princess. The Holy Spirit is working through you. Thank you for all the praises.
