

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

When you talk about Jesus and people ignore you, sometimes it's out of jealousy – plant the seeds and let Jesus do the rest in his time

Jesus Christ, Mother Mary

Jesus Christ

My daughter, thank you for coming and visiting me at my tabernacle. Thank you for being obedient to me, the Holy Spirit and my Father. My Mother is also here to converse with you. My child, I was waiting for your visit. I was missing our conversation.

My child, thank you for delivering my message of love and appreciation to my children _____, _____ and their entire family. They deserve to know about my love for them. I see their appreciation because of my message of love. My child, you were so excited to deliver my message, to speak about [me]. Your heart was pounding with joy. I know, I see the joy in your heart to explain to my children [about] my messages to the world. You desire in your heart to relay all the messages given to you. You feel disappointed when you want to speak about me and some of my children ignore you. Your heart was sore yesterday when one of my children walked away, not showing interest. Do not worry about that. I, your Jesus, and my Blessed Mother, we encounter this every second of the day. I know how you feel. My child, sometimes it's jealousy, enviousness. Be prepared always for these episodes during your mission. My child, plant the seed, I will do the rest. In time, that seed will grow. Thank you for your effort to teach them.

I, your Jesus, am waiting for your mission, to prepare you my way, then you will be able to carry on planting more seeds in my dry land. Oh my child, most of the land is very dry. It's very difficult to mix the soil. But, my child, in my own time and with your help, I will excavate, elevate that soil. Then, with the seeds planted, you will water the soil, the land, to produce a good harvest. Thank you, my child. I will teach you more and more.

My child, I see you visited your loved ones. Oh my child, you were very tired. You only wanted to talk about me. Your heart no longer belongs in those conversations. Your wish is to speak only about me, my greatness.

My child, I know you are concerned about your finances. I see you do not panic anymore. You have learned to trust me now.

...private message removed...

Don't you know, my child, that I'm taking care of you and our sons and loved ones. I know all your needs. My child, you didn't offend me or hurt me. I know your financial needs. I asked you to leave work. I said that I'm taking care of you. I will provide everything for you. You are my humble servant. You gave your will to me. My child, I need you for my work, my fields. Our son Frank will soon start

working. I understand your anguish, affliction. I'm aware of everything. I have my purpose for this delay. My little flower, be in my peace. I will never forsake you or leave you orphaned. I am your Spouse, your God, your Lord. I chose you for my work, my soldier, my warrior. I am with you in everything.

[Fernanda] *Thank you, my Jesus.*

Do not worry. I know you need to travel to visit my sick people. I know you didn't want to go yesterday because of the petrol.

[Fernanda] *My Jesus, sorry. Can we carry on at home as your son Clem is here?*

My child we will carry on with our conversation at home. *Beijinhos*¹.

[Fernanda] *Thank you, my Jesus.*

[04h20] My daughter, thank you for sitting with me again, for keeping me company at my shrine, my tabernacle. I received my two children to keep me company.

My little one, do not fear anything. I chose you for my fields. I chose you in your mother's womb. Be in my peace, my love. Your life, your future, is in my hands. You belong to me. Thank you for giving your will to me. My child, you gave me your will. You are my servant. I promised you that I'm taking care of your affairs, your future. You are going, I repeat, on big walks with my Blessed Mother to far-away places to teach my sheep, my people. My lambs need to be fed.

My child, I repeat, I am preparing for our son to be able to help without a problem. My little Andorinha², I am your Spouse. I take care of my bride. Why fear?

[Fernanda] *Thank you, my Jesus. I adore you. I love you, my darling Jesus.*

My child, your mind is far away. It's not with me now. Yes, you need to go to your sister, my daughter Isaura. I will provide the gasoline.

[Fernanda] *Oh, I am sorry, my Lord.*

My daughter, my Blessed Mother, she is here to converse with you.

Mother Mary

My daughter, thank you for sitting with my Son and me, your Mother Mary, the Mother of your Jesus.

My little one, you are very preoccupied. Don't you know that you are my Son Jesus's warrior. He is your Spouse. My Son takes care of his bride. My Son is preparing you for your mission.

My child, I know you are worried about our son Frank. My Son has his reason for this. Soon, you will find out [the reason].

My little one, I, your Mother Mary, I want to see you happy, with joy in your heart. I am very busy, *atarefada*³, helping my Son to do his last preparations for your mission. Oh my little one, your gift

¹ Portuguese to English translation: Kisses

² Portuguese to English translation: Swallow

³ Portuguese to English translation: busy

that my Son is going to place upon you is beautiful. Soon you will receive your gift. You're going to start working non-stop for my Son. I will be with you.

My child, I have something very important to confide in you. You're going to be very happy. My little one, my Son Jesus is very happy with your progress, so are Our Father in Heaven and the Holy Spirit. Remember, my little one, they will never leave you because you're going to help my Son Jesus to bring souls, repentant souls [to him]. When you relay, convey, my Son's messages to the world, they will listen to you. When you proclaim my Son's messages to the world, you're going to be heard all over the world, non-stop. You will be going to seminars, churches, our pope in Rome, schools, very important TV shows, [to talk] only about my Son's messages. My child, by then your daily affairs will not be your worries anymore. My Son will place a helping hand to solve, to carry your daily chores. Your heart will be only for my Son Jesus' work.

I, your Mother, I have to confide this to you. I want you to trust my Son with your mission. Your task is very important to my Son. He's never going to let you be preoccupied because of finances or other affairs. Your concentration must be only for your task entrusted to you.

Today, you are going to visit my daughter Isaura – the arrangements will be out of your mind. From tomorrow you have to carry on with the rewriting of your books. Time is near for your mission. My little one, you have to start praying with me for all that my Son asked you to pray. I know you want to visit some sick people. I will allow you to do that, but then concentrate on your books, our prayers – other chores will be out of your hands. Someone has to carry on with that. Your concentration is going to be on your mission.

[Fernanda] *Thank you, my precious Mother.*

Thank you for relaying my message to my children, especially the youth, the message to my children Cheryl-Lee, Kelly, Anne. They will grow with that group. I see you want to bring our grandson to this group. Eventually, he will start to join the group. Keep praying for this prayer group, the youth group. My child, do not worry about petty things. There's so much work for you, on your plate, upon your shoulders. I want to thank you for loving my Son and for giving your will to him.

[Fernanda] *Oh my dear Mother, I love your Son, my adorable Jesus, so much. I want to be a good soldier, warrior, prayer warrior for my Jesus, a good apostle, messenger for my Jesus. I want to live just for my Jesus, for his holy will. I want to work intensely for my Jesus for the salvation of souls as my Jesus and my dear Mother wish. I love you. I'm sorry if I offended or hurt my dear Mother and my Jesus.*

Thank you, my little flower fallen from heaven. Do not worry about anything. Tomorrow is in my Son's care. Thank you.

I bless you and your loved ones and all my children. Be in my love and peace. Thank you for responding to my call.

[Fernanda] *Thank you, my Blessed Mother, I love you.*

Jesus Christ

My child, I, your Jesus, say thank you for loving me. I am present here with my Mother. I know, I hear everything. My dear Mother explained all the reasons for the delay with our son Frank, about your finances. Trust, trust me, your loving Jesus.

My Petal, thank you for your love and dedication to me and my Blessed Mother.

I give my peace, my peace I give you and your loved ones. Be in my peace, love and harmony. My Petal, you are my bride. Soon you will see – you are going to receive your gift, your ring as a sign, a token of my love for you, my messenger to the world.

My peace and love to you, our sons, loved ones, family and the whole world. I love you, too my Petal.

[Fernanda] *Thank you, my Jesus. I love you. I am sorry. I ask pardon for any offences or hurt to my Jesus' Sacred Heart. I love you, I love you. ♥♥♥♥xxxx Sua bênção*⁴. [05h10]

[05h43] My child, thank you for waking up for me. I need to converse with you.

My precious little one. I, your Jesus, say thank you for your love and dedication to me. I want to say, do not worry about your problems. Financial help will come to you. You are going to be free of that. I said to you before that I am your provider. I said to stay at home and not to go back to work. I need you to work for me, to help to bring souls to me. I have been providing for you. You're in the palm of my hands. Trust me. Sooner than you think, everything will be solved to your advantage, for you to relax and not worry any more about how you're going to pay rent, about having difficulties finding ways to pay for your necessities. My child, leave it in my heart. You are my property, my own flesh and blood. You are my hope for my End of Times, my chosen, my preferred one, to be my messenger.

I'm going to place upon your _____ your gift from me to carry my messages throughout the world. My Petal, leave, give, it to me. Rest a while before going to my Holy Mass and to visit your sister, then carry on rewriting your books. Our son Frank is going to bring books. I will provide the money.

Frank will be going on a December vacation with his loved one. I will provide the money for him, more than enough for him to go free of worries about his finances. Christmas will be a superb vacation, free of that financial worry. He deserves it. He's coming to visit me and he's coming closer to me. I am a merciful, kind-hearted God. I know how much he wants to help you.

My child, while you are carrying your mission for me, I will never make you worry about finances. I, your Jesus, want to convey this message of comfort, security, strength, courage, hope and trust from your Jesus.

My child, be in my peace, love and your loved ones. Thank you for your time spent with me – it's really appreciated. My love always to you, my little one. *Muitos beijinhos*⁵ from your loving Jesus.

[Fernanda] *Thank you, my loving Jesus. Muitos beijinhos também*⁶ for my adorable Jesus whom I love unconditionally. Sua bênção to my Holy Trinity. Sua bênção, minha Mãe adorável⁷. I love you all.
