

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7–8

### Jesus Christ

My child, thank you for sitting with me and my Blessed Mother.

I thank you for today, for taking my daughter \_\_\_\_\_ to my son priest to be healed. My little one, my daughter \_\_\_\_\_, she was in critical need of seeing my priest, Father Joseph. What beautiful work my son priest Father Joseph has been doing for my sheep, my flock – the healing that takes place there through my team's work. My daughter \_\_\_\_\_, she will be going on the right path by following my son priest's healing [approach] during the course of some period [of time]. She needs to come more often with her loved ones. She will be cured, healed in my holy name. She must persevere in coming back. The first layer was unveiled out of the dark. The others have to be pulled out, then the pure, clean layer will be visible, clear of any patches, dark circles, consumed during a long period of time.

My daughter, you also went there to pray, to console some of my children. Their hearts are broken because they don't know exactly what's happening. Thank you for teaching some of my lambs about this ministry, explaining to the best of your knowledge.

My child, I have something to convey to my Petal. My little Petal, I, your Jesus, have to confide, explain something for your knowledge, for you to understand the contents of your mission. Your mission is on the brink, near to coming out, to place your gift upon you. My little one, there's so much to be known about your mission. You are going to come out soon with the sign placed upon you. Your mission is like a stranger, and all of a sudden the stranger will become well known to the world. Thank you for your patience with my children, with this waiting for your sign. You don't want to say anything to my children about your sign coming upon you. Oh my child, you are still doubting about your sign, your mission: you fear it's not going to happen. You desire so much to convey to your brothers and sisters in Jesus Christ, but you fear dissolution, disappointment. You don't want anybody to make a mockery of me, your Jesus. I understand. Do not fear. I repeat: everything, every day the conversation is from me, your Jesus, and my Blessed Mother. You are my messenger to the world. Fear not, my child.

I have so much to converse about, so many things to reveal to you.

Today you are very exhausted because of the many Rosaries and Divine Mercy Chaplets said at my holy temple. You helped my children in prayer. It was beautiful.

My daughter, my Blessed Mother, she is here to converse with you.

## Mother Mary

My daughter, I, your Mother Mary, the Mother of your Jesus, I am standing in front of you, and my Son Jesus is on the side of you, on your left, to give you space to write our conversation.

My child, I, your Mother Mary, say thank you for today. It was very touching that you prayed non-stop. My people are in need of coming to my Son in repentance. There's so much to be poured out onto my children.

My little one, my Son and I, your Mother Mary, want to convey a secret entrusted to you. There is so much hatred and jealousy in this world. My Son doesn't want to punish our precious children. It's going to be another terrible flood, floods, [like an] avalanche burning out of my children's hearts because it's going to be very sad, terrible to see, to watch. It's going to be a lot of *inundações*, *inundane aquíferos*<sup>1</sup> coming out like a river. It's going to be destructive. My Son's hand... you have to pray for this, my child, please, pray, pray, because this is out of control.

...private message removed...

Keep this secret only for you. Time will come for you relay it to my children.

My child, your eyes are very tired, you can't control them. Your heart will be our secret box. There is so much to describe about this. Tomorrow is a very long day. Time will tell.

I bless you. I, your Mother Mary, say thank you for the time spent with me and my Son. Thank you for responding to my call.

## Jesus Christ

My child, I, you Jesus, have a special request message to relay to you.

I will leave you to rest because your eyes are closing. I will call you again, soon, to converse with you. Oh my child, your head, your eyes are glued. You can't fix your eyes upon your Jesus. My daughter I want you to rest, to be fresh in the morning. I will call you to converse.

Be in my peace, my peace I give to you and your loved ones. Be in my peace and love towards your enemies, family and friends. I, your Jesus, love you very much.

[Fernanda] *Thank you my Jesus. I love you, I adore you. Sua bênção*<sup>2</sup>, my Father the Holy Spirit.

My child, sleep in my arms. I will call you very soon.

[Fernanda] ♥♥♥♥♥ Jesus
