

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

Many will die out of pain and fear in the horrific Three Days of Darkness – only those who repent on bended knees will be saved

Mother Mary

My daughter, I, your Mother Mary, say thank you for waking up and sitting with me and my Son Jesus. My daughter, I your Mother Mary, I want to convey to you about today.

My child, you have been very busy with all my Son's messages. Thank you for praying the Rosary with me, the saints and the angels, for more time to the world. Oh my child, we need to start praying more about this. I am very pleased with the way you are fixing all the books. You are relaying the messages to my children. My children need to know all of this for them to repent.

Oh my daughter, I called you now to relay, to confide something in you. My Petal, I need you to know all of this because your time is near for your mission, your task. My Petal, I, your Mother Mary, have something very important to say to you. My child, it's very heavy in my heart. Oh my child, listen and pay attention to this. I'm going to confide in you.

My daughter, my Son Jesus is a very patient, loving God, a merciful Lord, but my Son's hand is getting heavier and heavier, day by day, because his time is near, his Second Coming is near. My child, my children don't want to listen. My child, you have to help my Son and me on this. My children have to listen to our messages. You have to explain all of this to my children.

My daughter, the other day, my Son Jesus told you about what is going to happen at his Second Coming. He told you what is going to happen during those terrible, horrific three days. Oh, oh, my child, you have to pray, pray with me and the angels and saints – invoke them for this cause. My child, I'm going to divulge some more to you with my Son Jesus' permission. My daughter, this is a secret until my Son allows you to divulge, relay it.

My daughter, during those three days, the pains, pains: they will succumb to death because of fear and pain, because they are not prepared. They don't want to be prepared. They don't believe in all our messages. My child, there are going to be tongues of fire.

[Fernanda] *My dear Mother, I don't understand what "tongues of fire" means. My dear Mother, please can my dear Mother explain to me. Thank you.*

Oh my daughter, it means [there] is also going to be burning. During those times, my child, the world is going to be like an inferno. My children will feel themselves burning.

[Fernanda] *My dear Mother, so the fire, it means burning inside like fire?*

Yes, my child. They will feel their bodies burning, but yet it will be very dark.

My child, there is more to it. Let me explain because your heart, your mind is very troubled now. My child, with my Son's permission, I will explain to you again.

Oh my Petal, there is going to be Three Days of Darkness, but during that darkness, they will feel their bodies are burning like [being on] fire, that's why I said, "tongues of fire". Not all my children – the ones that are in love, peace and unity with my Son, the Holy Trinity and me, will be saved¹.

[Fernanda] *Oh my dear Mother, does that mean that the ones that feel fire are not going to be saved?*

My child, not exactly. At that precise moment, when they feel that fire burning, if they repent and ask forgiveness with contrite hearts, they will be saved. When they see my Son and admit that he is the Son of God the Father Almighty [and give] glory to God in the highest, when they come on bended knees, when they will crawl and ask for pardon, pardon, forgiveness, then God the Father Almighty and my Son Jesus will save them.

My child, there is more that you have to know, but I will leave it to my Son to relay, convey to you.

[Fernanda] *Oh my dear Mother, I ask forgiveness for all the sinners. My dear Mother, must I pray the Rosary like today or is there another prayer that my precious Mother wants me to pray for this? Thank you, my dear Mother.*

My child, thank you for asking this question. My child, pray the Rosary as you prayed today for more time, but I want you to pray in this way for the conversion of sinners, for my Son's Second Coming...

My Jesus, my Father, the Holy Spirit and my Blessed Mother Mary, I come to you on my bended knees. I pray for the conversion of sinners, for my Jesus' Second Coming. I pray for them to listen, to hear, to absorb my Jesus' messages and my Blessed Mother's given to me and to all the messengers throughout the world. I ask my Father, the Holy Trinity, to help with this prayer request so that I can reach their souls, their hearts, with this prayer given to me by my Mother of Sorrows, for the world, the sinners, to repent before it's too late. In my Jesus' holy name, I say thank you. Amen.

My child, write this down and start praying – pray, pray.

[Fernanda] *My dear Mother, is this prayer just for me or to share?*

My child, I want you to spread this prayer as fast [as you can]. Pray as much as you can, saying it any time, many times a day. My child, first you are going to say it by yourself. When you are on your mission, you must spread it and tell my children that this is a prayer request from Our Lady of Sorrows, then they must pray as well.

Thank you, my Petal. My child, this pain is terrific in my heart. My daughter, I had to convey this to you to help me because my Son cannot take this absurd, chaotic, *lastimoso*², destructive world.

My child, I thank you for sitting with me to alleviate my pains. I am in despair because I see that my Son's Second Coming is near and there are still so many souls to be saved. I know, my child, that when you start your mission, you are going to be our hope. My Andorinha³, you are going to fly, fly non-stop. What a balm to our aching hearts!

My child, I, your Mother Mary, say thank you for waking up. You need to rest for a while, then my Son says he will be waiting for you at his chapel, tabernacle. He wants you to rest now.

I bless you, my Petal, my Andorinha. Be in your nest for a while. Thank you for responding to my call.
