

ALPHA + OMEGA  
God's Way Till Eternity

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7–8

### Jesus Christ, Mother Mary

#### Jesus Christ

My daughter, thank you for sitting with me and my Mother, my Father and the Holy Spirit.

My child, thank you for today, for the healing done to my daughter Anabela.

My child, your heart was very sore, troubled by my daughter Odilia's condition. Yes, my daughter, I am aware of her sickness and my son José. My daughter, I have to convey this to you. My daughter Odilia, she is suffering. She is in a lot of pain because my adversary is tricking my child. I have to convey this message to my daughter Odilia.

I, your Jesus Christ, I am aware of all your pains and trials that you have undergone in the course of these past years. My daughter Odilia, I, your Jesus, your God, the healer of thee, I received in the abode of my heart all your sighs, tears and prayer requests, your wishes of well-being, [good] health. My child, I, your Jesus of Nazareth, I am with you and your loved one my son José. My child, I am taking care of your situation. Pray constantly, have faith and trust in me, your Jesus. With me, nothing is impossible, especially for my devoted children.

My son José, I thank you for your trust in me, your God. Thank you for all the prayers, the Rosaries said – all has been heard by me, my Blessed Mother, my Father and the Holy Spirit. My son, I know your pain. Thank you for your care and love shown to your loved one, my daughter Odilia during this time of persecution, trial and hardship. My son, always keep your faith and trust in me. Heaven sees everything. I will heal my daughter in my own time. I have my reason for this.

My daughter Odilia and my son José, I will never forsake or abandon you. I am your anchor, your rowing, *remo*<sup>1</sup>, through the rough sea. I will never let you sink. I will be in the midst of the sea to bring you ashore. I am taking care of you and your loved ones. My Mother is here. She says, "Thank you, my children. Keep praying the Rosary always as a family. I will wrap you with my Divine Mantle to protect you and your loved ones."

My children, I ask you to pray, pray for your enemies. Forgive them as I forgave my enemies. My children, oh, my heavy cross, I kept going uphill until the 14<sup>th</sup> station for the love of all my children. I, your Jesus, say thank you for the love bestowed upon me and my Blessed Mother.

I give you my peace, my peace I give you and your loved ones. I bless you abundantly and the whole world. I relay this message to you through my messenger, my humble servant.

[Fernanda] *Thank you, my loving Jesus Christ.*

My daughter, thank you. I want you to convey this message of love, courage, strength, appreciation and faith to my children. Thank you, my daughter, for your care and obedience.

Oh, I want to say thank you for spending those six hours with me in my tabernacle. It was very consoling to me. I let you rest in my arms for a while because your eyes were like glue. But my child, just to have you there with me and my Blessed Mother, sitting next to you [brings me joy]. Oh, thank you for displaying the soft blanket for me to sit on. My child, I enjoyed the singing. Next time, be more relaxed. Nobody will come to disturb us. You are safe with me, and nobody can hear the singing with the loud voices. Oh, the angels and saints joined in. My child, you could hear them, the unison of voices, it was a very pleasant night.

Thank you for sharing the message with my people on how much it pleases me to be in the company of my children, sitting next to them, walking alongside [them], whatever their movements are – like you my Andorinha<sup>2</sup>, you look like my little ant moving, moving. Tell my children that I no longer sit in the monstrance. As soon as my children arrive at the door, I go and greet them, then I sit or stand next to them, and my Blessed Mother [is there too]. Oh, what joyous moments, listening to my children, hearing all their prayer requests, sighs, tears shed, hardships, family problems, requests for unity in their families, all their pains. I then gladly stroke their hair, I say to them, “I love you.” They don’t hear me, but they [will] feel my presence if they allow me. I will give my children many, many graces, protection, love and unity in their families. They just have to give everything to me. I will give them all those graces because of their sacrifices and love given to me in those moments. I will never reject any prayers whispered. Oh, many times, I wipe away those tears with my robe and my Mother shifts around her Divine Mantle to caress those tears and pains.

Oh my daughter, tell all this to my children. Speak to my priests about having my Blessed Sacrament exposed in all my churches, my temples, my chapels and shrines. I will convert the most hardened souls. I will show them my great love for them. They must not fear to have churches open during those hours. I will be protecting all my devoted children. I will safeguard my children from any dangers. My child, tell, explain to my priests and my children about these hours spent with me, that you are here with no fear, that you and my other children [visiting me] are well protected by me. Thank you, my little Petal. My child, tell them that I don’t ask much of them, not many hours, just one hour per week and I will be very happy, joyous about it. I understand that they have their lives to live, but just one hour for me their Jesus, their Lord. My child, I know what you are thinking. You are right, you can tell them – yes, if they can spare me one hour from their television activities, cinemas, oh, oh what a beautiful sacrifice, oh, I will obtain many graces for them and their loved ones.

My daughter, my Blessed Mother, she is here to converse with you.

### **Mother Mary**

My daughter, thank you for sitting with my Son and me. I was waiting, I was listening to my Son’s dialogue with you. Yes, my child, it’s our joy. My Son gets all excited to see our children *aproximar*<sup>3</sup>

[his tabernacle] to visit. My Son gives them the most caring welcome and love to all our children. It's places, moments like these where my Son and I receive consolation to our aching hearts.

My daughter, today my heart was very [hurt], aching because of what is going on all over the world. I know, my Petal, that you don't want to switch on the TV to hear the news because it causes you so much pain to see all this. Know, my child, that my Son and I see, encounter, watch, every second of the day, all kinds of atrocities done to one another. My child, I have been explaining all this to you. My child, I know, your heart aches for all this, but sometimes I want you to watch and read certain things for you to pray about them. That's part of your mission. I know, I thank you for that: when it's films, cinemas, you don't even switch on the television because it brings only sadness to your heart. My child on those channels there so many films with pornography, sex, shown on those channels, which is destroying the innocence of my young children, despite what they already know at their tender young age. Oh, the schools are going into disarray, dismay. What is happening on the schools' grounds, in the classrooms! Oh, what those mobile phones, the new technology, is bringing into the souls of my youth is very perfidious, cruel to see. That's some of my pains that my Son Jesus talks about. It's horrific to watch in dismay in front of my loving Son. My child, then I quickly tend to go on my knees and I ask my Son to give us more time. My Petal, the Rosary that I asked you to pray with me and the request from you to the angels and saints to pray for more time, it's because of sins upon sins like these ones that I have to appeal to my Son's merciful heart.

My daughter, I see you took some names [of my children that you had] written down to prayed for to my Son. Yes, there is so much sickness around the world, so much cancer. I know it hurts you to hear about all the sickness. You sometimes think this has to do with my Jesus' Second Coming. My daughter, my Son is here with me. As you know, he permitted me to explain this to you, just for you. My child, there is a plague throughout the world, sickness. Cancer is a plague, like leprosy that's contagious. My child, this is a sign for my Son's End of Times, for my children, a wakeup call for them to pray more, to open their hearts to my Son, to [help] convert souls, my astray, lost sheep, flock, to see the Son of God. He is coming. Through sickness, sometimes our children repent and come closer to my Son's heart, not because my Son punishes them, but these are one of the signs my Son has brought into the world. My daughter, don't disclose this yet, until my son allows you too.

[Fernanda] *Thank you my Blessed Mother. Can I ask you, my dear Mother something? I didn't understand properly. Can I ask my dear Mother?*

My child, my Son says yes, you may ask.

[Fernanda] *My precious Mother, when my Mother said the sickness cancer is like leprosy and it's contagious, what does that mean? Anybody can get it if it's contagious? Thank you, my dear Mãe<sup>4</sup>.*

My daughter, my Son is smiling, so are the Father and the Holy Spirit. They know what you are thinking. My daughter, what it means is that it's like leprosy, contagious, it will spread, spread, but not because you get it if you are contact with the person. It's contagious, all over the world, like a virus. My Son is smiling, he says it's like a virus on computers.

I bless you, my Petal and your loved ones, family and the whole world. Thank you for responding to my call.

[Fernanda] *Thank you, my Blessed Mother. Thank you for your patience to explain all this to me.*

## Jesus Christ

I, your Jesus, say thank you for your patience to sit like this, all these hours with no table or chair, in this position, never complaining. You make it comfortable anywhere to converse with me and my Mother.

My daughter, I know you have a question, a request for me about our son Frank. Your heart is heavy with this.

...private message removed...

My daughter, I am aware of the situation, our son's pain and humiliation that he goes through there. My daughter, I have to convey again to you that my son has to go through this. He is coming closer to my heart and my Mother's. Do not worry about him. I said many times, the time is here for him to move on with his life. His future is brilliant, ahead of him. My daughter, I will help him with this decision, the decision is taking its course, I will let you know soon what the big change in his life is, his new home, the family that he deserves. My daughter, I, your Jesus, want you to be in my peace. My Father, the Holy Spirit, my Mother and I are all working on the situation. It's been taken care of. I, your Jesus, cannot disclose yet what is coming for our son Frank. Tell him tomorrow that my hand is upon him and all his situation, his future, his home. My child, I know this place is very small to accommodate you both and I need you from now onwards in my peace to work for me. My child, I, your Jesus say: can you trust me more and more?

[Fernanda] *Yes, my Jesus, I do trust you.*

So, my child, go and rest now. You need your sleep. I, your Jesus, say thank you for the splendid hours in our conversation.

I bless you, I give my peace and love to you, your loved ones, family and all my children.

[Fernanda] Thank you, my Jesus, my King. I love you, my Holy Trinity and my Blessed Mother. *Sua bênção*<sup>5</sup>, my Holy Trinity and my Beloved Mother. ♥♥♥♥♥ I love you, Jesus.
