

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Jesus needs our prayers to avert big disasters – he doesn't want to punish his children, but his hand is getting very tired to hold up

Jesus Christ

My child, my daughter, thank you for sitting with me, for waking up to converse with me. I know you are resting, but I, your Jesus, need to converse with you.

Oh my little one I, your Jesus, I am in terrible pain. Oh, my aching, pierced, broken heart, and my Mother's. I have something very important, auspicious, trembling to confide to you. You need to know all this because you are my messenger to the world. Yes, my Petal, it's going to happen very soon: a big disaster, a big hurricane, big floods. I have said to you before, "soon", but now it's going to happen. It's terrible to watch. Oh, my children, they're going to be undergoing sufferings. [It will be] a very difficult task to help them. Millions of my people will [succumb] to death. It will be one of the most horrendous, horrible storms, avalanches, ever to happen in this world. My children will perish. You are going to pray constantly for them to be saved, but what they will experience, what they will undergo is very painful to see.

I, your Jesus, want to convey this to you because you're going to help me on this misery. I, your Jesus, don't want to punish my children, but my hand is getting very tired to hold up. My child, it will be one of the biggest disasters to ever happen, one of [level] 10 impact, strongest ever to *rebutar*¹, blow in the world. My child, I will let you experience my pain in time, closer to the time. Oh, my Blessed Mother cries tears of blood because of this. Will you help me and my Mother on this, my child?

[Fernanda] *Oh my loving Jesus, I'm here for my Jesus and my Blessed Mother. I will, I will, my Jesus. I am all yours, my Lord. I will help my Jesus and my Mother.*

My child, my children don't want to repent with contrite hearts. My child, this big disaster is near.

[Fernanda] *My Jesus, can I ask again, my Jesus, if I'm allowed to know: where is this going to be?*

Yes, my child, I allow you to know where it's going to be in some part of _____, south of that country, and in _____ as well.

My daughter, thank you for your time spent with me and my Mother. I love you, my child and your loved ones, family, friends, enemies and the whole world.

I want you to rest for a while.

¹ Portuguese to English translation: burst

My Blessed Mother will call you soon to converse with you.

[Fernanda] *Thank you, my Jesus. I love you very, very much, with all my heart. My Jesus, your daughter Maria asked me to tell you, Jesus, that she and her loved ones love you and my dear Blessed Mother very much. Thank you, my adorable Jesus.*

Oh my daughter, tell her that I love her and her loved ones very much too. Thank you, my daughter.
