

ALPHA + OMEGA  
God's Way Till Eternity

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7–8

### Jesus Christ, Mother Mary

#### Jesus Christ

My daughter, thank you for sitting with me, my Father, the Holy Spirit and my Blessed Mother.

My daughter, I, your Jesus, want to convey to you about my Mother's holy grounds. Today at my son priest, my anointed priest father Sebastian's farewell, my child, it was marvellous. There was so much joy at that special place. My child, I will leave it to my Blessed Mother to converse with you about it.

Oh my daughter, so much happened today, with so many prayer requests from my children for you to ask me, to pray to me and my Blessed Mother. Oh my little one, you are so busy, like a bee. My child, this is the beginning of your mission.

[Fernanda] *Sorry, my Jesus. My leg is a bit sore, uncomfortable.*

I know, my child, it's the position that you're sitting in, it's because you need a table and chair. Soon, I will organise one for you.

[Fernanda] *Thank you, my Jesus. I love you.*

Let's carry on with our conversation.

My daughter, oh, today your heart was in pain, aching because of my daughter Alice, whom you love dearly, to see her in such terrible pain, shocking pain. Oh, I know my precious, obedient daughter's aching heart, what she's undergoing at this moment. My child, I want to convey to my daughter Alice and her loved ones. I understand, I empathise, my daughter, [I know] the cruel truth about what happened between my son \_\_\_\_\_ and my daughter \_\_\_\_\_. Oh my child, there is so much happening in this world. I don't want my children, my daughter Alice, to encounter, to receive these blows, these thorns in her heart. She is my obedient child, always ready to help my people – all her sacrifices. My daughter, you said, "My Jesus, she doesn't deserve this pain." I know, my daughter Alice doesn't deserve this kind of aching heart. My heart, my spirit is with her during this tribulation infiltrated into her heart. I have said to you many times, my child, that my adversary, my enemy just goes on a rampage, destroying whatever he can, families, the peace between my children. He just performs this kind of destruction, rupture in homes. His main concern is to [destroy] the love, unity and peace. He knows that his time is running out.

My daughter, I, your Jesus, your God, your Lord, in conjunction with my Blessed Mother of the Rays, we come to you at this moment, at this hour, 01h00, to convey to you to relay this message to my

special daughter, of love courage, strength and peace in her heart through this arduous time that she is undergoing...

My special daughter, I know your pain, your shocking news, this blow to your pure, sincere heart. Oh my child, I, your Jesus of Nazareth, want to say to you that my Blessed Mother and I are with you. I will place my hand upon this situation, upon your heart. I will wipe away your tears. I will strengthen you. My child, I know how difficult this is for you, this rough road, to cross the bridge, to see the light on the other side of the road. My child, my Mother of the Rays and I will give you our hands. Hold them tight. Don't let go, grip tightly. You are going to see the light again at the end of the tunnel. Focus on that light, my child. I will enlighten your heart. My child, I know it's difficult to ask you at this moment, I understand your pain, to ask you to forgive those who persecuted, hurt you, infiltrated you with these pains. My child, I will heal your pain, your heartache. Time will heal your pains. Know, my daughter Alice, that my Blessed Mother and I love you. I will never forsake you or abandon you, my precious child. I bless you and give my peace to you and your loved ones, family, enemies and the whole world.

[Fernanda] *Thank you, my loving Jesus, I adore you, I praise you, my Lord.*

Thank you, my child. My daughter, I, your Jesus of Nazareth, want to say to you, about your concern, pain, to listen to my daughter Michelle and my son Antonio. Oh my daughter, I know you wish you could help her in her pains, sufferings, her trials. I thank you, my Petal for recommending that she go to my son priest Father Joseph for deliverance to help her. My daughter, I want to convey [this message] to my daughter Michelle...

Oh my child, I, your Jesus of Nazareth, I have seen your battles, sufferings and trials all these years. I created my children to be happy, joyous during their lives, to work in unity as a family, to support one another through their hardships, trials and tribulations. I united my children in marriage to be two-in-one in my holy name. My daughter Michelle and my son Antonio, I provided you both with a family. I gave you four children, whom I, your Jesus, created, gave them the Breath of Life. I entrusted these four beautiful children to you. I lent them to you and I chose you both to be their parents. You are all my children. I want you to be a family like the Family of Nazareth. I want unity, love, peace and understanding between my children. I don't want my enemy to destroy my children. He always destroys my Church, my son priests, the youth and families. My daughter Michelle and my son Antonio, I, your Jesus, ask from you to pray the Rosary together as a family. Pray, pray without ceasing to me and my Blessed Mother. Know, my children, that I love you dearly. I want to save my children. I don't want my children to perish. My daughter Michelle, I want to say to you that I have seen your sacrifices, your tears shed in silence, suffering. I don't want to see any of my children being used as a punching bag because only my enemy can cause this kind of atrocity. I, your Jesus, your God, don't allow this kind of pain on my children. I am love, not hatred. I am a merciful God. I forgive all my children of their sins when they come to me in Confession. Repent, repent my children, do not fear to enter my heart. I forgive them of all their sins committed all their lives. I want to save them. My children, I, your Jesus, want to save this marriage. Do not let my enemy destroy. Come, I ask you in my holy name, your Jesus' name, come to my son priest Father Joseph for help while there is still time. Thank you, my son Antonio and my daughter Michelle, for listening to my message given to you – for strength, courage, love, peace, harmony and unity – through my messenger, my humble servant. I, your Jesus of Nazareth, your Lord, give you my peace, my peace I give to you, your loved ones, family and the whole world.

[Fernanda] *Oh, thank you, thank you, my Jesus. I love you.*
