

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Satan uses his evil forces to attack innocent Christians as his time is almost up – pray against him and for protection upon Jesus' churches

Jesus Christ

My daughter, thank you for sitting with me, for waking up to converse with me.

My daughter, my heart is pounding with pain. Oh my child, I, your Jesus, need to confide in you. My pain! My child, your heart is also feeling my pain. Oh my little one, today my enemy went and destroyed my temple, my church. My devoted children are being persecuted, prosecuted through the foe of the enemy¹. My children suffered terrible pains, being killed because of their love for me. They hurt my precious children. Oh, what an atrocity done to my innocent children! Oh, what they did to them is horrible. My child, I need you to pray for my innocent children. They died because they were faithful to me. My churches, my temples are being destroyed, being corrupted because the enemy has succeeded in causing destruction. Oh my child, my time is near. My time is running out. Because the enemy cannot stand the faithful ones, my devoted children, he then comes with all his malign forces to corrupt, to destroy what I have slowly been producing, flourishing [for my children] to be saved. My Church has been in this kind of attack. My child, do you understand why I need you to pray, pray to help me? My Blessed Mother, she is here in pain. I want you to pray against my enemy, to help me in prayer to take the enemy away from my churches my temples. Oh my daughter, this just happened now. I, your Jesus, wanted to *advertir*² you, to let you know beforehand what is happening.

My child, your time is for me. Other functions, *divertimentos*³, are no longer for you because I want you to concentrate on your mission. You have a lot to pray for, to relay my messages. Your hands are full.

[Fernanda] *Lord Jesus, I am sorry, I picked up my mobile. It was your daughter _____ saying that she is feeling sick, that she wants to vomit because of her husband's lies. He takes all her happiness away. My Jesus, can you please help her, your daughter, to feel a bit better? Thank you, Jesus.*

Thank you, my daughter. Even at this time of the morning my children are seeking your intercession to me. Thank you, my daughter. I will heal, help, my daughter through her pains, her heartache. I know, I see, I hear everything. Thank you for your concern.

[Fernanda] *My Jesus, thank you for confiding about your pain, the atrocity done to your temple, your church, the persecution of your Christian children. Oh my Jesus, must I pray now for them?*

¹ An archaic way of saying "enmity" or "hostility"

² Portuguese to English: to warn

³ Portuguese to English translation: amusements, diversions

Yes, my child, pray because some of my children need to be saved, to be helped through their pain. There are some still alive in pain, hurt, *feridos*⁴. Oh my child, it's incredible what they did, what they used to hurt, to kill my innocent, devoted children.

Thank you, my child. Go on your knees and pray, pray with all your heart. Thank you, my little Andorinha⁵ for your time at this hour of the morning to wake up and converse with me. My daughter, I say thank you.

I bless you and give my peace to you, your loved ones and the whole world.

[Fernanda] *Oh my precious Jesus, thank you. Am I allowed to know which country this happened in? Thank you, my Lord.*

Oh my little Petal, yes, you are allowed to know which place, country, this atrocity has been done in. I convey, relate to you, my messenger to the world for my Second Coming, it's in Iraq, in a Muslim part of the country. They have been attacked before. Thank you, my child. I love you, thank you for your patience. Oh, my Christian children!

[Fernanda] *Thank you, my Jesus. I love you.*
