

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

Jesus wants us to pray for the many souls that need to be saved because his hand will soon come down on this cruel, insane world

Jesus Christ, Mother Mary

Jesus Christ

My child, thank you for sitting with me and my Mother, my Father and the Holy Spirit.

My daughter, thank you for all the prayer requests and for teaching our grandson to pray. It's beautiful to see him interceding to me and my Mother. He will grow in love of us. He will be a strong prayer warrior for me and my Mother. My child, our grandson will always be protected. He will have faith, courage and perseverance towards me and my Mother. Thank you for feeding him, for planting the seed. I will protect him from the danger, from the foe¹ of the enemy. Teach him to pray as he is doing now.

My child, I see your leg is in some pain. Do not worry, the pain, the discomfort will soon disappear. I will heal you in my holy name.

My daughter, there's so much happening in the world right now. You have to pray for the many distraught, miserable souls that need to be saved before it's too late because soon, very soon, my hand will flow loose, and then [there will be] so much change in this cruel, insane world.

My child, I, your Jesus, I have to relay something, to convey again to you what I promised to you. My daughter, I, your Jesus, say, my child, keep praying for this cause. I saw, I heard your conversation with my daughter Alice. You have no words to alleviate her pain. Sometimes, my enemy causes this disturbance between families. My daughter, I want to say again, to repeat to you, that my hand is getting very tired. I don't want to punish my children, but my children carry on in the same kinds of sin. Oh, my heart is getting too pierced – the crown of thorns in my heart – it's very painful to absorb all this kind of hurt. Soon you will see my heart alive for you to see how much I suffer with those crowns of thorns. You will soon see them.

My daughter I, your Jesus, want to convey to you how much I love you and my children – all of them equally – and why my children don't repent and go to Confession. I want to convey to you about how I want my children to come to my heart because time is near, time is running out. My time is near.

My child, my Blessed Mother, she is waiting to converse with you.

Mother Mary

¹ An archaic way of saying "enmity" or "hostility"

My daughter, thank you for sitting with my Son and me, for the special time spent with us.

My child, I want to demonstrate to you about hell and purgatory because my messages and my Son's have to be proclaimed very soon. My child, I want to save all my people, I want to see them all in my paradise. My daughter, I want to convey to you about my messages. Soon the world will see the true faith, the meaning of, the importance of, and how strong the messages given to you from my Son Jesus and me, your Mother Mary, are.

My daughter, I want you to take a rest while you are here in this place where the three of you are now. You will see why my Son Jesus placed you, the three of you, there. Everything is in place. My Son Jesus...

My daughter, I see your eyes are very heavy. My child, I have so much to teach you still, but I see you are very tired. My daughter, do not worry if today we are not conversing much because I want you to rest in peace. My Son Jesus chose this place for a reason.

My daughter, I bless you and your loved ones and the whole world.

[Fernanda] *Thank you, my loving Mother. Thank you. I love you always.*

Jesus Christ

I, your Jesus, say thank you for this time spent with us. I want you to rest. We will converse much more later. I will call you at your place soon to converse much more with you.

I give you my peace, my peace I give to you and your loved ones, your family and the whole world. I, your Jesus, your God, I want you to rest while you are here. I love you, my child.

[Fernanda] *Thank you, my Jesus. I love you. Thank you. I adore you, I praise you always. Sua bênção², my Holy Trinity. Sua bênção, my Blessed Mother. I love you all with all my heart. Thank you, thank you.*

² Portuguese to English translation: Your blessing
