

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

A huge round rainbow will appear in the sky, then comes the Three Days of Darkness – most people will be unprepared and die of fear

Jesus Christ, Mother Mary

Jesus Christ

My daughter, thank you for sitting with me and my Mother. My little one, I, your Jesus, I miss our deeper conversations. I am waiting for when you come home to our sweet home, to converse more in detail.

My child, I your Jesus, I am very happy for you to relax. The peace and love between the three of you was like my Holy Trinity.

My child, I want to relay to you about my End of Times. I have been teaching you about my messages and what I want from my people, my children. You have been learning very quickly – your schooling, your grade, is improving day by day. My child, I repeat, repeat all the time, my End of Times, my Second Coming is near. My time is running out to save my children. You have to help me on this, my child.

My daughter, I want to relay, convey again about my End of Times. My child, [it will be] something very hard, horrific, terrible to see, to watch my children whom I created and love, to see them suffer in that way. I want to explain in more detail what is going to happen...

My Petal, Andorinha¹, it will be a terrible, horrific scene. Oh, my child, to see my children! Like I said to you, it's going to start with a huge rainbow, but a round circle, like the one I showed the other day, but much, much bigger, enormous. Then, inside, it will be very dark, dark. They will see that, but then afterwards, everything will become dark, pitch black. No one will see anything, [there will be] no stars, no moon, no light. My children will not be able to see anything, I mean anything. Then, they will go out of their minds with fear, terrible, horrific fear. They will scream and scream, but no one will be able to help them. They will carry on for three endless days in pain. Most of them will succumb to death. They must not move anywhere; they must stay where they are. My child, then very few will have candles to light, but they will not be able to survive for long with candles because my hand will be out and then my children will see and remember all my messages and my Mother's messages to her visionaries. They will remember something from them. My child, then they will *rastejar*² – crawling, crying, screaming in fear. They will *reconhecer*³ the Son of God. The ones who repent and confess on their knees that the Son of God has come to save them, who come and open

their heart to me and my Father in repentance [will be saved]. My child, those three days will be like an eternity for my children, but they have to confess with contrite hearts that Lord Jesus, the Son of God the Father Almighty, is the Messiah, the King of the Universe, the one who died more than 2,000 years ago. They have to proclaim and confess that I, the Lord of Lords, the King of Kings, I came to save them. Then, I will give them time to repent and I, your God, your Lord, I will forgive them. By then fear, *pavor*⁴, trembling [would have] taken [hold] of them. My child, I will judge the living and the dead. I will burn them inside with the fire of my love. The Holy Spirit will burn them. They will feel like they are on fire. Oh my child, that sensation of fire burning them will be very painful. They won't know where to turn to. All this modern technology will disappear – the technology that men think they invented, forgetting that I, their God, their Creator, I chose my children to create all that. I am the one who created, produced, invented them, [gave them the] knowledge, the wisdom to invent all the technology, modern equipment. My child, I am the Lord, the loving Lord who forgives unconditionally without hesitation. My child, I have much more to teach you.

My Petal, next time I want to converse more about the situation.

My daughter, thank you. My Blessed Mother, she is here to converse with you.

Mother Mary

My child, I, your Mother Mary, want to say thank you for being obedient to me.

My Andorinha, I want you to carry on doing [things] the way you are, my child – the Rosary and Divine Mercy Chaplet, the prayers said and teaching our grandson Ricardo. It's very important, especially for our grandson.

My child, I need you to pray for my pains. I shed tears of blood constantly. I'm going to confide to you all about this pain. Thank you for praying, my child. My tears of blood that I shed all the time are very painful. My pains are because of the big atrocities caused by my sinful children. Oh, I try so much [to help my children], I shed tears of blood constantly, especially in front of my Son to ask him for more time for the world. It's very important that you pray – just for me and you to pray, pray, my child. Very soon you're going to be on your mission and then you will be instructed what to pray about. My child, my Son doesn't need this kind of torture in our aching hearts. Oh my daughter, it's going to be a lot of pain during this time. You will be our balm during this time of pain.

My child, you are very tired. I will call you again to converse with you. I love you, my child. Thank you for responding to my call.

[Fernanda] *Thank you, my Blessed Mother. I love you very much.*

Jesus Christ

My daughter, I, your Jesus, say thank you for sitting with me and my Mother to converse with us, for your patience to sit with us.

My child, I, your Jesus, say thank you for all the love given to me and my Mother. I bless you abundantly. I give my peace to you, your loved ones, family and the whole world.

⁴ Portuguese to English translation: terror, dread

[Fernanda] *Thank you, my Blessed Mother Sua bênção⁵. Sua bênção, my Holy Trinity. I love you all with all my heart. I love you. I love you always with all my heart.*

I will call you soon, my Petal. I, your Jesus, say that I love you too. Be in my peace.
