

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

Jesus Christ, Mother Mary

Jesus Christ

My daughter, thank you for sitting with me and my dear Mother, my Father and the Holy Spirit.

My child, thank you for today, for praying for more time for the world. My child, pray always in this way to help me and my dear Mother.

My daughter, today was very joyous. Our grandson was sharing with his loved ones all about the beauty of nature.

My daughter, I see you went to see my son doctor about your leg. I know that it's very uncomfortable the way you are feeling with your leg, the pains. My child, I know your financial situation. I know you need to have X-rays taken. You can go, but I will heal your leg in my holy name. My child, you are right to first seek help through massage. You will be healed. Do not worry about worse [things] that can happen because I, your Jesus, need you to help me. I want you in good health to help me.

Oh my child, tonight, I permitted you to come and visit my daughter _____ and her loved one, my daughter _____. Yes, I allowed you to come. You were all playing some card games, that's okay, but my child, I see all the conversation, all those rude jokes through my daughter _____ were not for you. It's not for you to be in the midst of such conversation. Your heart was with me and my Mother. You couldn't smile as before, but you didn't want to say anything. I heard you, your whisper to me and my Mother about that. Do you understand when I say to you that you don't belong in certain places? I sifted you away from that [kind of] language. My daughter, you are in my hands, my care. You are my chosen desire for my End of Times. You don't want to say, to explain to my children about your rare gift, but remember, you are my chosen desire for my Second Coming. My Petal, I want you to stay the same as you are now. My daughter, only the sign upon you will make my people understand how important your mission, your task, is. My daughter, up until now, my children don't have the slightest idea what is your role is with this rare gift. They will soon see the importance, the beauty of the Holy Spirit, the special gift upon you. My children, they look at you like you are nothing, but to my Mother and me, you are worthy of us, our love. Heaven knows how special you are to us. Thank you, my child, for being humble, simple – humility reflects on your face.

My child, my Blessed Mother, she is waiting to converse with you.

Mother Mary

My Petal, I, your Mother, say thank you for the love, the Rosary that you prayed to my Son. Know that all the angels and saints whom you invited to pray with us, they all prayed in unison of voice to my Son about my pains and for more time for the world. My daughter, thank you for praying the three Hail Marys to me at midnight. You didn't worry about criticism. Oh my child, all this pleases me. My Petal, I see everything. We are in awe of your love towards us. Thank you, my little one.

My child, I see you are very tired. You can go to bed. You need to rest. My daughter, I want you to know that heaven is preparing a beautiful banquet for your special mission. My daughter, rest, then I will call soon to converse with you.

Jesus Christ

Be in my peace and love, in unity towards me and my Blessed Mother. I bless you and your loved ones, family friends, enemies and the whole world.

Oh my child, I, your Jesus, love you and all my children unconditionally. Do not worry. I saw your heart was very uneasy with that foul language. My child, soon my children will understand where you belong. You are mine, my little Petal, my warrior.

I give you my peace, love, unity, understanding with your loved ones.

I see you are very preoccupied about our grandson's chin. I heard my daughter Tersia ask you to pray for that dark circle around his chin [to be removed]. I will heal [him of] that. You will see, my daughter. Do not get uptight about it because I will heal it completely. I, your Jesus, ask you to pray about it in my holy name. It will heal very quickly. Soon you will see the results.

I give my peace to you, your loved ones, family, friends and all my children.

[Fernanda] *Thank you, Jesus. I love you. Sua bênção¹, my Holy Trinity. Sua bênção, my dear Mother. I love you all, my Jesus. ♥♥♥♥ Jesus, I love you xxxx.*
