

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

Jesus Christ, Mother Mary

Jesus Christ

My child, thank you for sitting with me and my Mother, my Father and the Holy Spirit.

My daughter, I, your Jesus of Nazareth, want to convey to you about tonight and my children, your brothers and sisters in Jesus Christ, your dear friends for long years.

My child, thank you for refusing that drink. You know what I said to you before, that it's no longer for you. My child, you know that my enemy was trying to use my daughter _____ to convince you, to tempt you, but your heart, soul and mind was with me and my Mother. You were very docile in answering no and telling her the reason why. Thank you, my child

[Fernanda] *My loving Jesus, can I please ask my Jesus something?*

You may ask, my Petal.

[Fernanda] *Jesus, I had that bit of wine. I said to Alice that my Jesus doesn't mind just that little bit, like at the wedding of Cana where you transformed water into wine for the wedding. Jesus, was I committing a sin in saying so and drinking that wine? Thank you, my precious Jesus.*

My daughter, thank you for your sincere, pure, honest question, I am going to answer your question. My precious little one, I, your Jesus, want to convey to you, to relay this question. My child, I purified you all these years. You are almost ready to start your mission. I want you to stay pure as you are now. Well, my child, a bit of wine as you drank does no harm at all, but my child, for you, I want no alcohol consumed, not even wine. I turned water into wine for the wedding, but my child, it was for the guests, not to embarrass the newly-weds and their families. My child, I want you as my messenger to the world to proclaim, announce my messages and my Mother's. I want nothing, no kind of alcoholic drink to be taken. I want you to stay out of that.

[Fernanda] *Thank you, my Jesus. I love you. I am sorry for disobeying my Jesus. I ask for forgiveness and pardon. I won't do it anymore. Thank you, my Spouse, my loving Jesus. I live for you, for your work entrusted to me. I am your servant.*

Thank you, my child, for the sincere answer to me. It appeases my heart. Oh, I was missing the special kisses today on my heart and my Sacred Face. Yes, my child, since you arrived, I have been alive here for you. You're feeling my presence, and my Sacred Face: on the left, you see it's different, darker.

[Fernanda writes] *I was fixing my eyes on Jesus' Sacred Face, his hands for a long time. It was beautiful.*

Oh, thank you my child for fixing your eyes upon me. Yes, I moved my fingers for you. I am present here with you. [You saw] all the changes on my Sacred Face. I did say to you that I love you too. I sent a kiss. I gave you some blood and water out of my lips for you.

Thank you for the special time to converse with me, to whisper to me all the time, "I love you, I love you." What a balm to my heart.

Oh my child, this special love is really appreciated by my aching heart. My child, soon I will smile back at you. In my picture: my skin colour, my beard, my eye, my breath – it was all visible for you, you knew that when you synchronised with my Sacred Face, you saw that I was truly alive for you.

Thank you, my Petal. My Beloved Mother, she is here watching. All this love given to her Son Jesus penetrates her heart. She says thank you.

[Fernanda] *Jesus, I adore you. You are my life, my breath. I couldn't live any more without you in my life. I want to make you, my Jesus, happy. I want to give you joy in your pierced heart and my Blessed Mother's.*

Thank you, thank you, my Petal, my humble servant, for all this love, these sincere words said to me. Thank you for making me very happy. My child, you belong to me always: nothing will separate you from me, your Jesus, my Blessed Mother, my Father and my Holy Spirit. You are my hope for my End of Times, my warrior of my times to bring my astray, lost sheep, my flock, into the abode of my heart.

My child, my precious Mother, she is here to converse with you.

Mother Mary

My daughter, my humble servant Fernanda, thank you for being here with me, your Mother Mary, and my Son Jesus. My child, I know it's very late, but you couldn't go to sleep without our conversation as usual.

My Petal, thank you for the beautiful words and question to my Son Jesus.

My child you are feeling your face itch – it's our angels scratching, playing with you with their wings, rubbing, flap-flapping their wings. My child, don't forget to sing with them, they have been waiting for you to invite them to sing for me and my Son Jesus.

My Petal, I, your Mother Mary, say thank you for always being obedient to my Son and the Holy Spirit. My child, tonight, while together with my children: the surroundings, the presence of the unusual talk, especially the acts all night of doing some things that were not very pleasant, were a bit out of your hands. I saw you and my daughter Alice's spirits, your hearts, were not on the same level of spirituality as my other children. Soon, you will be out of some places [that are] not to be produced for you. I, your Mother, knew that you wished you could talk about my Son Jesus and me, about our messages. My child, it wasn't very pleasant, it was uncomfortable, but your patience, humility and smiling made it very peaceful. Thank you for that.

My daughter, I have so much to converse with you about, but at this moment, I want you to rest for a while in your *palhinhas*¹, in my Son Jesus' arms. My Divine Mantle will wrap you very cozily for you to fall asleep and to be protected – you and your loved ones.

My child, I bless you always, your loved ones, family and the whole world. Thank you for responding to my call.

[Fernanda] *Thank you, my loving Mother Mary.*

Jesus Christ

I, your Jesus, say thank you for this special time spent together to alleviate my aching heart, for spending these hours of sleep that you have given to me and my Mother. I, your Jesus, say thank you.

I, your Jesus of Nazareth, give you and your loved ones my peace, my love and unity, understanding to all of you – my special peacemaker, my humble servant for my Second Coming.

[Fernanda] *Thank you, my Lord, my King, my querida*² *loving Jesus. Sua bênção*³*, my Holy Trinity. Sua bênção, my precious Mother. I love you all with all my heart ♥♥♥♥.*
