

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Jesus Christ

Thank you, my child, for sitting and conversing with me and my Blessed Mother Mary. My child, thank you for your love dedicated to me and my Mother.

My little one, yesterday, my Divine Mercy Christmas lunch with all my apostles, my children, was very joyous to my heart. Thank you for reminding my children to pray my Divine Mercy Chaplet to end the beautiful lunch. It was our dessert, given to us to embalm, to infill our stomachs with the sweetness of my children. Our Andorinha¹, you were obedient to us. From now on, it will be times like this where you are going to be infilled with the unified voice of the Holy Trinity. I thank you, my child, my messenger for my End of Times.

My Petal, I, your Jesus, want to convey to you about your leg. Soon you will be released from the pain in your leg. Your eyes will be healed in my holy name. A lot of healing is going to take place on your body. My child, I will give you this grace because I need you to move around the world to proclaim my messages and my Mother's to save souls, to bring my lost, astray children to my pierced heart. Oh, how much I want to save all my children. My Andorinha, you are my hope to help me with this. Your task, your mission is on its way for you to start. Oh, soon, soon you will be on the go. What a beautiful sign I will place upon you, then you will be free to start in my holy name. Oh my child, sometimes your heart desires to explode and just speak about me and my Mother, about our love, our graces and the messages from us, like on Saturday your heart was burning to speak about all the messages given to you. You were waiting for the opportunity, but you couldn't speak because you feared some of my children would be stumbling blocks. You were right, but my child, time is near when your heart will be free to open and announce my messages. My child, take the time, as quickly as you can, to write everything in the books as you have been doing because time is running out for you to start your mission. I need you to be free of much responsibility. You have to pray all the prayers that I, your Jesus, asked you to pray, for all those causes. Oh my child, so much is going to happen in this world for my Second Coming. My child, I want you to know how important it is for you to pray for what my Mother and I asked you, because you are our intercessor on earth to heaven. Oh, soon you will be asked by my people, my children, for prayer requests and messages. They will be looking at you with the special sign that I will place upon you. They will believe that you are our intercessor on earth to heaven in my holy name. And you, my child, with your humbleness and humility, you will explain to them that it is Jesus Christ our God, the God Almighty Father, the

Three-in-One who does the healing and answers your prayer requests, and that you are only my instrument, my messenger chosen by me, your Jesus.

My child, we are conversing together. I am sitting next to you on the cushion displayed by you for me. My Mother is sitting on the other side, next to you on the cushion that you placed for my dear Mother to sit on. Thank you for this love, thoughtfulness towards us.

My child, I want to convey to you about sitting with me and my Mother, my Father and the Holy Spirit at this special hour (02h50) in my holy shrine, my chapel. My child your visit is very much appreciated so is that of all my children who come and visit me to keep me company at my Blessed Sacrament, in my tabernacle. Oh my child, I'm going to explain to you again how I, your Jesus of Nazareth, like to see my children come and pay me a visit.

Oh, I, your Jesus, am sitting in my monstrance, waiting patiently, like a prisoner, for my children. Then, when I see the door of my temple open, I jump with joy to come out of my monstrance, and come and greet, receive my children at the door. Then I sit next to them, and [so too does] my Mother. Oh my child, what a balm to my heart to listen to my precious children's prayers, Rosaries, Divine Mercy Chaplets and many more prayers. My child, even just sitting and absorbing my peace and love is a big prayer to me. Oh, I hear their sighs, tears, pains, tribulations, hardships and trials. All is heard and seen by me, my Mother and the Holy Trinity. My child, I heal them of all their pains and I obtain so many graces for them, their families and their loved ones. I will protect them from all dangers. I will give peace, unity and understanding between families, and protection wherever they are. I will wipe away their tears. I caress their hair when they sit with me in my Blessed Sacrament tabernacle. Oh, what a joyous moment it is for me to be able to put my arms around my children to comfort them with my love. My daughter, my humble servant, thank you for all the hours spent with me, for the sacrifice of coming to be with me at this hour of the morning to keep me company. My child, I, your Jesus, don't ask too much, just one hour a week to be with me. I don't ask for the night hours as you are doing for me, which is much appreciated, but if my children would dedicate just one hour week during the daytime, oh, what gratitude I would have towards my children.

Tell my children about your experiences when you are with me in my chapel the strength, courage, faith, protection and graces that you have been receiving. Oh, all these hours spent with me – my daughter, my little one, I, your Jesus whom you love very much, I thank you for that.

I want you to spread, expand this message to my children, tell my bishops and my son priests how I, your Jesus, your God, wish all my children to have perpetual Adoration. I will protect them. They must not fear anything because I will give them my protection and my Blessed Mother will wrap them all with her Divine Blue Mantle. A multitude of angels and my saints will be their shield, their safeguard. My child, do not fear to approach my son priests, my son bishops, to convey, relay this message of my wishes, my desire to be adored by my children in my Blessed Sacrament tabernacles.

I thank you, my daughter, my humble servant. I, your Jesus, your God, your Lord, come to you at this hour, this moment, 03h20, to convey, relay this message to my children, to the heads of my churches, my son priests, for them to listen to and absorb my desire, which I relay through my humble servant, my messenger whom I chose for my Second Coming, which, my children, is near.
