

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

Jesus Christ

My child, thank you for sitting with me and for waking up to converse with me.

My daughter, I, your Jesus, want to say thank you for fixing your eyes upon me. It was very beautiful, soothing to my heart. Yes, I moved my finger on my heart. I moved my finger on my right hand for you. My lips, breathing, water and blood dripped down my chest. I opened my lips wide for you when I let out my water for you.

My child, I thank you for this special time spent with me and my Mother. The Holy Spirit and my Father are also standing here with us. Oh my Petal, I have something very important, very prominent, to entrust to you. I have a special message to deliver to you, to convey to you, my messenger for my Second Coming. My child, my humble servant, I have to say this at this precise moment. My Petal, I, your Jesus, say to you on this day before my birthday, my daughter, my special messenger, I say to you now, I have to convey this message of love, trust and confidence for you because, my child, you need reassurance about your finances. I know you don't want to ask me anymore because you don't want to offend me or hurt me. Thank you, my Petal, but this is very important for you. You are going to receive it very soon because you have to have our new home. Everything is placed in order for you to start your mission. I am going to place upon you the special gift that I promised to you, then you are going to receive your financial help, and our son Frank as well, our son John Paul and his loved ones. I have everything arranged, placed on his plate of gold, for him to carry on with his daily life's affairs in peace of mind. You are not going to worry or to be preoccupied about his affairs, his work, home. He is on the right path of life. Now, my child, it's you and our son Frank, but I have already placed a plate of gold on his tray to receive, to start his business, for you to be able to be in peace of mind. Then you can carry your mission for me, for my fields. My child, you are ready to receive what the universe offered you, promised you. You are going to be so happy and joyous with your gift, your present.

My child, you were so happy about my daughter Eulalia receiving her present because she was waiting all these years, and you, my child, stood by her through the rough seas, giving her courage, strength and faith, planting the seeds to grow. Yes, as usual, my children didn't see this and your prayer requests in silence during Mass and the Rosaries offered. My child, you are our intercessor from earth to heaven towards our children. Thank you, my Petal.

Today as well, you were encouraging our daughter Miquelina to have faith in me. I heard all of the conversation between the two of you. You were right in what you said to my daughter. She will one day remember these words of encouragement. My child, the dream of my child Miquelina, that's

what I am going to give my daughter and my son. Soon they will obtain these graces. I have given the vision very clearly. She must follow it. My daughter Miquelina, Mickey, prays and prays and cries tears of pain because of her situation, but all the prayers will be answered.

My Petal, for now, keep this to yourself. When the time comes, you will reveal it to her.

Oh my daughter, I also want to convey about my daughter _____'s drinking problem. I have healed her in my holy name. My child, I have written all the prayer requests during the course of this time. You have been placing them in my hands, in the abode of my heart. Thank you, my child. Oh, my children don't see any of this, they never notice, my little one, my prayer warrior, but you, my Petal, you keep yourself humble, in humility about this. You never mention to any of my children about your dear friend, the prayers, the care and love that you have for her, for them. But, one day soon, my children will be taken aback by an immense surprise when they see my warrior, my Andorinha¹, how she has been chosen by me, your Jesus, your God to be my messenger for my End of Times. My Petal, sometimes even you yourself doubt all these conversations, if they are really happening to you. Oh my child, I, your, Jesus, have so much joy and happiness about your rare gift, your task, your mission to be given to you, because my daughter, my humble servant, you have never been afraid of work, any kind of work. You are faithful to me, you are willing to help me to bring my astray, lost sheep, my flock [to me]. I want to gather them in the abode of my aching heart. My child, you are always ready to attend to my call and my Mother's, even if you're lacking sleep. You are always giving your will, your heart to me, to help me when my aching heart is in pain. You are always there to embalm me with your kisses to me and my Mother. You offer and give us those kisses with passion, comfort and love to us. Only us in heaven, the Holy Trinity, see all this beauty of your huge heart and love to me, your Jesus and my dear Mother. My child, do you know that when you wake up and go to sleep and ask my Father, the Holy Spirit, me, your Jesus, and my Blessed Mother, "*Sua bênção*"², with the love and respect from my beginning of times, which today nobody remembers any of this, [it embalms our hearts]. But you, my Andorinha, your heart, the Holy Spirit within you and your principles that you have followed through the years in your heart – my child, you never learnt this from a book or went to university – this book of love, knowledge and wisdom within you is far beyond my children with degrees. This you don't learn from books, but your love, patience, suffering, trials and tribulations brought you closer and closer to my heart, and that's where you got your degree, your diploma.

My child, teach this to my children, then they must follow and understand how I purify my children, because I purified, refined you, sifted you like gold, ready to be used.

Thank you, my Petal, Andorinha. I, your Jesus, thank you for the special time spent with me.

Oh my child, you are quiet now. You said, "Jesus, I am like a parrot." I was listening to you talk, conversing, what you said to me. Yes, I love my little parrot. That's why I chose you, but now it's me who is doing all the talking. My child, do not hesitate to write down my words about me being the parrot now. My child, as you know, I, your Jesus, have a sense of humour. When I am with my humble children, it pleases me, their sincere, clean, pure hearts, the conversations between my children.

My child, this hour spent with me in this conversation healed my aching heart. It's like you are putting medicine over my wounded heart, as my Blessed Mother said, explained, to you.

Thank you, my little one. I have to let you rest in your *palhinhas*³, little nest. I am going to let you have a wonderful dream, a vision to remember about me and my Blessed Mother. Then you will know the reason for that.

I bless you and give my peace and love to you and your loved ones, family and the whole world. I love you my Petal, Andorinha.

[Fernanda] *Thank you, my Jesus. I love you, my King, my Lord of Lords, my Spouse, my life, my breath, my Creator, my everything. I love you. I adore you, I praise you, I love you with all my entire heart.*

I, your Jesus, your Spouse, soon I will free you from all the worries, from earthly things. I love you, my child
