

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Mother Mary's tears of blood Rosary to avert a big disaster

08/04/2011

Mother Mary

My humble servant, there is something that is going to happen soon in this world, but my children keep ignoring my pleas and my Son's. My Petal, this is something very big and very painful for all my children. My daughter, I am going to explain to you. It's going to be a terrible disaster again – very big; very destructive, abolishing, enormous storms, and there are going to be very strong winds, different from normal. It's another sign for my children to see to repent. It's going to happen on a very cloudy, dark, fearful day and is going to be a very painful disaster – destructive, blowing even the strongest foundations away, out of the ground. In seconds, everything will be gone – a cyclone, the strongest ever in the history of mankind... oh, lots of deaths, uncountable... there are no words to describe this terrible, devastating cyclone.

Oh, my child, I am asking you to pray intensely for this [to be placated]. I am going to give you a special prayer request to pray to my Son Jesus, our Father and the Holy Spirit. My child, the prayer request to heaven is like this...

My dear precious Father, my dear living Jesus Christ, Son of our Almighty Father God and Son of the Holy Spirit, the Triune God, I, your child _____¹, I am on my knees interceding to the Holy Trinity². Oh, my Father and my loving Jesus, I am asking this special favour for the world, for this chaotic world in dismay and destruction. I am asking you to help us, to give more time to the world. I am praying, as well as my Mother Mary, the Mother of my loving Jesus, to stop this disaster, ...state type...³, to help save this country from many deaths and the pains caused by this disaster⁴.

My Jesus, my Father, my Holy Spirit, I am praying this sorrowful tears of blood Rosary, through the pains of your Beloved Mother, to stop this from happening, to help this world with this pain. Amen.

My daughter, this Rosary is prayed in this way...

Pray the [Our Father](#), three [Hail Marys](#) and a [Glory Be](#).

On the "Our Father" bead, you pray...

Father, Jesus, have compassion on your children. Save them.

¹ The original words were "I, your humble servant Fernanda".

² The original words were "Holy Trinity, *Santíssima Trindade*".

³ The word "cyclone" was replaced with "disaster" to generalise the prayer.

⁴ The words "strongest cyclone ever" were replaced with "disaster".

On the ten beads, you pray...

Through your Beloved Mother's tears of blood, have mercy on us with this disaster⁵.

Pray until you finish the Rosary, then say the [Hail Holy Queen](#), followed by...

Save the sinners, bring them to your Son's heart. Amen.

My daughter, this is a Rosary of my tears of blood. You can pray it for many intentions. This is a powerful Rosary. My Son obtains many graces for my children through my tears of blood because my Son cannot refuse anything when my children pray through my tears of blood. My daughter, pray this prayer until the time comes for my children to be aware of this powerful Rosary as well.

⁵ The word "cyclone" was replaced with "disaster".
