

ALPHA + OMEGA  
God's Way Till Eternity

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7-8

### Jesus Christ, Mother Mary

#### Jesus Christ

My daughter, thank you for sitting with me tonight, my Father, my Mother and the Holy Spirit. Oh, My Mother and I missed you yesterday.

Oh, my daughter, what a marvellous, beautiful, fruitful weekend with all my faithful children here. Oh, what joyous moments my people have given to me and to my Mother, to our pierced hearts.

First, my daughter, I want to say thank you for relaying my messages to my son priest Father Wayne. Yes, my son imbibed my messages into the abode of his heart.

My little one, I, your Jesus, I have so much to converse with you. One day passing without our conversation – it's too much for my pierced heart not to be alleviated.

My Petal, I want to convey a message to all my devoted, precious children. I am very pleased with this beautiful group for bringing my lukewarm souls, my children, to my heart. My daughter, I want to thank my daughter Celeste, my warrior, for this progressive pilgrimage, for coming here regularly, on a yearly basis. My daughter, I have a message for my children on this trip to my Mother's holy grounds.

My children, I am your Jesus of Nazareth. I am about to be crucified – in a week's time I am going to carry my heavy cross upon my shoulders to save you all, to save you from Gehenna. My children, believe me, your Jesus, your Lord. I am your living God. My dear children, hell exists, heaven exists, purgatory as well. My special children, I am here to relay, convey to you all to repent, come to Confession, come to my Holy Mass, make peace between your families, love one another, forgive one another as I forgave my enemies. My children, hell is an obscure place. I don't want my people to suffer, to perish in hell because of stubbornness. My dear children, know that I, your God, I endured so much pain because I love you all. You are my dear ones. My pains this week were very horrible, horrendous pains, but I carried my cross with love to save you all as I have this love for you today.

My daughter, my precious children, I, your Jesus, want to convey a message to my children, to say to them, thank you for coming to my Mother's holy grounds. Oh, what a beautiful weekend! My children, thank you for this sacrifice to be here with me and my Mother. I am very joyous, happy with you all. I, your Jesus, your God, say thank you and to your loved ones for being here, for keeping me company and my Mother.

Thank you, my daughter. My Precious Mother, she is here to converse with you.

### **Mother Mary**

My daughter, I, your Mother, Tabernacle of the Most High, I am here to convey to you, to say thank you for your patience and presence here with me and my Son Jesus.

My children, I, your Mother, Tabernacle of the Most High, I am here conversing with my humble servant. I want to say thank you to all, to some of my children for being here again, and to my newcomers, I say thank you for being obedient to me, to the Holy Spirit. Thank you for being here. My children, I, your Mother Mary, I have this special request for you all: Pray, pray without ceasing; come to Confession with contrite hearts; repent; love your enemies as I loved my enemies with my death and resurrection, forget the past, forget their errors and faults. I have this special request for you all. Listen to my call. My Son's time for his Second Coming is near. Repent at this time, in the last week of Lent. My Son's Passion... Oh, so many pains that my Son suffered for all of you, to save you all. Pray, receive this, infill your hearts this weekend and leave the lukewarm hearts behind. Keep this close to your heart with the same love as today.

I bless you all and your loved ones. Be in my love always.

### **Jesus Christ**

My daughter, I, your Jesus, say thank you for this love and dedication to me. Oh, my Holy Mass celebrated by my son priest Father Wayne, by my five son priests, the love received – it was a very blessed Mass. I gave my special blessings to you all, and your loved ones, family friends and all my children.

I want to say to you all about tonight. Oh, my Blessed Sacrament being exposed, the singing, the praises – it was the most rewarding night. I was walking amongst my children during my Adoration. Oh, I was sitting next to my children, playing with, caressing their hair. Oh, I wiped away some of my children's tears. I will grant them their wishes, their desires, their petitions. All has been taken into the palms of my hands. I called all my children by their names to come here to my Mother's holy grounds. Thank you for mingling with them all. That's what I want, for my children to be in peace, love and unity between one another. Conflicts are not from me, your Jesus.

My daughter, I bless you all with all my love to you all. Come again, as soon as possible, to my Mother's holy grounds to receive the graces promised to you all.

[Fernanda] *Thank you, my Jesus, I love you.*

My daughter, I, your Jesus, I want to say a special thank you to you for tonight, for sharing my messages with my children, about your rare gift and for telling, explaining to my children, what I want from my children. I was very happy with you and the manner in which you approached my children: first with the sense of humour about your life and then to relay to them about your messages. Oh my child, I am extremely grateful to you for relaying the messages from me and my Mother.

I say thank you to you all, my devoted little ones. I, your Jesus, I love you all equally. I want to save you all. This week is a very special week to love, to forgive, to repent, to renew, [to start] a new life through my sacrifice and pain that I endured on Via Dolorosa, on the cross, [at my] crucifixion to be your Saviour, to love you and to bring you close to me.

Be in my peace, my peace I give to you and your loved ones and all my family.

[Fernanda] *Sua bênção*<sup>1</sup>, my Jesus. Sua bênção, my Father, my Holy Spirit, my Mother. Sua bênção. I love you all. I love you Jesus ♥♥♥♥.

I love you too.

[Fernanda] *Beijinhos*<sup>2</sup>, beijinhos, beijinhos to you too.

My daughter, I want you to rest for a while. I will relay a message for my youth early tomorrow.

[Fernanda] *I love you, Jesus, my God. I love you.*

Big heart ♥ from your Jesus.

My daughter, thank you for this time spent with me and my Mother.

My child, I have a message for my youth. My child, I want to convey a message to my precious children, my youth, whom I love unconditionally, my youth whom I created with so much love. Know, my children, I, your Jesus, created you and gave you the Breath of Life. I entrusted you to your earthly parents while on this earth, but you are my special ones, my children. You are mine. My youth, I want to convey to you all: Pray, pray for my youth because Satanism is taking over my youth. My children, my adversary is destroying my youth. Pray, pray the [Rosary](#) as my Mother wishes.

My Mother, she is here to ask you to pray this prayer.

### **Mother Mary**

Bless yourselves with the [Sign of the Cross](#) and holy water. Then, pray one [Our Father](#), three [Hail Marys](#), one [Glory Be](#) and three [Glory Be's](#) to your guardian angel for protection against the enemy.

Know, my children, my enemy hates my Hail Mary. It's his worst enemy. Pray, pray for the conversion of sinners, for my Church, my son priests and against abortion because abortion is the darkest sin that pierces my heart and my Son's heart.

### **Jesus Christ**

Explain to my youth about my Holy Mass, about the mobiles at my Holy Mass, how much it hurts me. [Explain about] not receiving me unworthy of me. Explain to them all about this.

I, your Jesus, I love you. I give my peace and my love.
