

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

The signs of Jesus' Second Coming are here, but people are ignoring them – pray for more time and for God's mercy upon the world

Father God, Jesus Christ, Mother Mary

Jesus Christ

My daughter, thank you for sitting with me, my Father, the Holy Spirit and my Blessed Mother.

Oh my little one, I love you too. Thank you for your love given to me and my Mother today. Oh, I see your heart was burning like fire, in love with me. Thank you, my little one, for saying those beautiful words of consolation to me, for my aching heart. Thank you for loving me the way you do. I see your heart is burning with love for me and my Mother. Yes, you are my bride. I am your Spouse. You are in love with me. Thank you for those beautiful words whispered to me, to my heart. My Blessed Mother is smiling and saying, "Thank you for loving my Son in the manner that you do. When you love my Son, oh, you love me in the same way. Oh, I don't get jealous." My Petal, oh, thank you for saying to me that you are jealous of me, your Jesus. Oh, I understand what you mean by that. Yes, I am all yours. Your heart is placed inside my heart because you allowed me to place it in the abode of my heart.

Thank you, my daughter, thank you for today, for praying those prayers. Oh, that you for praying the Rosary of my Mother's tears of blood – I received it, I heard. Oh, my child, my Mother's tears of blood: know that it's very painful for me to watch my Beloved Mother shed those tears in front of me. Oh, it's very heart-aching. My Beloved Mother, she loves our children very much. She wants you to pray this Rosary¹ more often. See, my daughter, my dear Mother tries everything possible to save my children. Pray, pray this Rosary for the cyclone. Oh my child, time is very near, soon, for what is going to happen. Pray because the damage and destruction, the pain, will be unbearable to me and my Mother, seeing our children suffering that way. My Petal, I repeat: I never punish my children whom I love dearly, but for how long can I take the painful atrocities done to me and my dear Mother? My Andorinha², my signs about my Second Coming have been shown, placed all over the world, but my children turn a blind eye, a deaf ear to my signs. My humble servant, oh, I love my people with my whole heart. I gave my life for them, but they don't appreciate my sacrifice, my pains that I underwent on Calvary and that I [still] undergo. My daughter, I need you to pray more intensely for more time to the world. I thank you for the Rosary, for asking me for more time.

[Fernanda] *Oh my precious Jesus, can I please ask something of my Jesus? I don't want to offend my Lord.*

You may ask, my little lamb.

[Fernanda] *My Jesus, when I prayed the Rosary, I invited Mother Mary and some angels and saints. My Jesus, is it correct to pray to my Jesus in this way? Are the angels, saints and Mother Mary with me in prayer? Does it help this way, my Lord? Thank you. I love you, my precious loving Jesus.*

My daughter, my humble servant, thank you for asking this sincere, pure question. My Andorinha, I, your Jesus of Nazareth, say thank you for praying in the way you have been praying. Yes, my Beloved Mother, the saints and a multitude of angels, they join you in prayer. Yes, it's of great help, and my angels and saints are very grateful to you when you invite them in prayer to me, to my Father and my Mother. Yes, the saints, they join forces in prayer. My child, you can invite them in any Rosary, any prayer request to us. They are so joyous and willing to pray with you. My daughter, I see you are growing, learning fast to help me, to appease my aching heart and my Mother's.

Thank you, my Petal, soon I will place upon you your gift, your stigmata. Time will be here soon. Oh, what a beautiful sign ...private message removed... upon you for all the love, kisses placed, given to my heart and my Mother's.

Oh, my Beloved Father, he is here to convey a message to you.

Father God

My humble servant, I am your Father God, the Almighty God. I am here with my Son, the Holy Spirit and Mother Mary, the Mother of my loving Son, chosen by me to be the Mother of the Saviour of the world.

My daughter, I am here to relay a message to you about the love that you have been bestowing upon the Holy Trinity and Mother Mary. Oh, your loving heart desires our hearts. You are in awe of our love. Thank you for this true, faithful love to us.

My daughter I, your Father God, I say to you solemnly that you are going to be my Son's messenger to the world. You have a big mission, a big task upon your shoulders for my Son Jesus, for the world. Oh, my humble servant of my Son Jesus, you are going to do mighty, mighty work for my Son's Kingdom. You are going to bring the lukewarm souls into the abode of my heart. Oh, my people need to be saved, to repent, to come to my heart before it's too late. I, your Father God, I gave my Only Begotten Son to save the world 2,000 years ago, but my people hurt my Beloved Son much worse this week than those painful torments that he endured. My daughter, I, your Father God, I am here pleading to you to pray, pray to my Son for more time to the world. Pray and ask me, your Father, for mercy as you have been praying in my Son's Divine Mercy Chaplet for the souls, the moribunds and against abortion. I thank you. I am very pleased with your work. Soon, your time must be just for my Son to help my Son to save, to bring the lost, astray sheep, flock, to my Son's Kingdom.

My daughter, my Son Jesus and his Beloved Mother have been teaching you all about us, our wishes and how to bring the souls, the sinners to my Son. Know, my Petal, heaven is rejoicing to receive you on your big mission. Oh, we are going to have a beautiful banquet, the banquet of heaven, to celebrate your mission.

Oh, do not worry about tomorrow, tomorrow is in my Son's care. He will provide for you, for your loved ones. Our grandchildren will come to my Son's heart because your sign upon you will make my children see how much you love my Son, us. Thank you, my Petal. I, your Father God, say thank you.

My daughter, I, know your question in your heart for me. My daughter, I said to you before that your purification has ended. I cannot permit your sufferings any more. Your finances, your hardships, you took them with patience and resignation, accepting with love the cross placed all those years upon you.

My daughter, I, your Father God, the Holy Spirit, I bless you and your loved ones. Yes, you are very concerned about our son Frank. My son Jesus and heaven are taking care of him. He will be reunited soon with your task as well. Oh, my Son has great plans for him. His wishes, desires and prayer requests have all been heard and taken care of. They will be given to him. He will be released of his pains, waiting. The outcome will be magnificent. I give my blessing upon his business. Soon it will be given to him. The universe will give to him what is owed to him. Heaven has it ready for him.

My child, I bless you and your loved ones and give my peace, the peace of your Father God Almighty, Eternal Father.

[Fernanda] Oh, thank you, thank you, my Father, the Holy Spirit, my Jesus for this rare gift, grace. [I am] unworthy of this privilege of conversing with our Eternal Father God. Oh my Father, I thank you for this special, rare gift, for all the graces, miracles, protection, love and help during my whole life and [for everything given] to my loved ones, family and all your children that never say thank you. Oh my Holy Trinity, I am here to serve you, to help your loving Son Jesus, to alleviate his aching heart. My life, my will, my whole being belongs to my Jesus. I love you, I adore you, I praise you with all my heart – your humble servant.

Jesus Christ

My Andorinha, thank you, thank you. I love you too and the Holy Trinity thanks you for the beautiful kind, loving, warm, true words. Oh, your will [given] to me is most appealing to my heart and my Mother's, and my Father loves you for the love you have dedicated to his Only Begotten Son who will soon be undergoing perforating, horrendous pains³.

My Petal, my Blessed Mother, she is here to converse with you.

Mother Mary

My daughter, I, your Mother Mary, the Mother of the Saviour of the world, I am here to say thank you for the Rosaries of my tears of blood. Oh, my Son has a special place in his loving heart for my tears of blood. He will obtain many graces to my people when they pray this Rosary with faith and trust. My daughter, thank you for your time spent with us.

My daughter, today you are not so tired. I have a message to relay, convey, to conclude about the prayer that I asked you to pray, about the strong cyclone. Oh my Petal, it's going to happen soon. It's going to be horrible. Oh, the screams, panic and pain that my people will undergo! I need you to pray, pray as often as you can for this cause, this disaster. My daughter, it's very close now. My Petal, I am saying to you where it's going to happen, but this is a secret just for you. With my Son's permission, I am going to explain, describe where it's going to be. My little one, as I said before, it's in a country called _____. My child, it's going to be north of Africa in _____.

[Fernanda] My dear Mother, am I allowed to know when it's going to happen, then I can pray before the moment that it's going to happen. Thank you. Maybe my dear Mother can ask me to pray for whole day or night to help your children.

³ Referring to his upcoming Passion as this message was received in Holy Week.

My Petal, I will advise before the time of any disaster for you to pray, to intercede to us in heaven. Thank you, my little one, for this beautiful, sincere, humble question, desire to help my people.

My daughter, today as well, I see your heart was troubled by some issues that you heard about – gossips, false accusations. Yes, my child, explain to my daughter _____ about gossip, false accusations and how great the sin is when my children judge their brothers and sisters in Jesus Christ. Oh, it's very horrible, ugly to pronounce words without real knowledge of what really happened. Even if it were true, my children have no right to judge their brothers and sisters in Jesus Christ. Do not judge [for you] not to be judged. My Father is a merciful Father. Here in heaven, we see, we know, my Son knows all our children, each one of their hearts, sinners or non-sinners. My Son does not totally condemn, especially when they ask for forgiveness or they go to Confession and repent. But my child, you are right to teach, to explain how dangerous this calumny to my children is to their souls. When a name has been in the mud, it never becomes clean again because the stain will stay there forever. My Son has already taught you about that before. My children must listen and follow my Son's teachings.

My daughter, I bless you and your loved ones, family and the whole world. Thank you for responding to my call.

[Fernanda] *Thank you, my Blessed Mother. I love you with my whole heart.*

Jesus Christ

My daughter, thank you for listening and for the passion to listen to my Father, the Holy Trinity. I love you, my child.

My daughter, I want you to rest and have a blessed night with us surrounding you and your loved ones and all my people.

[Fernanda] *Thank you, my Holy Trinity, my Blessed Mother. Sua bênção⁴, good night. Thank you for everything. I bless you, I praise you, I love you ♥♥♥♥.*
