

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter, my humble servant for sitting with me, your Jesus, my Father, my Mother and the Holy Spirit.

Thank you, my precious daughter. I, your Jesus, say thank you for today. You went to see your spiritual director, my son priest Father Marie Joe, my chosen one to be your spiritual director. My daughter, I, your Jesus, I was very pleased with the progress with my son priest. My son bishops and the clergy of my Church, my child, soon they will allow you to go to prayer groups in my holy name because prayer groups are my only hope to help me to bring souls to be saved. My daughter, yes, I will place my sign upon you. You are going to be free to teach, to proclaim my messages to the world. You are my chosen one. My son priest also said to you that it's my living words and that you didn't choose this mission. I, your Jesus of Nazareth, I chose you in your mother's womb to be my messenger for my End of Times. My Petal, time is here, near, for your task. My dear Mother and I have been preparing you for your task. Thank you, my child, for giving your will to me.

My daughter, I know, I see that you have been preoccupied with some daily life chores. Thank you. Our little nest looks neater, clean, but soon I will provide you with a helper because the time only for me is here. Thank you for my Holy Mass. My daughter, I know you didn't pray today. I understand that you want to finish packing our little nest, *palhinhas*¹, [and you] needed a hand. Oh, I know it's very small. There's not much space to pack our books. Thank you for all your books. They're all about me, my Mother, my Father, many saints and some angels.

My Petal, my Beloved Mother, she is here to converse with you.

Mother Mary

My Petal, I, your Mother Mary, I am here to converse with you.

My little one, I know you are tired. You did some extra work to our *palhinhas* because it was necessary. Soon, our new home will be here to us to move into. It will have a bigger place, then you will be able to pack everything.

But my child, I, your Mother Mary, say solemnly that I, your Mother, I am here conversing with you. I say to you that I was, I am, very happy about the messages given to our bishop. He will see that they come from my Son and me, your Mother Mary. They will recognise you as my Son Jesus' messenger.

My little one, I have something to confide to you, to relay to you. My child, soon there will be the cyclone that I said to you. My child, it's very near. Tomorrow, I want you to, you must kneel down and pray, pray as I asked you to pray because time is near for the big disaster. Pray intensely. I know that today you are tired, but tomorrow you must obey and listen to me about this and pray.

[Fernanda] *Oh my dear Mother, I am sorry. I say to my precious Mother that I will pray intensely for this cause.*

My daughter, about today. You went to meet my son priest for your monthly meeting. Thank you. Oh, soon my people will be shocked at how special your rare gift is. Time is approaching for my children to see, to understand the meaning of your task, of your rare gift. Oh, my son priest and my bishop, they are all happy with you. They will soon know what has been promised to you.

My daughter, rest in my Son's arms. I place my blessing upon you all, upon you, your loved ones, family and all my children. Thank you for your time spent with my Son Jesus and me, your Mother Mary. Thank you for responding to my call.

Jesus Christ

My daughter, I let you go sleep in my arms and my Mother Mary's Virginal Mantle, to protect you, to love you and to bless you and your loved ones.

I, your Jesus, I give my peace, my peace I give to you, your loved ones, family and to my son Francisco – pray for him and his entire family. At this time, your brother needs to come to Confession with his whole heart. I bless you and all my children.

I, your Jesus of Nazareth, say thank you for these special moments spent with you.

Yes, my child, I am happy with the spring cleaning in our little home. Soon it will be a bigger place chosen by Mother Mary. I allowed my Mother to choose it for us.

[Fernanda] *Sua bênção², my Holy Trinity and my dear Mother. I love you all. I love you, my Jesus. Beijinhos³ ♥♥♥♥xxxx.*
