

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

As you enter the church for Holy Mass, fill the front pews first, not the middle or back ones, otherwise it saddens Jesus

Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter, for sitting with me, my Father, my dear Mother and the Holy Spirit.

My dear child, thank you for the lovely day, for my beautiful Mass. Oh my children, your loved ones, they all went to Mass with you. You loved, enjoyed my Holy Mass. Thank you for being obedient to me and my Father by being in the front to be my perfect witness of my living Word. You are right, my child, I do feel very sad when I see my children sitting at the back or in the middle of my church, yet in front, it's all empty. I do feel neglected, rejected by my people. You taught, explained to my children about coming to my Holy Mass and not staying at the back of the church. Yes, when my children have their visitors at home, they like to welcome them, then they invite them to come into their house, to come right inside their home, not to stay in the entrance. I feel the same way with my children. Yes, I desire my children to start sitting right in the first row and then starting to fill the places as my people arrive.

When you are on your mission, write down this message for you to explain to my children about it.

Thank you, my daughter, I see you went to watch the movie, film, but your heart wasn't there. Yes, it's not for you anymore.

My little one, you are going back to our *palhinhas*¹. You need to concentrate on your mission.

My daughter, thank you for praying the Rosary and my Divine Mercy Chaplet with your loved ones, my children.

My daughter, my Blessed Mother, she is here to converse with you.

Mother Mary

My Petal, I, your Mother Mary, say thank you for sitting with my Son and me, your Mother Mary. My Andorinha², I have a message to convey to you for my children.

My daughter, I your Mother Mary, I am very joyous about this weekend – the peace, love and harmony between all of you, my children.

My daughter, I, your Mother, I have this to say to you...

You have been blessed today with my Son's resurrection, new life, new beginning. Oh my Son's new life! My people should understand the meaning of my Son's sacrifice for all of them.

My Petal, I, your Mother, have this special, beautiful request to convey to you. My dear one, my daughter, I am requesting this: I want you to be alert in being my Son's messenger to the world. My daughter, I want you to be on guard because your mission is here. My Son has everything ready for you. My request is to stay in prayer as much as you can because you have to be in perfect love to us. My daughter, I, your Mother, I am very joyous about what is going to happen to you for my Son's glory.

My daughter, I see the manner in which you are sitting – it's not very comfortable.

My little one, I, your Mother, want to remind you about being my Son's messenger to the world. Oh, there is so much to teach my astray, lost sheep because time is near for my Son's Second Coming. My child, I know you understand all about your mission. I want you to be in intense prayer because of what is going to happen to this world. The Rosary is essential for this decaying, chaotic world.

My daughter, I bless you and your loved ones and the whole world. Thank you for responding to my call.

[Fernanda] *Thank you, my Blessed Mother. I love you too.*

Jesus Christ

My daughter, I, your Jesus, I want to say to you to rest early tonight. You need the rest. I give you my peace, my peace I give to you, your loved ones, family, and whole world. I bless you all. Be in my love, my peace. I, your Jesus, say thank you. My daughter, I want to say thank you for your love towards us, for bringing the pictures with you, for kissing up always.

[Fernanda] *Thank you, thank you, my loving Jesus, I love you. Sua bênção³, my Holy Trinity. Sua bênção, my dear Mother. I, your servant, humble servant, I love you, Jesus ♥♥♥♥.*
