

ALPHA + OMEGA  
God's Way Till Eternity

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7-8

### Jesus Christ, Mother Mary

---

#### Jesus Christ

My daughter, thank you for sitting with me, my Father, the Holy Spirit and my dear Mother.

Thank you, my child for all the prayers said to me, for interceding for my children. I heard all your prayer requests. I see you heart pounded with pain for your sisters and brothers in Jesus Christ. Your heart desires peace, love and unity in families. You want all to be happy. I know you tried to get work for your loved one, my son Filipe. I know my daughter Maria José's pain. You prayed for him as well. My child, thank you for teaching my daughter to pray my Divine Mercy Chaplet, the novena for that specific intention. I see my daughter Maria José, she has come closer to me in prayer. Thank you for teaching her and helping her in prayer.

My daughter, I see today that you are feeling my daughter Maria Qiuna's pain. I know what my daughter Catia is going through with her loved ones in pain. She is our godchild. I know how much you are concerned about her. My daughter, pray, pray for this intention. I know she is expecting a baby, a baby that I created and have given the Breath of Life. I know how difficult it is for this entire family, this situation. My humble servant, you said to my daughter Maria Quina that I, your Jesus, I will solve all the problems. Yes, my child, there is nothing that is without my consent. I am aware of this entire family's problems. I heard all their prayers, prayer requests. I am taking care [of them] and my Blessed Mother's Virginal Mantle is upon my family. My children, Henriques, they must just trust me. I will provide for them. I am taking care of all their finances, their hardships. It's all seen by me. My daughter Maria, I, your Jesus, in conjunction with my Blessed Mother, I heard all your prayers, novenas, Rosaries, Divine Mercy Chaplets – they've been taken into the abode of my heart. My daughter, I am very joyous, pleased with your musical instruments, playing at my Holy Masses and my places [where you are] needed. You will be my instrument, my channel to bring melodies to my heart and my children's hearts. I thank you for being obedient to the Holy Spirit, for using your gift given to you by the Holy Trinity.

My Son José, I thank you for your faith and trust in me, your Jesus Christ, for all your prayer devotions, for helping in my Divine Mercy Holy Mass and for your willingness to help at my temple. I thank you, my son José.

My precious devoted, faithful children, I, your Jesus, I want to convey this message to you of gratitude and appreciation towards us – me, your Jesus, and my Blessed Mother. My son, my daughter, I am aware of your hardships, trials, tribulations, and my children, I know how much you are undergoing at the moment, but I, your Jesus, I am taking care of everything. Trust me, I repeat:

trust your Jesus, your God. I will help you with all your hardships. My precious children, the road to my Kingdom is a very difficult road to walk on, but with my footprints, you will never be lost. Follow me always. I will guide you and help you always. I will smooth the way, the big humps of the rocky, rough road for you to walk closer to me. I will never forsake you nor abandon you and your loved ones. My son José (Joe), thank you for always being the pillar of strength for this entire family. My children, know that in heaven, we see everything. We write everything in the Book of Heaven in letters of gold. Do not become despondent. I am with you and your loved ones. Know, my children, prayers move mountains. I will, I am taking care of our daughter Catia. She is my daughter too. What you care [about], my devoted children, I care [about]. My hand is upon all of you, your family, your loved ones. Pray, pray always as you always do. "Prayer" is the keyword for all the hardships and trials in my children's lives. To enter into my Kingdom, you have to pass through the narrow gate, but the reward for all the tribulations is in heaven.

Thank you, my precious children, I give my peace, my love to you and your loved ones, family, friends and your enemies. Pray for them, forgive them. Love them with the same love that I have for all my children. I love you all equally. I don't have favourites.

My Blessed Mother is here to bless you all with her Divine Virginal Mantle to protect you from any dangers from my enemy. She says thank you for all the Rosaries said to her, for the love bestowed upon her and me, her Son Jesus, for all the sacrifices to attend my Holy Mass, for the singing, the musical melodies that entwine our pierced hearts that are being so pierced, infiltrated, with a crown of thorns. Thank you, thank you, my children.

My child, about your work, I will restore it to you. Do not be afraid. Trust, trust your God, your Lord Jesus Christ. I love you all, my children, and the whole world.

*[Fernanda] Thank you, my Jesus, I love you for this beautiful message. Thank you for this special gift given to me. It's all for your glory, my Jesus' honour and glory.*

Thank you, my daughter, I love you too. Thank you for caring for my people, my children. My daughter, relay this message to my children. They are in need of reassurance in their lives.

My daughter, my Blessed Mother, she is here to converse with you.

### **Mother Mary**

My daughter, I, your Mother Mary, say thank you for sitting with me and my Son Jesus.

My little Petal, today you are more free of tiredness. My child, you need this kind of rest to converse with us. My daughter, all the messages given to you for my children, you have to convey, relay them to my children. This is part of your gift, your rare gift.

*[Fernanda] My precious Mother, your son priest, Father Marie Joe, my spiritual director, said to me that I have been approved by my Jesus' Temple, Church, by your son priest, the bishop of the diocese; that I am free to relay and convey the messages to your children, their private messages given to me by my loving Jesus and Mother Mary. Thank you, thank you, my Jesus and my Blessed Mother.*

My daughter, thank you for explaining it to me, your Beloved Mother, and the Holy Trinity. We are aware of this. Here in heaven, we allowed this to happen because you are my Son Jesus' chosen one for his Second Coming. Soon your sign will be placed upon you, for you to be free to go in my Son Jesus' holy name and to proclaim my Son's living words, my Son's messages to save the world, to bring my lost, astray sheep, my flock, into my Son's heart.

My daughter, yes, my Church, my Son's holy temples, my son bishops and my son priests have to allow you to go in my Son Jesus Christ's holy name to speak, to talk about my Son's messages.

Oh, my child, time is running out, but my people ignore my call. My anguish is to save them before it is too late. My Son tries very hard to give more time to the world. Our hope is in prayer groups. You have to go to prayer groups and expand, expand, spread, spread my Son's messages. My people have to listen to you. They have to respect and listen to your messages. They have to know soon that you are my Son's messenger for his End of Times. Oh, the End of Times is near and it's very painful. My Son has given you messages to relay and convey to the world. They must not ignore them. I repeat: the time is here, soon.

My daughter, I bless you and your loved ones, family, friends and the whole world. Thank you for responding to my call.

[Fernanda] *Thank you, my loving, beautiful Mãe<sup>1</sup>, Mother, my precious Mommy. I love you. Thank you for loving us all, for your patience towards us sinners.*

### **Jesus Christ**

My daughter, I, your Jesus, say thank you for loving my Mother, for the embalming words said to my Mother's aching heart.

I give you my peace, my love to you, your loved ones, family and the whole world.

[Fernanda] *Thank you, my Spouse, my loving querido<sup>2</sup> Jesus. I love you for everything, for all the graces given to all of us, for always being ready to forgive our faults, mistakes and errors, for your unconditional love towards us. I love you, my Jesus, I praise you. I adore you with my whole heart. Sua bênção<sup>3</sup>, my Holy Trinity and my Blessed Mother. Beijinhos<sup>4</sup>, hugs, abraços<sup>5</sup> to all, my Holy Trinity and my Blessed Mother.*

Thank you, my humble servant. We love you too. *Beijinhos* from us in heaven.
