

ALPHA + OMEGA  
God's Way Till Eternity

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7-8

### Jesus Christ

My daughter, thank you for sitting with me, my Father, my Blessed Mother and the Holy Spirit.

My child, I, your Jesus, say thank you for today, for all the prayers said to me, my Father, the Holy Spirit and my Blessed Mother, all the prayer requests to me, to us in heaven. Oh, you prayed for all my children. I know your heart wishes to help my children in pain. You desire to help them in my holy name. Know, my precious one, all your prayer requests for my children have been heard. Oh, you didn't pray for yourself. My daughter, I know you desired to ask me about your eyes, but you were so occupied with my children that you didn't pray for your vision. Well, my Petal, I know you desire to go for your driver's licence. I am aware of the situation.

[Fernanda] *Oh my Jesus, thank you. Yes, I would like to go, to see [someone about] my eyes. My Jesus, I would like to check with an optometrist to see if they would give me a certificate to go and take the driver's licence, but with my vision, the way I am at the moment, it's very difficult because I need the cataract operation to be done. Oh my dear Jesus, I can't see much now. My Jesus, I love you. What must I do now? Must I go for the operation? My Jesus, I can't see, especially at night, it's very, very difficult to drive. My Jesus must I try and go to the optometrist and by your grace, my Jesus, they will give me [the certificate]? Thank you, my Jesus. I love you, I trust in you, my Jesus.*

My daughter, my *joaninha*<sup>1</sup>, my ladybird, I, your Jesus, your God, your King, your Spouse, your provider, I am taking care of this situation. I know how difficult it is for you to see, but my child, I, your Jesus Christ, I have said to you many times that I will be your physician to operate on your eyes. I will restore your vision completely. I will allow you to check your eyes. You will get the certificate to enable you to take your driver's licence. My child, do it as soon as possible. You are going to get your licence. Will you trust me, your Jesus, with this?

[Fernanda] *Thank you, my Lord, my love. Meu querido*<sup>2</sup> *Jesus, I adore you, I praise you for your love for us. Thank you for your infinite love and graces bestowed upon your children. My Jesus, I adore you profoundly. You are the source of my life. I praise you for all eternity. My Jesus, thank you, thank you, my Spouse.*

My daughter, my Father Almighty God, he is here to converse with you.

## Father God

My daughter, my humble servant, I, your Father God, I am here to converse with you, to convey a message to you from us in heaven. I want to thank you for the prayers offered for my people, asking me for mercy on the sinners, for the abortions, for everything that you prayed for. I thank you. It's a great help for their souls.

[Fernanda] *My Father, I ask your pardon for the interruption. I had to see what was wrong. I am sorry, my Father.*

My daughter, I don't like interruptions during our conversation. Do not fear anything when you are conversing with me, your Father, my Son Jesus and Mother Mary. Know, my Andorinha<sup>3</sup>, you are protected by us – nothing will touch you. Be in my peace, your Father God's.

My Petal, I, your Father, want to convey to you about your vision. I know how much you are concerned about it. I am aware. I see your patience in waiting for your vision to be repaired, restored, but my Son Jesus Christ said to you that he will restore it. Know that my Son is the best surgeon in the world. He is the healer of thee. He will operate [and perform] a miracle on you because your mission is near. We in heaven are waiting for you to start your task your mission.

My humble servant, I am aware of your hardships. I said to you that your hardships, trials, tribulations, your purification – it has ended. It's finished. It's time for you to receive what was promised to you, your reward for your patience in waiting, never being discontent or despondent, trusting in my Son Jesus for this occasion in my Son's own time. But I, your Father God, I am here solemnly to say to you that it's time now, my Petal, to take and receive it. Yes, open your hands. It's been placed in your hands. Soon you will be seeing what I'm saying to you. No more trials. Your purification has ended. I repeat, you are going to start a new life, a new episode of your life, to please, to help my Son Jesus, to help those astray, lost sheep, flock. They need to be saved. I also cannot permit my Son's suffering, the pains that are infiltrating into my Son's merciful, kind, loving heart. My Son doesn't deserve the same crown of thorns to be put on him again and an even worse crown of thorns upon his heart.

Thank you, my humble servant, my daughter. I had to come and relay this message to you to remind you, to give you courage and strength to persevere, to let you know that all your sacrifices were not in vain. You help my people with no restriction. Your love is an example. Oh, but most of my people don't see, they've never seen all the good done for my children. My Son and his Beloved Mother love you very much. I, your Father, the Holy Trinity, I want to say thank you for the special love, gift of yourself, your will given to my Son, for offering to sacrifice your commodities, to work for my Son Jesus' dry soil, fields, for them to be planted with the beautiful soil of salvation.

My child, my Son Jesus is constantly interceding to me, his loving Father to forgive our children. I am listening to my Son because of his love for me. I love my Son Jesus in the same way I love my people, but I cannot for too long permit the atrocities, the indecencies of body, spirit and soul done to my loving Son. Thank you, my child, for the prayer said to me and to my Son, asking us for more time to the world.

I give my love and peace to you and your loved ones. Soon, my child, humble servant. Your sign will be placed upon you because you have to go to prayer groups and all over the world to give my Son's messages for his Second Coming. My Church, my bishops, my priests, they must listen to the

messages given to you in my Son Jesus' holy name. Time is limited for you to proclaim, to teach, to evangelise my Son's request for his End of Times. You are my Son's messenger to the world.

My daughter, I, your Father, say thank you for the many times you say *sua bênção*<sup>4</sup> to the Holy Trinity and for the *beijinhos*<sup>5</sup>, kisses, into my Son's heart, the Holy Trinity and my dear Mother's.

[Fernanda] *Thank you, my Father. I, your humble servant, say that I love you. I thank you for the special gift bestowed upon me.*

### **Jesus Christ**

My daughter, my Blessed Mother, she is here to converse with you.

### **Mother Mary**

My daughter, I, your Mother Mary, say thank you for your patience in waiting for me, your Mother, my Son Jesus and the Holy Trinity.

My daughter, I have this special request for you. My little one, I want you to pray for what I asked you to pray for and the prayers given to you. I am the Mother of the Youth. I have given time to you before to rewrite them in a book, to pray this Mother of the Youth prayer<sup>6</sup> and the other prayers I have given to you as well. My daughter, I am your Mother of the Youth, asking, pleading to you about this prayer. On the front page, I will place my picture of the Mother of the Youth. My child, all the Rosaries and prayers given to you by me have to be prayed in my prayer groups. You have to teach them and make thousands of copies of the prayers to distribute them wherever you go on your mission, for my children to learn and pray, because time is near for you to start, to go to prayer groups and my churches, seminars. Your mission is a big task. My Son has chosen you. You have to be obedient. In time they will see that you are my Son Jesus' chosen one for his Second Coming. There was no hesitation when you accepted and gave your will to my Beloved Son. Our gratitude, appreciation... it's far beyond my children's understanding why you have been chosen by my Son. Know, my child, my Son's priority is humbleness, humility, patience, love, being a peacemaker between families [as you are, with] forgiveness towards your enemies, loving your enemies and praying for them – jealousy is not in your heart. Those are the qualities my Son desires from his servants and messengers. Thank you, my daughter Fernanda, for loving my Son Jesus with so much love, for loving him with a flame, a fire of love. Oh my child, my greatest joy is to see my people loving my Son in the way, the manner in which you love my Son.

I thank you. I bless you and your loved ones.

Oh, thank you for praying the Rosary of my tears of blood<sup>7</sup> for different intentions as often as you did. Yes, you're going to explain to my children the importance, the power of this Rosary and also to pray with me and the angels and saints to my Son Jesus for more time to the world – oh, there were a multitude of saints and angels. Thank you for kissing my aching heart.

Thank you for responding to my call.
