

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Jesus resurrected to bring us a new life, salvation – many don't care,
for them it's just to amuse themselves, being on holiday and drinking

Jesus Christ, Mother Mary

Jesus Christ

My daughter, thank you for sitting with me, your Jesus of Nazareth.

I have resurrected for my children, but my precious children don't see my sacrifice, my pains for all of them, for their salvation. Now I have come to give them a new life, a new beginning, but my people carry on with indifference. Oh, they just want to amuse themselves. Oh, so many happy days, holidays, *feriados*¹. For them, it's just to amuse themselves, to drink – that's their joy on my resurrection. Oh, my precious child, I came back to life again, to save them, to bring salvation for their souls, but my people carry on in sin, horrendous sins. After Lent, my forty days of pain, sacrifice and fasting, they should see the reason why I resurrected: for a better purification for their souls. They should carry on in the same love towards me.

Oh my Andorinha², I am waiting for you to start your mission, for you to explain all of this because my time is near. My little one, will you help me on this, to teach my people all about my pains and my Mother's pains? Our heartache is very painful because we see that the time is near and my children aren't repenting and coming to me, to my heart. My child, I have been teaching you all of this.

[Fernanda] *Oh my Jesus, I love you. I am here to serve my Jesus, my Lord. Yes, my Jesus, I am here to help my Jesus, but my Jesus knows that at the moment it's like my hands are tied up. I want to help my Jesus by going to prayer groups and all over where my Jesus wants me to go. I will go and follow my Jesus. Oh my Jesus, my will is all yours to serve my Lord. Please Lord, teach me, guide me as to when I can start my mission. I will be here to do what my Jesus desires from me.*

Thank you, my child. I know. I want to thank you for giving your will to me. Know that heaven is rejoicing that you have given your will to me, to your Spouse. You are my bride. My little one, I chose you in your mother's womb. My obedient child, my humble servant, I know that you have given me your whole being, your will, but I, your Jesus, I want to hear it again from you because when you converse with me, you alleviate my pierced heart. [Thank you] for the many times you said to me, to the Holy Trinity and my dear Mother, "I love you, my Jesus. I love you my Father and my Holy Spirit,

and I love you, my dear Mother, Mãe³,” and for all the kisses in our hearts. It’s our balm to our crowns of thorns in our hearts. Thank you, my Petal, who flies from heaven to earth.

My little one, yesterday you were very tired. You couldn’t open your eyes. Oh, thank you for the prayers that you tried to finish. I missed our conversation and so did my Mother. Oh, we waited, but our Andorinha couldn’t fly any more.

[Fernanda] *I am sorry my Jesus, I ask pardon for that. I love you. I love you with all my heart.*

My daughter, thank you. I love you too. I have something to convey to you.

Today I had some terrible pains. Oh, the pains were unbearable to take! I am going to relay to you something very important for you. Oh my child, you have to know what is going to happen soon. My little princess, I have to explain to you all about it, I have to relay to you, my Petal.

I, your Jesus, I want to say to you that soon, the world will be turned upside down. Soon, my children will wish they had never been born because what is going to happen is a very tremendous hurricane as well, besides the cyclone that I have told you about. This is a different one, it’s very complicated, indescribable to say, to explain in words. It’s going to be a very painful experience upon my children. I don’t want my children to go through this tremendous hurricane. It’s a very disastrous *terramoto*⁴, earthquake – unheard of. My child, I have to say this to you: it’s going to happen very soon in the territory of _____. I will give you the name soon. This is a secret given to you. My child, I your Jesus, I have given you a few secrets – keep them to yourself but read them often and pray for all these causes. That’s why my messages are given to you and then, soon, the time will come for you to listen and to give my messages to the world. My Church, my bishops have to let you be free to proclaim my messages to the world.

Be in my peace and my love. Soon you will be teaching my people my messages.

[Fernanda] *Thank you, my loving Jesus. I love you.*

My Blessed Mother, she is here to converse with you.

Mother Mary

My daughter, my Petal, I, your Mother Mary, say thank you for this special time spent with us. Yes, my child, I was waiting for you to converse.

[Fernanda] *My dear Mother, I am sorry. Sorry for this neglect of mine, my dear Mother, for falling asleep.*

My daughter, I see, I understand. You need to slow down a bit and rest for a while because by the time you sit to converse with us, your body relaxes. My daughter, do not feel ashamed because you were asleep in my arms like a little baby.

[Fernanda] *Thank you, my dear Mother. I love you.*

My little one, I, your Mother, I want to convey to you about our son Frank, the Rosaries and all the prayer requests. My daughter, I saw our son Frank is very sad, very despondent about his future. I know how he feels about it, but my child, my Son Jesus and I, your Mother, said do not worry about our son. My Son has already given him his business. His future is already significant to my Son Jesus.

³ Portuguese to English translation: Mother

⁴ Portuguese to English translation: earthquake

My Son has given him his business and what to do. My Son has planned everything for him. My daughter, I know how sad you are about his situation. Yes, soon, you will see how our son is going to start what was promised to him. I saw how disappointed you were about his car being so old. Do not worry about that. Oh, our son needs some help physically, some kind of helping hand to be with him, like a partnership. My Son will give our son what the universe owes to him. My daughter, I repeat, do not worry about our son, he will be ok. My daughter, you are going to be on your mission soon. All these kinds of worry will vanish. You are going to be in our peace. I repeat, do not worry about our son Frank. My Son Jesus has him in his heart. He has been taken care of.

[Fernanda] *Thank you, my dear Mother for everything.*

My daughter, my Son Jesus was saying to you about what is going to happen soon. My child, pray. I ask you to pray my Rosary of my tears of blood. It's a very powerful rosary.

My daughter, I bless you and your loved ones and all my children.

Jesus Christ

My daughter, I, your Jesus, say thank you. I give my peace to you, your loved ones and our son Frank. Oh my child, our son will succeed soon. Be in my peace about our son Frank. He has also been chosen by me for some kind of work. He will succeed in his business. Soon he will achieve what his heart desires.

I give you my peace, my love to you and your loved ones, family and the whole world. I love you and all my children. Thank you, my daughter.

[Fernanda] *I love you, my Jesus. I thank you for all the graces and for everything. Sua bênção⁵, my Holy Trinity and my Blessed Mother. I love you all. ♥♥♥♥ I love you, Jesus. Beijinhos⁶, kisses.*
