

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

Jesus Christ, Mother Mary

Jesus Christ

My daughter, thank you for sitting with me, your Jesus, my Father, my Mother and the Holy Spirit.

My daughter, I see you are preoccupied because of our son Frank. Do not worry about our son. He has arrived home safely. There is something [wrong] with his mobile. Our son is safely home. He will call you soon. My daughter, be in my peace.

My precious child, I thank you for today. You prayed a few Rosaries and Divine Mercy Chaplets. Thank you.

[Fernanda] *My Jesus, I want to thank you. Thank you, my precious Jesus, my Holy Trinity, my dear Mother, for my driver's licence, for renewing it with my vision this way. Your children there were wonderful to me, they were helpful. Thank you, my loving Jesus. I love you. I am very sorry, my Jesus, for the interruption, for calling our son.*

My daughter, our son is well. He will call you soon. My daughter, your cares are my cares.

My Petal, today at praise and worship, it was beautiful. My daughter, you wanted to speak out, but you were afraid of criticism. My little one, time is near for your task. My daughter, thank you for praying for my youth, my Church, my priests. Oh, you want to relay my Father's message, but you were afraid to speak out. I know, I understand the reason, but soon, everything will be clarified in my holy name.

My child, trust me, your Jesus. Be in my peace. Our son is well.

[Fernanda] *Thank you, my Jesus. My Jesus, I love you. Thank you. Thank you. Our son called me. My Jesus, is my Jesus offended by me because I kept interrupting our conversation?*

No, my child, I, your Jesus, know how concerned you are about our children.

[Fernanda] *I love you, my Jesus. Thank you.*

My daughter, I saw how apprehensive you were today about my Father's message. I know how much you want to spread, expand, my messages.

[Fernanda] *My Jesus, our Father asked me to help you, my Jesus. Oh my Jesus, I want to be obedient to my Father, my Jesus, my Holy Spirit and my dear Mother, but my Jesus, if only your son bishop would authorise me to go ahead to the world's prayer groups to teach, expand your messages. My*

Jesus, I don't want to offend my Father, my Jesus. Oh my Lord, my desire is to proclaim your holy words, all the messages given to me. My Jesus, please help me, guide me to the quickest way. I want to obey my Holy Trinity. I want to serve, to work for my Lord Jesus Christ. Please my Jesus. Is my Father going to punish me because I haven't done it, I haven't been spreading my Jesus and my dear Mother's messages? Oh my Jesus, I want to spread them. Please help me to spread them, to go forward to your son bishop and your son priests, to listen to your call. Thank you, my Jesus.

My Petal, our Andorinha¹, I, your Jesus, in conjunction with my Father, the Holy Trinity and my Blessed Mother, we are aware of what's happening. Be in our peace. You didn't offend my Father or us in heaven. Yes, my Father asked you this request. He wants you to write everything in books all about the messages to the world and to give them to your spiritual director to give them to my son priests, to my son bishop and my son the pope, Benedict XVI. He has to know all about them, he has to authorise you to go forward. We understand your position. It's out of your hands, but you have to give all the messages to my son priest as quickly as possible because time is running out. As I have been saying to you, my child, soon your sign will be placed upon you, your stigmata.

[Fernanda] *My Jesus, I am sorry to ask this question, if I don't offend my Jesus.*

You may ask, my Petal.

[Fernanda] *My Jesus says it's soon. Is it going to be this year? May I know or am I not allowed to know? Thank you my dear Spouse, my Jesus, the source of my life.*

My Andorinha, I love you too for your spontaneous love to us. My child, yes, I, your Jesus, I have been saying to you "soon". Soon means in my own time. My child, let me explain everything to you. You are curious, anxious to know. Yes, it's been promised to you. Nobody is going to take it away. Soon, my child, you are going to be on your mission with the sign, the stigmata, upon you. My child, I know you want to know the date. I said to you that it's going to be a special date to remember always. I am going to say to you, well, it's a surprise for you. I know what you are thinking now. My child, it's soon.

[Fernanda] *So my Jesus, I am not supposed to know yet?*

Yes, my child. I will convey to you soon when the big day will be. It'll be a special day. Yes, it's one of the two that you are thinking about at this moment.

[Fernanda] *Thank you, my Jesus. My Jesus, with the sign from my Jesus upon me, then you son bishop will allow me to go forward with my mission?*

Yes, my child, my son priests, my son bishop and my son the holy pope will allow, authorise you to go forward with your task, your mission entrusted to you from me, your Jesus.

[Fernanda] *Thank you, my loving Jesus.*

My daughter, my dear Mother, she is here to converse with you.

Mother Mary

My daughter, I, your Mother Mary, say thank you for sitting with my Son, the Holy Trinity and me, your Mother Mary.

¹ Portuguese to English translation: Swallow

My precious child, thank you for all the prayers said to us, but you need to pray more intensely the Rosary of my tears of blood² and more Rosaries to my Son Jesus to ask for more time for the world. My daughter, I, your Mother Mary, I am happy with your progress. Do not worry. It's not your fault, but soon you are going to be able to give the world our messages. I thank you for relaying the messages, the private messages, to our children. You are free now to give them to my children. I am very joyous about my Son's Church, our bishop Buti Tlhagale authorising you to give them out to my children. It's already a big step in your mission. Write all the messages that are for my son priests, my son bishops and for the world, then the road will open soon for your mission.

[Fernanda] *My precious Mother, Tabernacle of the most High, can I please ask my Mother, Tabernacle of the Most High, a big favour, a request from my dear Mother, if it's my Mother Tabernacle of the Most High's will to answer, to help me with this.*

My little one, I, your Mother, Tabernacle of the Most High, I say that you may ask me your request.

[Fernanda] *My dear Mother, Tabernacle of the Most High, I want to pray and make novenas to your daughter Sister Reinolda May for some intercessions through your daughter Sister Reinolda May, but my dear Mother, can my Blessed Mother give me some prayers or Rosaries to pray to your daughter Sister Reinolda Mary, for her to intercede for us. Which prayer must I pray? The ones we have or does my dear Mother wish to give me some prayer requests? Thank you, my Beloved Mother. I love you very much.*

Thank you, my humble servant, for your beautiful request to me, your Mother, Tabernacle of the Most High. Yes, my children need to pray to my daughter Sister Reinolda May. She has to be recognised on earth as a saint. Yes, my child, I shall give you a beautiful prayer to be said from earth to heaven, to my intercessor. She has to be beatified as a saint. Thank you, my humble servant. This prayer is to be said in this way...

My dear Father God, my Jesus, living God, my Holy Spirit and my dear Mother, Tabernacle of the Most High; through the intercession of your daughter Sister Reinolda May, your intercessor, we humbly ask this prayer request from earth to heaven, which I desire so much to obtain. If it is my God's will to hear, to listen to your obedient servant Sister Reinolda May's intercession, I fervently ask and pray to obtain this special favour ...insert request....

My Holy Trinity in conjunction with Mother, Tabernacle of the Most High, we thank you for this special prayer request. Amen.

My daughter, pray one ***Our Father***, three ***Hail Marys*** and one ***Glory Be*** for the beatification of Sister Reinolda May. Conclude with the ***Hail Holy Queen***, then say...

Mother, Tabernacle of the Most High, bring the sinners to your Son's heart. Amen.

My daughter, pray this prayer. My children will obtain many graces through the intercession of my daughter, Sister Reinolda May. I thank you for your beautiful act of love towards my daughter. She is a powerful intercessor, as she was while on earth, interceding from earth to heaven.

My Petal, I say thank you, I bless you and your loved ones and all my children. Thank you for responding to my call.

[Fernanda] *Thank you, my Beloved Mother. I love you.*

My daughter, I, your Jesus, say thank you. I was listening to this beautiful dialogue with my Mother, Tabernacle of the Most High. Yes, I want my children to love and respect my tabernacle. I want to be a tabernacle to all my children. They must just approach me with all their hearts. I will let them be my tabernacle as well.

My daughter, my dear Mother tries everything possible to save our children. She walks long distances and she appears in special places to convert the sinners. Oh, my Mother Tabernacle of the Most High's holy grounds [in Ngome] – it's a very sacred place where a lot of healing and conversions have been taking place. My daughter, Sister Reinolda May, should have been recognised as a saint a long time ago. Pray these prayers for some intentions. You will obtain graces through her. Teach my children this prayer request. I thank you for your beautiful thoughts.

My daughter, I, your Jesus, I give my peace and love to you all, your loved ones and all my people, my sheep, my flock. I want to save all of them. I, your Jesus, your God, say thank you.

[Fernanda] *I love you, my beautiful Jesus, my Spouse. Sua bênção³, my Father. Sua bênção, my Holy Spirit, Sua bênção, my Jesus. Sua bênção, my dear Mother. ♥♥♥♥ I love you all xxxx.*
