

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Jesus Christ

Thank you, my daughter, for waking up to sit with me, your Jesus Christ. My daughter, I, your Jesus, need to converse with you. Oh my Petal, I need to confide something to you.

My little one, I have this pain in my aching heart, my painful heart and my Mother's. My child, I want to confide, convey to you about something very important, oh, what is going to happen very soon. I have to tell you about all the pains that I am going through because of what my children are going to suffer. Oh my child, I, your Jesus, suffer tremendous pains caused by my children, but this one that I am going through is very sore for my heart. I am in pain. My child, soon something is going to happen to the world because of this chaotic world. I don't want to see my children going through these pains. Oh my child, it's really horrific. I am going to describe it to you. My Petal, I told you about the hurricane, cyclone. Oh my child, it's going to happen soon. The world doesn't have the slightest idea of what is going to happen. It's a terrific cyclone.

I want you to pray, pray today during the day as much as you can for this. I need your prayers for this. You have the secret. You have the prayer given by my Mother, my Mother's tears of blood Rosary¹. Pray, pray as much as you can because I don't want my children to suffer those pains. My daughter, I had to call you at this hour to convey my concern about my children. Be alert. I will call you when it happens. From now on I want you to be alert, to know all the secrets given to you. You are our intercessor from earth to heaven.

My child, I, your Jesus, I don't want you to be involved in earthly things. Thank you for not choosing to go to my son's birthday [party] on Sunday. I know your heart is not there anymore. Yes, some of my children called you a fanatic of your loving Jesus. My child, they don't know or understand your love, your mission, your task for me, my Father, the Holy Spirit and my Beloved Mother, that you are my messenger to the world. Thank you, my Petal. Only a few of my people understand what you mean to us in heaven. Yes, it's because it's you, they don't comprehend what your big task is. To them, you are nobody, you are insignificant, incapable of such a special, rare gift. I know you explained to them, but they still don't understand. Do not worry about that. I will soon give you the stigmata of my love for you.

My child, I your Jesus, say thank you for tonight. You fixed your eyes upon me. Yes, I changed my Sacred Face for you. I moved my eyes, my mouth and my hair was blowing for you for a glimpse – I

manifested myself for you for a second. Do you know how happy I get to sit with you when you fix your eyes upon me.

[Fernanda] *My Jesus, your daughter Alice sent me this message to relay to my Jesus.*

Thank you, my child, for being obedient. I say thank you to my daughter Alice for her gratitude to me, to us in heaven. I will and my Mother's Virginal Mantle will protect them from any dangers. They will always be protected by the Triune God and my Mother Mary. My faithful child, I, your Jesus of Nazareth, will protect all your loved ones, family, from the foe² of the enemy. Be in my peace. My love to you all, my children.

[Fernanda] *Thank you, my loving Jesus. I love you. Thank you for your immense love towards us all, your children.*

Thank you, my Petal. You know my desire to save them all, without exception of anyone.

[Fernanda] *My Jesus, I know I am not supposed to ask this question to my Lord...*

You may ask what is in your heart.

[Fernanda] *My Jesus, your son Osama bin Laden, we all know that what he did was wrong. Oh my Jesus, you are the judge of all of us. Your son went to eternal life. My Jesus, I prayed two Divine Mercy Chaplets for his soul. I don't know if it reached heaven. My Jesus, maybe you have a message to convey about your son? Oh, I am sorry, my Jesus. If I am not supposed to ask this question to my Jesus, I am sorry.*

My daughter, my Andorinha³, yes, it's 02h00 in the morning and you are sitting conversing with me, your Jesus. Thank you for your simple, pure question to me, your Jesus. My humble servant, I say to you at this moment, thank you for your Divine Mercy Chaplet. Yes, it was from afar, but it reached heaven. You prayed for my son Osama. Yes, I created him as well. I was the one who gave him the Breath of Life. Oh, my son Osama, yes, he committed outrageous sins, but I, your Jesus, I had compassion on his soul because prayers move mountains. I am the judge of my people. You want to know if it was right for him to be killed. Oh my child, this mystery belongs only to me. Yes, he killed, [took a] massive [amount] of lives against my will, my wishes. I don't punish my children if they repent on their last breath of life. My child, I say thank you for your Divine Mercy Chaplet, it was of great help for his soul. My Father is also a compassionate Father. My child, soon I will allow you to know more about my son. Keep praying for his soul because I came to this world to save the sinners, not to judge them. I, your Jesus, I have no favourites – they are all my children, as you know. We have been teaching you all about this. You understand my words.

Thank you, my humble servant, for your concern for my people. As I say to all my children: pray, pray intensely for your enemies.

I, your Jesus, give my peace to you, your loved ones and the whole world. My Blessed Mother also blesses you and all our children.

[Fernanda] *Thank you, my Lord, my Jesus, my King of the whole universe. I love you. I love you. I live for you, Jesus. I give my life to you. My life is in your hands. Govern me, guide me, teach me to serve you as you wish, my Jesus. I am all yours, my Jesus. Beijinhos⁴, beijinhos, hugs, kisses xxxxxx.*
