

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Father God, Jesus Christ, Mother Mary

Jesus Christ

My daughter Fernanda, thank you for sitting with me, your Jesus, my Father, the Holy Spirit and my Blessed Mother.

My daughter, I, your Jesus, I am very happy, in joy, to be with my little one. Oh my child, yesterday we couldn't converse much. Oh, you were extremely tired. My child, I, your Jesus, I want to convey to you that you need to rest more because I see your time spent in conversation with us for hours till very late and you, my child, you never neglect us – the Holy Trinity and my dear Mother. We see the love and sacrifice to always converse with us. We are your priority. I see that you put me, my Father, the Holy Spirit and my Mother first, above other chores, other things. We, the Holy Trinity, we want to say thank you for this beautiful love towards us. It doesn't matter what time you come home or the time of your prayers, you always end in conversation with us in heaven. My little one, I, your Jesus, in conjunction with my Father, the Holy Spirit and my Mother, we understand and we want to convey to you that we want you to rest for some hours afterwards. You are entitled to that. It's with our permission. Never feel guilty – you deserve those hours of sleep.

My daughter, I, your Jesus, want to convey to you about my daughter Fatima de Gouveia's funeral. You attended my daughter Fatima's funeral. You were very touched, emotional, seeing my children in pain. But my daughter Fatima is in my arms, resting in eternal life. She was here on earth, a passing by, and it was time to come to me, to eternal life, to the life promised to her and to all my children.

My daughter Fernanda, I, your Jesus of Nazareth, I have a message for you to convey to my son Nic and all of his loved ones, this entire family in pain, suffering and mourning [the passing of their] loved one. My child, there is a time, a season, for everything: a time to seed, a time to reap, a time to plant, a time to harvest, a time to dance, a time to cry, a time to laugh and a time to be sad. My daughter Fatima's time on this earth was accomplished. I created my daughter Fatima and I gave her the Breath of Life. I entrusted her to her earthly parents to take care of her on this earth. My daughter Fatima's last breath on this earth was designated by me, her Jesus. Her time was accomplished. My daughter Fatima: I, her Jesus, saw all her pains, sufferings, hardships, trials and tribulations that she underwent in the course of her life. Her sufferings with her sickly body constantly in pain, were seen by us here in heaven, all of the suffering that she underwent – it's all written in the Book of Heaven in letters of gold. All of her prayers, Rosaries, prayer requests, her calling my name, my Father, my Beloved Mother and the Holy Spirit – it was all heard by us.

My precious children, I am a merciful, kind God. I love my children unconditionally and equally. I don't have favourites. They are all my precious children whom I created with so much love – each one of you. My love for all my children is an ocean of mercy, it's endless.

Dear children and my son Nic, I, your Jesus, your God, your Lord, I come to you at this hour to convey and relay this message to all of you through my humble servant, my messenger – a message of love, courage, strength, faith and perseverance to you my children whom I love immensely. I want to relay to you all in this time of pain, suffering, mourning the loss of your loved one. Know, my children, your loved one is in my care, my love and my peace. She is back home with me, my Father and my Beloved Mother.

My son Nic and all of your loved ones, know that I, your Jesus, empathise with all of your pains, but my children, in time, I will heal your pains. I am the healer of thee. I came to save all my children. Know, my precious children, what I ask from all my children is to love one another, forgive one another, forgive your enemies as I forgave mine. My children, when I was martyred, my body was dismantled; I was in a prison like a criminal; I was nailed with huge, big nails through my flesh; I was crucified; my arms were hanging out of my body. Oh, oh, my precious children, I cannot describe my pains and my people will never know or understand my suffering that I underwent in those hours, which seemed like an eternity. But my child, the thought of you and to save all of my children gave me the strength to carry my cross until the end. But my dear children, with those pains at that moment, I was asking, "Father, Father, forgive them because they do not know what they are doing."

I want love, peace and unity between families – that is my aim for all my precious children. I love you all, my dear ones.

My Mother, she is here asking from all of you to "Pray, pray the Rosary as a family. Teach our little ones to pray and to love my Son Jesus. Come to Confession. Repent, repent. Take my Son's Precious Body and Blood worthy of him. I, your Mother Mary, the Mother of your Jesus, I will protect you with my Divine Mantle from all dangers, from the foe¹ of the enemy. I, your Mother Mary, say thank you."

My dear, precious children, my son Nic, I, your Jesus of Nazareth say do not fear. I will be your safeguard. I will help you in your times of tribulation and hardship. I will guide you. Just follow my footprints; I will then take your hand and help you to come ashore. When the tide seems too strong, hold my hand, I will be your rower, *remo*² for the boat not to sink. Pray, pray always to me, to my Father, the Holy Spirit and my Mother, and you won't be lost. I am your loving, merciful God. I am taking care of you. Just trust me, trust me, your Jesus.

My son Nic, my children, I give you my peace, my peace I give to you all and to the whole world. I, your Jesus, come at this hour to relay this message of love through my humble servant, my messenger.

[Fernanda] *Thank you, my loving Jesus. I love you.*

Thank you, my Andorinha³. Relay this message to my children in this time of their pain, mourning their loved ones.

My daughter, I, your Jesus, say thank you for this special time.

My daughter, my Father, he is here to converse with you.

Father God

My daughter Fernanda, my Andorinha, I, your Father God, come to you to say thank you for tonight, for coming and relaying my message to love and respect the Holy Trinity. Thank you for reading out the message. You must make copies of these prayers to the Holy Trinity and to the Holy Spirit for my children to pray. It pleases us very much. I thank you. You have been praying the ones I have given you. Pray them as often as you can.

My daughter, do not get distracted when you converse with me.

[Fernanda] *Sorry, my Father. I am sorry. I ask pardon.*

My daughter, I, your Father, say convey to you about something very serious, important to you.

My child, I, your Father, I have this to say to you. My daughter, do not feel sad, despondent because nothing has happened yet for our son Frank. My Son has his reason for his delay. I know that our son also feels [despondent] at the moment. My Son will provide him with the money, the financial help, for him to start what his heart desires. My daughter, I know how difficult it is for you to depend on your loved ones, but my child, I, your Father Almighty God, I will never abandon you and my words never fail. I will never let you fall again. I said that your purification has come to an end. My Andorinha, the Holy Trinity knows all about your sighs, your anguish with your finances, and our son Frank's. My daughter, trust, trust my Son with this. Soon you will see the results of the fruitful tree that's [from] our son Frank. Oh, he has been praying constantly. We heard all his prayers, prayer requests. I say to you solemnly, I repeat the same words: I, your Father God, and my Son Jesus, we are taking care of your situation. Time is here for you now. Do not fear. What my Son promised: it's here for you and your loved ones. My daughter, I, your Father, say to you that soon my Son will place your sign upon you. Your task is on its way. My child, it's a very difficult task to embrace, but we will stand by you to guide and protect you from the foe of the enemy.

My daughter, I, your Father, I have this as well to relay, convey to you.

My little one, I, your Father, I have this to convey to my son priests, to my Church, my bishops. I, your Father, I am not pleased with my children receiving my Son's Precious Body and Blood on their hands. My child, tell my son priests that they have to convey this to my bishop, and my bishop to my son the pope, Benedict XVI. My son priests must reciprocate to the Church.

I, your Father, the Holy Trinity, we are very hurt at the way my children use my Son's Precious Body and Blood for satanic work against my youth. They use my youth to perform the most [disgusting] sacrileges against my Son's Body and Blood. My children receive my Son in their hands with no respect whatsoever for my Son, then they hide my Son in their filthy hands and place my Son in the most disgusting places. Then they come and sell my Son's Precious Body, which has been consecrated by my son priests and is no longer a wafer, but my Son's Precious Body.

Oh, the sacrifice [of the Holy Mass, where] my Son gives himself to his children. My people don't comprehend how important it is to receive my Son's Precious Body and Blood worthy of my Son. Oh, when my children receive my Son unworthy of him, with their hearts full of hatred, jealousy, enviousness and malice towards one another, praying the Our Father, asking me to forgive them, yet they never forgive their enemies or one another! But I, your Father, I have compassion for them, but then, where is their love and compassion for their brothers and sisters in Jesus Christ? Oh, my

children, they have to be taught all of this over and over again to understand how much it hurts my Son to go into his children's hearts with impurities, outrageous sins, which have never been confessed, never repented of with a contrite heart.

My Son's Church, my holy pope, has to abolish giving my Son's Precious Body in their hands. They must genuflect as you do. Oh, it pleases us to see how you come to receive my Son with a clean heart having been to Confession, genuflecting and blessing yourself. My child, we know you are doing it not for the world, but for your love of my Son Jesus. The Holy Trinity knows your pure heart. My children will eventually follow your example on this. Oh, you have been a good pupil, and you will be a good teacher in my Son's holy name.

Thank you, my Andorinha, for your time spent with us listening to our messages.

I give my peace to you and to the whole world. I, your Father God, love all my children.

[Fernanda] *Thank you, my dear Father. I love you, I adore you, I praise you with all heart.*
