

ALPHA+OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

Time is near: don't look for the signs in the sky – they are all over the world!

Father God

My child, my humble servant, I, your Father, I have a message for you to relay to my people.

My children, I, your Father God, I am here to relay a message to all of you. My children, listen to me, your Father. I want all of you, my people, to come, convert and melt your hearts of stone. Oh, my children, I want to convey this message...

My precious children, I want to say to you that I am your Father God, the living God. I want to see all of my people come to my Son's heart. It is time to repent, to love one another and to live a decent, pure life with a contrite heart. My children are losing their souls, their spirits because of jealousy, pride, stubbornness and not being humble enough to repent with a contrite heart.

My children, know that the time is near, near for my Son's Second Coming. Why do my children and my youth fear and avoid speaking about this, the Second Coming of my Son Jesus?

Oh what my children will suffer if they don't repent in time. My Son is preparing you, my children, to convert yourselves, to see the signs. Don't look up at the sky – the signs are not there, they are all over the world, around all of you. But my people ignore my Son's pleas to come to his heart. Oh, they just see the earthly things, comforts, selfishness, greediness and richness. Oh, but where is the richness of their souls for their salvation?

I, your Father, see what my Son is doing to save all of our children. Oh, they don't believe in salvation, they say, "Oh, when we die, everything is finished." Yes, on this earthly world but eternal life is more painful than these earthly hardships and trials if they don't repent or die with a contrite heart in Confession. Oh, they don't see what my Son is trying to say, to teach the Word. When my Son says to them to save souls, their souls, they don't realise or imagine what my Son's anguish and pain is in these powerful words.

My children, listen to my Son's living words in the Holy Bible, to his End of Times messenger and to Mother Mary's call when she appears to her visionaries. Everything is for a purpose and the purpose is for people to come closer to my Son's heart.

Oh, there is so much to be done, to teach my ignorant children and to save them. My precious children, I, your Father God, I am here with my humble servant, our messenger chosen by my Son for the End of Times but my children ignore my Son's call to convert, to listen to his loving heart, to be opened to the whole world. My little one, she is my Son Jesus Christ's messenger. She has so much knowledge and wisdom given from my Son, oh, so many, many countless messages, teachings, to save the world of big pains in my Son Jesus' holy name.

I, your Father God, leave you at this moment with a message to you, all of my people: listen, repent, Confession, love one another, forgive one another, take my Son's Precious Body and Blood with dignity, worthy of my Son. Oh, when my Son gives himself to all of his children in Holy Mass, the sacrifice of the Lamb, to save his children, this is the most consecrated moment of the Holy Mass, the holy of holies but my children don't see this precious moment which is given to them. Receive my Son with a beautiful, clean heart.

My people, I repeat: the time is near. I give you my peace, my peace I give to the whole world.
