

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Father God, Jesus Christ, Mother Mary

Jesus Christ

My daughter, thank you for coming to my shrine, my tabernacle, to visit me here with my Father, the Holy Spirit and my Blessed Mother. My daughter, I, your Jesus, say thank you for coming and keeping me company at my tabernacle.

Oh, your sacrifices today pleased me very much. You worked very hard at my church, helping with so much love, doing all kinds of work with no limit or exception. You were very humble in doing that hard work. You didn't refuse to do anything. Thank you. Oh, your feet are very sore, your leg. Don't worry, I will heal that pain.

My child, you could have been in bed after the day of hard work, but you insisted to my daughter Alice that you come here. She was willing to adore me in your time, but you wanted to sit and stay with me. Your love, faith and courage to come and sit with me appeases my aching heart. I will obtain many graces for you when you come and sit and visit me here. Oh, my precious tabernacle is the most powerful to visit, but so many of my children don't see, don't believe that I am here, alive for them. I want my children to see and understand the beauty of being here with me. Oh, I will place upon them and their families the grace of salvation, healing of their pains, sufferings. Oh, I wipe their tears. I sit next to them, like now, I am sitting next to you, and [so too is] my Blessed Mother. Thank you for the two cushions displayed for me, your Jesus and for my Blessed Mother. Oh, what a beautiful, peaceful day to see all our children being together, joined in peace. Oh, I am very joyous for this act of love to come and visit.

My little one, let your heart be free of pain because of our son Frank's uncertainty of his future, with no money, no future ahead of him. My Petal, I have my reason for this. Soon, I will replace everything that was been lost. The universe will retribute to him what has been taken from him. Oh, our son is going to do mighty, mighty work for me, his Jesus, in time to come with your mission. But, before that, I will let him be free of this kind of pain, suffering. Oh, your tight chest – let go, be free because our son has been taken care of. Our son will be okay in my holy name. The time is here for him as well, for the mission entrusted to him, to help you for my honour and glory. Financial help is coming on its way. Praise your Lord Jesus Christ. All the honour and glory to your Jesus Christ. Tell our son not to worry or to be preoccupied about this.

My daughter, my Beloved Mother, she is here to converse with you.

Mother Mary

My daughter, I, your Mother, I am here with you, my Son Jesus, our Father and the Holy Spirit to converse with you.

My precious child, thank you for the beautiful day spent doing so much work towards us, for my Son's church and me. You were a big help. Oh, you spun around like a spinning top because you were going from one side to another. Work for you is work, it doesn't matter what work you do – you don't pick and choose, you just do it – that's humility. Know, my child, soon your time is going to be only for me and my Son Jesus.

Yes, I was closing my eyes now to synchronise with you. I was opening my eyes for you. Oh, you were not imagining – it was me, doing this for you.

My daughter, I, your Mother, say to you that I love you, my precious child. Thank you for your time.

Oh, your back is sore, uncomfortable to sit or walk. My Son will heal you of this pain. Thank you. I love you too, my Petal.

My daughter, I bless you abundantly and your loved ones, family and the whole world.

Jesus Christ

My daughter, I, your Jesus, say thank you for this special moment. You prayed your prayers to us in heaven tonight as soon as you arrived home. I see you are getting tired. I will keep you safe in my arms.

My daughter, my Father also has something to convey to you.

Father God

My child Fernanda, I, your Father God, I say thank you for being here with my Son Jesus in this special dialogue with us.

My Petal Fernanda, I, your Father God, I have this request for you to help me on, which is very important for my children, my Son's children's souls, for you to transmit to the world in my Son Jesus' holy name. My Andorinha¹, I, your Father, say to you at this hour of the morning [to transmit] solemnly to my children to listen attentively to me, your Father God.

My little one, today I come to you in some kind of pain. I see you have been feeling this pain today. Oh, it's my pain because of seeing my Son [being treated] in the most disgusting manner. His pains become my pains as well. My request is this: I, your Father Almighty God, I want you to know what I want. My child, what I want for all my children is [for them] to see my Son's pains and to convert very soon because soon you will be on your mission to transmit, convey this message that I am about to relay to you.

My precious children, I am here with my humble servant in my Son's tabernacle at this hour of the morning to ask you, from all of you, to come closer, closer to my Son's heart. Do not ignore what I am about to convey. I want my humble servant to be heard by my son priests, my whole Church, the head of my Son's Church. She has been praying the tears of blood Rosary² given to her from my Son Jesus for some disturbances in the world that will be very painful to see, to know, but my Son is here again, pleading again the same thing. My humble servant, she is going to my son priests, the

superiors to relay all the messages, especially my requests and my Son's requests, the prayers given to her to pray.

My daughter, my request, I repeat, is to write all the prayer requests given to you. I say all of them. Make copies and give them to my children to pray for some of the causes that need urgent prayers, especially for the youth. My humble servant, go ahead with them. Time is here for you to go and disclose all of them to the head of my Son's Church because time is limited for my Son's Second Coming. My Petal, teach my people how you pray with all the angels and saints to ask my Son for more time to the world and to ask me for forgiveness on their souls. My daughter, show this message of my requests to my son priest, your spiritual director.

Thank you for this special time to sit with us at my Son's Blessed Sacrament chapel. Thank you. Rest a while in my Son's arms.

I bless you. My peace be upon you and your loved ones and the whole world. I, your Father God, I say thank you for this immense love given to my Son Jesus, me, the Holy Trinity and Mother Mary.

[Fernanda] *Thank you, my loving Father, the Triune God. I love you with all my heart.*
