

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Father God, Jesus Christ, Mother Mary

Jesus Christ

My daughter, thank you for sitting with me, my Father, the Holy Spirit and my Blessed Mother.

Father God

My precious daughter Fernanda, I, your Father God, come to you at this hour to say thank you for all the prayer intercessions to me, asking me for forgiveness on the sinners' souls, to have mercy and compassion. Oh, it pleases me very much. Oh, today you prayed my prayer that I taught you to pray for my priests¹. It's very pleasing to me, my Son Jesus Christ, the Holy Spirit and Mother Mary. Thank you for saying thank you to the saints and angels. Oh, your wisdom and knowledge are very far from my children's understanding. Oh, you keep quiet when you try to say something and then they turn the subject around to say, "Oh, but I, I as well..." You know what I, your Father, am saying to you.

My little lamb, I, your Father, see that you want to sit and concentrate on writing our messages given to you, but there are always obstacles. Soon you will be concentrating on writing them to give to my Church. They need to know all about your rare gift entrusted given to you from my Son Jesus.

My daughter, I see today that you hardly slept. You haven't been at my [tabernacle], but my Son Jesus has kept you awake so far. You don't feel tired or sleepy. You asked my Son, the Holy Trinity, to let you come to my Son's Holy Mass. Oh, I, your Father, woke you in the early hours of the morning. Oh, our conversation is our present to my Son's aching heart and my Blessed Mother's. Know that the Triune God is always together, so are my Son Jesus and his Beloved Mother.

My humble servant, I want you to be as quick as possible in proclaiming my Son's holy words, messages, because you are going to be so powerful on your mission. My Son will send you extra angels to help you with your English spelling. You are going to be amazed at how you approach my people with confidence, knowledge and wisdom, and my people will be amazed by you. They will know that you are my Son Jesus' chosen messenger to the world. My Petal, soon, the sign, the stigmata, will be placed upon you. You have to be ready for it because time is near, time is running out for my Son's End of Times. When you tell my children about my Son's Second Coming, tell them that they must not fear or ask, "When? When? Which day, date or hour?" You are going to tell them all about my Son's messages to save them. Explain to them that my Son's aim, desire, wish, in all the messages said to you about the End of Times, is for them to repent, repent. They must only fear not

being ready for my Son's Kingdom – they must make peace between all their loved ones, family and enemies and be in love, unity and harmony. My Son and his Mother are trying so hard to save them. The word repent, repent to my Son, to heaven, means to be ready at any time because when my Son says time is here, they would have had the time to make the peace that my Son desires amongst each other. This is the keyword for their salvation, for their last day on earth, because if they don't do it in time, their suffering in eternal life will be much, much worse than here on earth.

My little one, I want you to go through all the messages and give them to your spiritual director for him to relay them to his superiors, for the messages to be reviewed and taken into their hearts, to proceed with the Church allowing you to expand, expand, spread all the messages to the world. Do not keep them to yourself. My Son chose you for this reason, for you to be able to help him to save our children. Don't, I repeat, my humble servant, don't be accountable for the souls that you can save through my Son's holy name. My child, I said to you that your mission entrusted to you is very arduous, my small little one, my Andorinha² to fly to faraway places to teach and spread [the messages], my Son's only hope to bring the souls to his loving heart. Oh, if you had to see my Son's aching heart when he sees one of his sheep being lost because of lack of teaching and ignorance – it's very painful to my Son's aching heart. My Son died to save them 2,000 years ago and today his loving, merciful heart goes through even worse pains. Today the world thinks only about earthly things, not about their souls.

My little one Fernanda, I, your Father God, say thank you for this beautiful time spent with the Holy Triune God. My peace be with you, your loved ones, family. My peace be placed upon the world.

My daughter, my Son Jesus, he is here to converse with you.

Jesus Christ

My daughter Fernanda, I, your Jesus, I am here, sitting next to you, to acknowledge to you that you are my humble servant chosen by me, your Jesus Christ. I say, as my Father said to you, it's time to place the special sign upon you. Oh, it's going to be a special day. Oh, what a celebration that will occur on that day, a day to always be remembered while you are on earth and afterwards in eternal life. Know, my Petal, your place in heaven at the Banquet of the Lamb has been chosen. Oh, what a beautiful place chosen for you!

...private message removed...

I, your Jesus of Nazareth, say to you to keep my Blessed Mother's words said to you to yourself until the time comes for it to be announced, to be known by my children on earth. Do not doubt this special title given to you because your humility, humbleness, your mission will be the response for all your good deeds from earth to heaven.

My Petal, your heart wishes to help my children financially and their souls. You are my joyful peacemaker to these my people. You are my only hope for my End of Times. Oh, my sheep, my flock, they are in turmoil to be brought to my heart, to be docile, to melt their hearts of stone. Oh, you will bring many of my sheep to my heart. You are always going to find the lost one of ninety-nine of my sheep, my flock, [the one that needs] to be found. Oh, you will see the joy of that because, I, your Jesus, will allow you to see the beautiful scene of that celebration in heaven, the joy and happiness.

² Portuguese to English translation: Swallow

Know, my Petal, you are a very powerful intercessor, prayer warrior, from earth to heaven for my children. You are praying with your heart for them already. Thank you for this act of love to appease my heart of aches, pains, and my Mother's.

My daughter, my Blessed Mother, she is here to converse with you.

[Fernanda] *Thank you, my loving Jesus. I love you. My heart belongs to you.*

Thank you, my Andorinha.

Mother Mary

My Andorinha, I, your Mother Mary, I am here, listening to our Father and my Beloved Son Jesus Christ's dialogue in this special conversation.

I, your Mother Mary, say thank you as well for all the prayers. Soon you will make copies of all the prayer requests given to you, taught to you. Oh my little one, do you know that the Holy Trinity is very pleased with you for your obedience and sacrifice to converse with them every day without fail? Your heart entwines with joy to read out our messages. Oh, if only my Church would allow you to go forward. But, my Petal, you are going to go in my Son's holy name because all the glory and honour, all the praise be to my Son, to God, your Lord Jesus Christ. My Son has a reason for the delay with your finances and all that has been said to you. Our Father loves you very much for the love that you have for his Only Begotten Son. My child, you love my Son with a deep love that heaven sees, I see, this love to please my Son, not wanting to hurt him. Oh, my deepest love and dedication [goes] to all my children who love, adore and praise my Son – that love is given to me as well.

My Petal, I see today that you went to help your sister, my daughter Isaura. You are always ready to help; you make sacrifices to help them. You even neglect your duties to please my people, but above everything, to come to my Son in Adoration to appease my Son. Oh, we in heaven see all the sacrifices, neglecting your beauty sleep and putting others before you, not hesitating to put aside what is deserving for you [for their sake]– that's what my Son sees and wants for my children.

My daughter, you asked my Son to let you stay awake today. Yes, he conceded that grace to you, but it's time for you to lie down in your *palhinhas*³, your nest, because tomorrow you have other duties, other chores to accomplish.

I bless you and your loved ones, family, enemies and the whole world.

Thank you for responding to my call.

[Fernanda] *Thank you, my Blessed Mother, my Queen of my heart and my house. I love you. Sua bênção*⁴.

Jesus Christ

My daughter, I, your Jesus, give my peace to you, my peace I give to you, your loved ones, family and all my children who are scattered all over the world. I, your Jesus, your God, your Lord, I love you and the whole world.
