

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Father God, Jesus Christ, Mother Mary

Jesus Christ

My daughter, thank you for sitting with me, your Jesus, my Father, the Holy Spirit and my Blessed Mother.

Father God

My daughter, I, your Father God, say thank you for sitting with me to converse with me, oh, on this cold day! My precious child, thank you for your gesture of offering me, the Holy Trinity and Mother Mary some nice tea. Oh, I drank it, oh, there was no sugar! Thank you for this love and thoughtfulness towards us. Oh, your simplicity and kindness, it pleases me very much. My child, that's how I would like my people to be always. Oh, thank you for all the prayers, intercessions to us in heaven – it appeased my wrath, *ira*¹, against my people, the ones who hurt my Son's aching heart the most.

My daughter, today I have something else to convey to you, for you to relay to my people, my Church, my son priests. My Precious child, I, your Father God, I am here, sitting next to you. Oh, soon you are going to have a proper table and chair, a warm place for us to converse. My precious child, my humble servant, I, your Father, I have this special request for my son priests and the head of the Church, the Rock of the Church.

My son priests, I, your Father God, Almighty Father, I am here in conversation with my humble servant, my Son Jesus Christ's chosen desire, his messenger with a rare gift for my Son's Second Coming. I am here to say, convey, relay to you, my sons, to listen, absorb, inhale the words, the messages given to her from my Son Jesus, Blessed Mother and me, your Father God, to help my Son, to bring souls to my Son for his End of Times, which, my sons, is near. Do not doubt or neglect these strong, powerful messages and prayers given to my humble servant. Her name on earth, "Fernanda", means "humble servant" in heaven. My Son Jesus chose her in her mother's womb for this mission entrusted to her. She has always been humble, in humility. She went through a very difficult purification and through her purification, my Son moulded her in a beautiful mould. My Son was the potter, she was the clay. She allowed my Son to mould her into a beautiful gem of our love. Heaven rejoices for her pure, clean heart. Oh, she went through a very difficult purification, through the darkest time of her soul. She took it with love, dignity, humbleness and forgiveness, never being against her God, her loving Jesus. Oh, she adores the Holy Trinity. She respects us so much. Her love

towards us and Blessed Mother Mary is a balm to my Son's and his dear Mother's pierced hearts. She brings joy, she alleviates my Son's [pains from the] crown of thorns infiltrating into his heart. My son priests, I say to you all solemnly that my humble servant's wisdom and knowledge are far beyond my children's understanding. My Son and his Beloved Mother have been teaching my humble servant for nearly two years. No university would have given her this wisdom and knowledge.

My sons, I repeat, my Son's Second Coming, End of Times, is near. Her teachings are all about repentance, repentance, Confession, unity in families, [stopping] abortions, praying for the youth, the priests, the Church, all the clergy; praying the Rosary, praying as a family. Oh, my little Petal, our Andorinha², "Swallow", because she is always flying, running to help the ones in need. She has a rare gift given to her by my Son Jesus, which is called "Conversations with my God, my Jesus, for his Second Coming". My Son also wants a book to be published with this name, with all the messages given to her. Know, my sons, my Son Jesus, always chooses simple, humble children to help him to save souls, to bring the lost, astray sheep, the flock that has been scattered, to his heart, to save them, because I, your Father God, I cannot permit this kind of pain in my Son's heart for too long. My Son has run out of words to ask me for more time to [be given to] the world and to forgive, to have mercy on the sinners. Yes, I obey my Son. I love him unconditionally as I love you all, but remember, I gave my Son 2,000 years ago to save you all. Oh, today, my Son's pains are much worse than those that you, my children, know he went through, especially during Holy Week. Oh, you, my children, you will never understand, never have an idea exactly what my Son's pains were at the time. I watched in silence and his Beloved Mother with a broken heart watched my only Begotten Son suffering martyrdom. There are no words to describe my Son Jesus' sufferings – his Beloved Mother's as well. Oh, today I see my Son going through horrendous pains. His Beloved Mother appears to visionaries all over the world to bring conversions to my Son's heart. My Son also cannot permit his Beloved Mother go through so much pain again. Know that my Son's Mother, Mary, cries tears of blood because she sees the world going into decay, destruction of souls to perish in hell with no salvation. Oh, what these souls suffer is beyond recognition! Mother Mary runs to her Son constantly to intercede to him, "Son, Son, give more time to the world. Forgive them. Have compassion on them." Oh, then my Son sees his dear Mother crying tears of blood. Oh, what pain for him to see her in so much pain. Then, my Son comes to me as well to intercede, to ask me, "Father, Father, please, for the love you have for me, give us more time to the world. Forgive the sinners, have mercy on their souls." Oh my sons, I do love my Son dearly, as I love you all, but how long can I, your Father God, take this pleading, seeing no repentance from my children to appease my Son's aching heart.

My humble servant has all these messages to relay, to convey to the world in my Son Jesus' holy name, to save and bring the souls to my Son Jesus' heart. She is my Son's messenger to the world. Time is precious, time is near, time is limited to relay these messages. She has to go all over the world with these messages in my Son's holy name. All glory and honour be to my Son Jesus Christ, the Saviour of the world!

Remember, my humble servant didn't choose this mission entrusted to her: my Son chose her for his Second Coming. She has been given some special prayers from my Son Jesus, his Beloved Mother, and me, your Father God. Oh, she is our prayer warrior. She is a very devoted intercessor from earth to heaven. She intercedes to us in heaven for our children and for many prayer requests given from

my Son. Oh, she has been obedient, praying intensely to us in “silence”³. My sons, I am your Father God, the Father of your Saviour of the universe, the world. My sons, do not waste time. Relay this message to my son bishops and my son the pope, the Rock of my Son’s Church. I have given some strong messages to my humble servant to convey to the Church.

Thank you my son priests for your time spent with me, to listen, to absorb this message of love, gratitude, appreciation, courage, faith and trust, for listening to my Son and me, your Father – our living words through my humble servant, my Son’s messenger for the End of Times.

[01h50]

My Petal, I, your Father God, say thank you for your patience, love, consideration and obedience to sit and converse with me in this awkward position. I give you my peace, my peace I give to you, your loved ones, and my peace be placed on earth upon all my people.

[Fernanda] *Thank you, thank you, my loving Father. I love you. I thank you for this special time in conversation with me. Oh my Father, who am I to have this privilege? I praise you, I adore you for all eternity.*

Jesus Christ

My daughter, I, your Jesus, I am here in awe of love, listening to this beautiful dialogue with my Father and my humble servant. My precious little one, I thank you for today.

Oh, you went to your sister Isaura’s birthday. My daughter, oh, the prayers were beautiful, powerful. The Holy Trinity prayer is very strong. My daughter Isaura, thank you for using your gift of praying to my Holy Trinity. My little one, your heart was entwined with love, listening to those beautiful prayers. You wanted to tell my children about the prayers given to you about the Holy Trinity. Oh, you kept it quiet. Oh, your heart was burning. Oh, you knew you couldn’t have the chance, that they wouldn’t let you be free to relay them because [with] some of my children “it’s me, it’s me”. But my child, each one of my children has different gifts of the Holy Spirit. You tried to say something, but to no avail. Oh, you praised your sisters in Jesus Christ with their gifts, but soon, no one, I say no one, will stop you from relaying my messages. It’s all about me, your Jesus. I know you don’t want any glory for yourself.

Oh, thank you for tonight, for relaying my message about you. Do not fear to speak, to relay these messages because they help to bring my children to more of an understanding of their daily lives. I was very joyous about it. It pleased me. Soon, soon, all these fears to convey my messages will vanish.

My little one, today, the conversation with my Father was about giving [the messages] to my bishops, my Church. Soon they will see that they come from me, your Jesus, the Holy Trinity.

My child, I want to transmit this beautiful prayer to you, to be prayed in this time of chaos in the world...

My dear Father God, my loving Jesus, Son of my Father, the Holy Spirit and my Beloved Mother, the Spouse of the Holy Spirit, I, your humble servant Fernanda, I humbly pray this special prayer

³ Meaning that no one is aware of these prayers she is praying

request to my Holy Trinity, *Santíssima Trindade*⁴. I ask this prayer request in humility of my plain, simple heart.

My Holy Trinity, Triune God, and my Blessed Mother, I ask you to help us in this chaotic, dismayed, disturbed and troubled world, to bring peace, love, unity, humbleness and forgiveness to the whole world, between nations and countries, especially in our country South Africa. Bring peace, love, understanding and unity between all the families. Combat jealousy, unforgiveness and the refusal of inheritance to one another.

Oh my loving Jesus Christ, together with my Father, the Holy Spirit and my Blessed Mother, I intercede to you and I ask the angels, all the nine choirs of angels, St Michael, St Raphael, St Gabriel and all the saints of heaven to pray with me in this strong chain of prayer for this chaotic, dismayed world.

I praise you and thank you with all my heart for listening to my honest, humble prayer. Amen.

Pray one [Our Father](#), one [Hail Mary](#) and one [Glory Be](#). Conclude with the [Hail Holy Queen](#), then say...

All honour and praise be to God. Save all the sinners. Amen.

Thank you, my little princess, my flower. I, your Jesus, say thank you for your time spent with me in love and patience. Oh, you could have been in the most beautiful sleep, but your love, conversation with the Holy Trinity and my Blessed Mother is the most embalming to our hearts.

My Blessed Mother, she is here to converse with you.

Mother Mary

My little Petal, thank you for being here in love with the Holy Trinity and me, your Mother Mary.

Oh, I am very pleased with you for your obedience to sit with us. My little one, time is near. Prepare, prepare everything because time is running out for you to start your mission. Oh, do not worry about tomorrow or anything, because my Son needs you urgently to help him to concretise what has been said to you. Oh, everything is being placed, arranged according to my Son Jesus' plans. Your task is a very arduous one, but you, my child, you are a very strong warrior for my Son Jesus. Oh, your battles and hardships brought you closer to my Son Jesus, me, your Mother, the Father and the Holy Spirit. Now the Holy Spirit has infilled you with all the gifts for you to be the messenger to the world. My Petal, my children will be taken aback to know that you are my Son's messenger to the world because to them, you are a nobody, but to heaven, to us, you are our strong prayer warrior, our intercessor.

Soon, you will see, some places my Son has already taken you away from – some functions, some different environments – they're not for you anymore, my child. It's my Son's plans, desires, wishes to do a cleansing, more of cleansing in your surroundings. Oh, you have been, you are going to be more criticised, persecuted by some of your family and friends who don't understand this kind of change in your surroundings. My child, you are the same person, the same humble servant Fernanda, only my Son has mysterious ways for his children's lives. It's out of your control. Do not fear the changes – it's all about my Son's desires, wishes to help him to bring souls to his heart for the salvation of the world. My child Fernanda, I, your Mother Mary, say thank you for your time and
