

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Obey and respect the Holy Trinity – the Sign of the Cross is the strongest prayer against the enemy, especially with holy water

01/06/2011 at 22h00

Father God, Jesus Christ, Mother Mary

Jesus Christ

My daughter, thank you for sitting with me, your Jesus, my Father, the Holy Spirit and my Blessed Mother. My Petal, thank you for the beautiful day.

Father God

I, your Father God, say thank you for sitting with me to converse with me. My Petal, I say thank you for all the prayer requests said to us in heaven. Thank you for starting to pray the prayers for my son priests. Oh, you are our intercessor. I received all the intercessions. Thank you for your time spent in prayer towards us.

My little Andorinha¹, I, your Father, I am here to convey to you that soon, soon you will be on your mission. My little one, today I have a special request, a message to relay to you, to teach you and to convey my desire to be respected by my people. My child, I, your Father, say to you solemnly that my desire is for my children, my people, to obey and respect my Holy Trinity. Oh, my people don't understand how powerful the Holy Trinity in heaven is.

My child, I am going to relay a message to be relayed to your spiritual director, my son priest Father Marie Joe, entrusted to you by my Son Jesus, for him to convey to his superiors about the importance of the Triune God. My child Fernanda, so much about the Holy Trinity has to be learnt and respected. My Church doesn't mention much about it. I, your Father God, the Holy Spirit and my Son Jesus Christ – the Three-in-One, the Triune God – we are the most powerful, in the whole of heaven to be praised, adored and given thanks, but few in my Church proclaim the Word about us, the Holy Trinity. My child, I want my Church to teach, to acknowledge to my people that I desire my people to know more about the Holy Trinity, to teach my sheep, my flock, to bless themselves with respect, acknowledging the proper way to bless themselves: with the palm of their hands open, slowly making the [Sign of the Cross](#), not rushing from one side to another, knowing the meaning, the strength that comes from us. Oh, my people have to be properly taught the Sign of the Cross. At all times, we, the Triune God, the Three in One, with the three hearts, give our love completely to our children. My son priests, my Church, must acknowledge [and convey] these teachings to the ignorant, the lukewarm souls. It pleases me to see you, my Petal, when you receive my Son's Body and Blood, genuflecting and blessing yourself with love to us, because you understand the meaning

and how important it is to us. Oh, we have taught all of this before. My son priests must make my children aware of the Sign [of the Cross] at all times.

My child, I, your Father, I mentioned this to you and I gave you a prayer to be said. Make copies of it and distribute it amongst my people. Write what I said to you and ask them to pray in the same way as you do.

Oh, when you prayed for my son _____, I did a complete deliverance upon my son. Teach my children about this prayer, what it did for my son _____. I freed my son from all the shackles, chains, from the ancestors because this prayer comes with the strength of the Triune God, the Three-in-One whose power is stronger than this one. Tell them to use a picture as you have in our room, at all times, to remind my people about us. My child, the strongest prayer every night and every morning is, **“In the name of the Father, the Son and the Holy Spirit. Amen.”** The blessing comes upon them without hesitation against the enemy, especially with holy water.

My daughter, I thank you for this special time, moments, spent with me, your Father. Oh, this pleases me, your love and dedication to the Holy Trinity every morning, every night, the *“Sua bênção², I love you,”* and our kisses as you enter our little shrine, our room.

I give my peace, my love to you, your loved ones and the whole world.

Oh, write this message as well to relay it to my children when you are on your mission. My people have to know my desire, my wishes about this.

My Petal, my Son Jesus, he is here to converse with you.

Jesus Christ

My daughter Fernanda, I, your Jesus, your God, your Lord, I am here to say thank you for all the prayers said to me, my Father and the Holy Spirit. Know, your intercession reached heaven with so much love. Oh, you have been praying intensely for all, for all of the most neglected souls, for the most needy of my children.

Oh, today you encountered some of my children at my daughter’s funeral. My daughter, I have a very special, strong message to relay, convey to my precious children – my daughter Ivone, my son Michael and this entire family – about my precious son Ruben.

My precious children, Ivone and Michael _____, I, your Jesus of Nazareth, your God, your Lord, in conjunction with my Father, the Holy Spirit and my Beloved Mother, we are here to relay, convey to you our immense love, gratitude and appreciation for the courage, faith and the trust in me, your Jesus, your God, your Lord. Oh, my Father, the Holy Trinity, we are so grateful towards you both, my children, for this unconditional love bestowed upon us.

My daughter Ivone, my son Michael, I, your Jesus, I am aware of all your pains, sufferings, trials, tribulations and hardships that you have undergone, underwent, in the course of these past years. Oh, what happened to our son Ruben... Know, my children, heaven has a reason for this. Nothing passes without my consent. But, my children, I, your Jesus, your God, want to say thank you for your strength, courage, faith and perseverance in all these trials. Oh my precious children, Ivone and Michael, through these tribulations you are so [much] closer to me, to my Father, the Holy Spirit and my Blessed Mother. You are my truly faithful children. Oh, you never went against me, your Jesus, or my Father. Oh my precious children, your pains have been unbearable, too painful to describe in

words. Know, my devoted children, I, your Jesus, my Father, the Holy Spirit and my Blessed Mother, we never left you alone or forsook you or your loved ones. Know, my children, I was in the midst of the rough sea. I was your anchor, rowing, *remo*³, to bring you safely ashore. Oh, when the boat seemed to sink, I took your hand and you followed my footprints. I then took you on a smoother road. Oh, I have been taking away the big humps on the rocky road for you to walk on better soil. Oh my precious children, I am with you always, and my angels, some saints, they are always accompanying you in your times of hardships and trials. Know, my children, all these beautiful gestures of love, patience, faith, perseverance and endurance that you, my children, have undergone, have all been written in the Book of Heaven in letters of gold. There is a special place for you, my children, at the Banquet of the Lamb.

My son Michael, my daughter Ivone, I, your Jesus, I want to convey this message to you. Thank you for your trust and love. Thank you for all the prayers, Rosaries and prayer requests said to us here, your Jesus, my Father, the Holy Spirit and my Blessed Mother. I thank you for coming closer to our hearts, for understanding and for always reading my living Word, my Holy Bible. Oh, this beautiful love bestowed upon the Holy Trinity pleases me. My children, your faith and trust in me, my Father and the Holy Spirit is the most embalming to my pierced heart, to alleviate my aching heart. Know, my children, it's children like you that bring joy to my heart and my Mother's heart. My precious children, I, your Jesus, your God, say to you solemnly that you are my chosen children to be the parents of my son Ruben. I created my son Ruben. I gave him the Breath of Life. He is my son, our son. I entrusted him to you both, his earthly parents. I thank you for this beautiful gift of yourselves to take care of our son Ruben. Do not blame yourselves, my precious children. I, your Jesus, I have my hand upon this. This is a mystery of mine, your God, your Lord and belongs only to me. You are my instruments, my channels. You are my mighty warriors. My children, I have mighty, mighty work for you one day.

I thank you, my daughter Ivone, for writing this special book, praising me and thanking me always. Thank you for writing this beautiful, precious book to encourage, to strengthen my children in my love. Oh, I, your Jesus, my Father, the Holy Spirit, we are very grateful, appreciative of the act of love given to us.

My Blessed Mother, she is here to convey a message of love to you both and your entire family and our little precious son.

Mother Mary

I, your Mother Mary, the Mother of your loving Jesus, I am here to convey this message of appreciation and gratitude [for your] love towards my Son Jesus, the Father and the Holy Spirit. Oh, thank you for obeying, for listening to the Holy Spirit within you at all times.

My children, I am always wrapping you, little Pedro, Keaun and our Ruben with my Divine Mantle. I am protecting you always against any dangers, from the foe⁴ of the enemy. Thank you for your love and trust in my Son, our Father and the Holy Spirit – the Holy Trinity. Our gratitude is beyond my children's understanding towards you, my daughter Ivone, my son Michael and all your loved ones through this time of trials, tribulations, hardships. My children, know that my Son is the healer of thee – everything in his own time.

I bless you abundantly, your loved ones and all my children.
