

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

Father God, Jesus Christ, Mother Mary

Jesus Christ

My daughter, thank you for sitting with me, your Jesus, my Father, the Holy Spirit and my Blessed Mother Mary. My precious child, I, your Jesus, say thank you for your desire to always sit with me, my Father, the Holy Spirit and my dear Mother – at all times, you don't want to neglect us. Even with your loved ones, you make the time to converse with us. That's your priority. My children, some of your loved ones, don't understand your rare gift given to you from me, your Jesus. My child, you desire to explain more, in detail, but you can't because you already know the answer. My child, don't let anyone disallow you to open your heart, your mouth, because I, your Jesus, have given gifts to all my children for my glory. They're not for "I", I did..." It's all about me, your Jesus. You do understand well. Thank you for your humbleness. Soon you are going to be free to talk about your rare gift because it's all about me, my glory. I know, every time you try to explain about our conversations, some of my people try to change the subject or to ignore you because their gifts are the only valuable ones. My child, I, your Jesus, see all this. Your sign will be placed upon you. Oh, what a beautiful stigmata of myself that will be given to you. My precious child, I am here to convey to you to be ready for your mission. Do not fear criticism because, in my holy name, the sign for you to start your task will be placed upon you.

My child, my Beloved Father, he is here to converse with you.

Father God

My Precious child, I, your Father God, I am here to converse with you.

My Petal, today we are not at our home, our shrine. Thank you for your love to sit with my Son Jesus and me, your Father God. Thank you for praying the prayers given to you. I was very joyous about it. Oh, I received them with joy in my heart. Oh, I forgave some of my children as they came to eternal life today. Teach my people about this way of praying.

My Andorinha¹, I, your Father, I am here to relay this special message for you to transmit to my son priests, to the head of my Son's Church.

My precious son priests, my son bishops and all your superiors, I, your Father God, I am here with my humble servant in conversation at this hour, to convey to you, my precious sons, my desire. My wish is for my Church and my son priests to teach my flock, my sheep, to come to my Son's Holy

¹ Portuguese to English translation: Swallow

Mass in a proper manner, to attend my Son's Holy Mass with dignity, perseverance and understanding of the real meaning of my Son's holy sacrifice of Mass.

My sons, I, your Father God, say solemnly to you to be on guard with my lambs, for them not to be scattered around like lost astray ones. They must at all times enter my Son's church with love and decency, and as they're coming in, they must start sitting in the front row, filling the benches in a proper way. I want my sheep, my flock, to be attentive at all times. Teach them, explain to them about the content of my Son's sacrifice of Mass. My humble servant has the messages to relay and teach them. Let her explain what I, your Father, and my Son Jesus have been teaching her. I want them to come attentively to the real realm of Mass, the beauty of my Son's Holy Mass. Soon, I will allow my humble servant to attend [Holy Mass] in vision with my Son – he will give my Petal a vision of everything. As I have said before: be attentive during my Son's Elevation and the Consecration of my Son's Precious Body and Blood, the most powerful moment of my Son's Holy Mass. Oh, what a beautiful scene to see so much love towards my children. My son priests, during the Elevation, I want my Son's Precious Body to be lifted up with compassion, love and feelings from the heart – not elevating my Son's Precious Body up and down so fast. Oh, my Son cannot even breathe properly when they elevate my Son's Precious Body [so fast] – it hurts my Son very much. Take your time in holding my Son up high. Make my children aware of what is happening [during] the transformation of the wafer to my Son's own flesh. Oh, it is the most beautiful moment. For my Son's Precious Blood being she on Golgotha for the world, it's the same as well: take it high, do not rush up and down, but with love and take care not to drop any drops of my Son's Precious Blood. My Son's joyous moment is when our son priests, the clergy, their superiors respect these moments, looking up at my Son's Precious Body and Blood with love, not like they are doing a duty. My Son Jesus gave them a special, different gift to consecrate and elevate my Son's Precious Body and Blood on the special day of their Ordination, at their first Mass. They must proceed always with the same love as on that day.

Then, I repeat as before, when they pray the Our Father, they must feel and be touched by the beautiful words, word for word, and focus on what they are saying in this beautiful, strong prayer. They ask me to forgive as they are saying, "as we forgive those who trespass against us." Oh, I wish my children would understand exactly what they are asking me, their Father God.

Then, my beautiful Communion: the importance of my Son entering into their hearts – oh, their hearts are closed sometimes with so much impurity in their hearts, minds and souls! I repeat, [they must kneel or] genuflect, bless themselves, receive in their mouths, bless themselves again, bow in respect and back in their seats, absorbing my Son's love in them. He is their food of life. If they eat and drink this beautiful food, they will never die of hunger or thirst. My Son is their source of life, eternal life.

I will conclude more of this beautiful dialogue of my Son's Holy Mass with you, my son priests, soon in more detail.

I, your Father Almighty God, I convey this message to my humble servant. She is my Son's messenger for my Son Jesus' Second Coming.

My child, I thank you for this special time spent with us in heaven. I give my peace to you, your loved ones and upon the whole world.

[Fernanda] *Thank you, my Beloved Father. I love you with all my heart. Sua bênção*².

My daughter, my Son Jesus and his Blessed Mother are here to converse with you.

Mother Mary

² Portuguese to English translation: Your blessing

My daughter, I, your Mother Mary, say thank you for sitting with our Father, my Son Jesus and me, your Mother. My daughter, I know you need to join your loved ones in their sleep because of the early morning, getting up early to take your sister, my daughter, to fly to her birthplace. Oh, next time, we are going to take you there on your mission, not for leisure, but for your task.

My little one, your task, your mission is a very arduous one. Your time is just for my Son because my Son will take you to very far places. Oh, I will accompany you as well. I will be your tour guide for your mission. My Petal, there is still so much to be done – oh, your books, messages, to relay to my son priests. Know my child, the impact of the messages to my son priests: they will receive them with so much surprise and shock for all those teachings, the teachings given to you. My son priests and bishops will see that they come from my Son and our Father God.

My child, I have so much to convey to you, but I understand your duties, not [wanting] to keep my children awake for too long. I bless you. I will converse with you soon.

I give my blessings to you, your loved ones and all my children. Thank you for responding to my call.

[Fernanda] *Thank you my Beloved Mother. I love you. I say thank you for loving me and all your children. Sua bênção.*
