

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

God the Father's message to the world: it's time to repent, to read these messages, obey and listen to his Son's End of Times messenger

Father God, Jesus Christ, Mother Mary

Jesus Christ

My daughter, thank you for sitting with me, your Jesus Christ, my Father, the Holy Spirit and my Blessed Mother.

Father God

My precious child, I, your Father God, I am here to converse with you.

My precious child, thank you for your time spent in prayer with me, my Son and his Beloved Mother. Oh my humble servant, I, your Father, I am here to say to you that you have become ardent in prayer to us. It pleases me very much. My daughter, I am here to convey a message of love to you.

My child, I, your Father God, say thank you for being obedient to me, to my Son Jesus and the Holy Spirit. My little lamb, I, your Father, have a message to convey to the world.

My precious children I, your Father God, say to you that my Son Jesus' Second Coming is near. My people, it's time to repent before it is too late. My children, my Son's hand is getting tired. Oh, my humble servant Fernanda has been praying fervently the prayers taught, given to her – Mother Mary's tears of blood Rosary¹, which is very powerful, and other prayers given to her – but the world needs to listen to my Son's messages, to his messengers and visionaries, and my Son's living Word, the Holy Bible. How many of my people don't even know how to read the Holy Bible? My Son Jesus' teachings are all about my people converting and learning about my Son's desires and wishes for his children's salvation. The time is very near for repentance. I have given my humble servant [messages] about my Son's End of Times, about those three days. Oh, it will be horrible. Unless they repent in time to save themselves, the punishment will be very profound for my children to suffer. My Son pleads constantly to me for more time. Our little lamb, my humble servant, she pleads and pleads to me constantly for more time to the world, as Mother Mary told her to pray to me and to my Son, asking me for mercy on the sinners' souls, the nonbelievers, the lukewarm souls and much more. She intercedes to us as she has been told to do. Oh, she is our intercessor from earth to heaven. When she will be on her mission, which is soon, listen and absorb the messages given to her from my Son Jesus. Oh, my Son is trying to convey, to convert souls through his messenger, to bring them to salvation.

My people, I am your Father God. I came here to relay this message through my Son's messenger, my humble servant for my Son's Second Coming, End of Times. Listen, I repeat: don't ignore my Son's pleas and his Mother's call to save you all. Come now, the time is here. Obey my Son's teachings to save you all. Oh my people, my wrath, *ira*², it's been placated because my Son pleads and asks my humble servant with Blessed Mother Mary to pray, pray to ask me for mercy and compassion on their souls because I, your Father, can't take it much longer to watch my Son in so much pain because of this turmoiled, decayed, dismantled world. Oh, only strong, strong prayers can help this chaotic world. My Son has been asking many times: love one another, forgive one another, have unity in families, peace and much more. It's been said constantly to save this world in dismay disarray. I, your Father, say thank you for listening to this message. Take it into your heart and pray fervently. Help my Son's aching heart. Oh, his pains – it's unbearable to take, to watch helplessly!

My daughter Fernanda, I say thank you for your time.

I give my peace to you, your loved ones, family and the whole world.

[Fernanda] *Thank you, my loving Father. I love you with all my heart.*

Thank you, my Andorinha³. My Son Jesus, he is here to converse with you.

Jesus Christ

My daughter, my humble servant, I, your Jesus, say thank you for the special time spent with us.

My little flower, I, your Jesus, say thank you for all the prayers said to us in heaven. Oh, the singing was a balm to my heart. Oh, the angels were here and say thank you. They want more. Thank you for my favourite song, *Exulta e Canta*⁴ – it *enaltece*⁵, exalts my heart. My Andorinha, oh, your prayer, my Mother's tears of blood Rosary, for _____ and _____ was very powerful. Oh, I will concede the miracle soon to stop the addiction to alcohol. Thank you for your prayer in tongues of fire. Know, my child, the prayer, the healing took place in my holy name. You are my instrument on this. Keep in mind this prayer to intercede to us. Do not doubt your gift of praying a different prayer of tongues. This is a very special song, and the song of praise to my Father, the Holy Spirit and me, your Jesus, was like praying a litany, praising us, the Holy Trinity. On your mission, you are going to pray this prayer often over my children. When you are on your mission, the healing will occur through you, my channel, in my holy name. Oh, your gifts are very strong. You don't even realise it. Do not fear to pray over my children because you are my instrument. It's all about me, your Jesus. Soon you will see how your gifts of the Holy Spirit have been discovered to help my children.

My daughter, I see you are praying some novenas to the Holy Spirit in this Pentecost week. Oh, on my Pentecost Sunday, something very special will be placed upon you. Do not fear. I will place it upon you, and my Father also desires you to have it. Oh, my children will be astonished by the beautiful gift of myself placed upon you, and my Father's rare gift as well, of the Holy Trinity. He said to you that you do not think that it's not coming. Yes, it's been promised to you. My daughter, my Father and I have promised to you that we will place it. Time is near, it's here for you to receive it. You deserve it, the universe owes it to you. Oh, your purification has ended. I repeat, it's ended, is coming to an end because my Father knows that the time is here to place your gift upon you.

My daughter, I see you are concerned about my son João Neto, your loved one whom you love very much. Do not worry. You have been praying for him. You interceded every day for him. Do not worry, I have taken care of this entire family. What you care [for], I care [for] as well. I will heal my son John Neto. I know how much you love and care for this entire family.

My precious daughter, my Blessed Mother, she is here to converse with you.

Mother Mary

My daughter Fernanda, I, your Mother Mary, the Mother of your loving Jesus, I am here to relay this message to you.

My precious child, I am here in proxy to my children, to save them from the most horrendous pains, deaths. You have been praying intensely for this cause. I repeat, I want you to pray as you have been praying, but you have to be [doing so] more profoundly. Thank you. I know how you have been doing it with love. The manner in which you have been praying helps a great deal of souls, but this horrible cyclone is very strong, powerful against my people. My children should stop, listen and absorb all these beautiful teachings that are to love and save them all. I mean all of them. Oh, there's great concern coming from heaven about this cyclone. They are all praying for you, for their intercessor from earth to heaven. Oh, you are learning fast for you to start your mission.

Thank you for the beautiful Rosary said for more time to the world. Oh, it appeases my Son's heart and my heart. My daughter, I, your Mother Mary, I am very joyous with your work and also the tears of blood Rosary. My Son cannot refuse anything from me when this Rosary is said in love to me – feeling my tears of blood, my pains, at that moment is very crucial – oh, to describe it.

My Son will be with you to help you to write all the messages to my children. You have to relay, convey, them. They are not for you to keep them to yourself.

I bless you, your loved ones, family, friends, enemies and all my children. Thank you, my precious little one. I, your Mother Mary, say thank you. Thank you for responding to my call.

[Fernanda] *Thank you, my loving Mother. I love you with all my heart.*

Jesus Christ

I, your Jesus, say thank you for this special time spent with us. My little Andorinha, I want you to fly to your, *palhinhas*⁶, little nest. Rest – you need it. I bless you. My peace will be upon you, your loved ones and the whole world.
