

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Trials and hardships bring us closer to Jesus' Kingdom, but if people keep ignoring Jesus' call, the pains on this world will be inexplicable

Father God, Jesus Christ, Mother Mary

Jesus Christ

My daughter Fernanda, thank you for sitting with me, my Father, the Holy Spirit and my Blessed Mother.

My precious, I, your Jesus, say thank you for all the prayers, the prayers requests. My little one, do not waste your gifts and energy on petty things. I know your heart, your innocence in all these petty things.

...private message removed...

My precious child, I need you desperately, for many heavenly things, to help me, to bring souls to me. Your mission is more important than these issues. Do not worry, your financial help is on its way. I am your provider, your Spouse. I am taking care of you. Just pray for them, for their conversions. Time is here for your task, which is very prominent, important for the salvation of my children – that [must be] your main concern. The truth and only the truth will arise soon. I no longer permit your name to be falsely accused. You have endured many pains before because of foul language, sharp tongues, false accusations. My Petal, I, your Jesus, won't permit this to happen. I am the truth, the light for my innocent children. Be in my peace, my Andorinha¹.

My daughter, I see today that you went to see some of your loved ones. Oh, your heart was on fire, in so much love, to speak about me, my Father, the Holy Spirit and my Mother, but my children don't understand your love for us. Oh, you look at them with pity because you see them, looking only at earthly things. But you, my Petal, you know my messages and my Father's, you know our pains and anguish to save them, but they look at you as if you are a nobody, a fanatical churchgoer. Oh, you want to touch their hearts for them to come closer to me, to understand my pain to save them all. I was with you, as well as my Mother Mary. You wanted so much to teach them, to convey our messages. Oh, they don't see what you see with your knowledge. Soon, with your sign placed upon you, they will see a different dimension of your soul, your love for us in heaven.

My child, you love my children, your loved ones. Your great love is to see my people joyous. You want everybody to be financially well, but my Petal, you also went through and are still going through similar sufferings.

Oh, I saw today that my daughter “Judy” Judite called to say that her work has been retrieved, [coming] back to her. I received the thank-you, the gratitude from her heart. Oh, it pleases me when my children come back to me in thanksgiving. My daughter, thank you.

[Fernanda] *Thank you, my Jesus. My loving Jesus Christ, I want to ask you a big favour. Your daughter M_____ is in pain, broken hearted. She asked me, through your daughter Goretti, to ask my Jesus about her (your) daughter _____, to help her – please, my dear loving Jesus. She moved from her mother, your daughter M_____’s home, after 18 years of giving her what she needed, according to what she possessed. She moved to her father’s place because she wants the freedom to rebel because she has this girlfriend. She says she wants to be a “lesbian”. Oh my Jesus, your poor daughter M_____ is so broken-hearted, in pain. She says she has lost her. Oh my Jesus, I, your humble servant, I humbly ask you to help your daughter in pain. Thank you, my precious Jesus.*

My daughter, thank you for praying for my children. My Petal, I am aware of this situation with my daughter _____. My daughter, I have a message to relay to my daughter M_____, for this entire family...

My daughter M_____, I, your Jesus of Nazareth, I am here to convey a message to you. My daughter M_____, I, your Jesus, say, convey to you that I am aware of our rebellious, inquisitive child, our daughter _____. My precious daughter M_____, our daughter _____ has moved her entire life, for a long time, in a different dimension of life, of things in life. My precious child, know that my enemy, my adversary, attacks and destroys families. His aim is to have discord, disharmony between families. He hates, unity, peace and love in my children. I have heard all the prayers, Rosaries and prayers requests. My Blessed Mother heard all the prayer intercessions and Rosaries said to her. My Father, the Holy Spirit and I, we are aware of these meticulous pains, sufferings, trials and hardships that you and your loved ones are undergoing at the moment and what you underwent before. But my precious children, you placed our daughter in my hands. I received and I have taken [all your prayers] into the abode of my heart. Do not despair or become despondent with this situation because I, your Jesus, I am the healer of thee. I am the Alpha and the Omega. With me, nothing is impossible. Know, my daughter Maria, that prayers move mountains. My daughter, pray, pray. I am with you and your loved ones. My child, I will restore peace and unity in families. I created our daughter _____. I gave her the Breath of Life. She is my daughter too. She is our daughter. She is in my care. I entrusted her to her earthly parents to take care of her. She is my child whom I created with so much love. My daughter, do not doubt your faith in me. You did your best to take care of our daughter. There is no one to be blamed. I, your Jesus in heaven, I see, I hear everything: your tears shed with so much pain, your sufferings and your loved ones’. But, my daughter, through trials, hardships and tribulations, I bring my children closer to me, to my Father, to the Holy Spirit – the Triune God – and my Blessed Mother. My daughter, pray without ceasing. Dry your tears. Give your pains to me and my Blessed Mother. Pray always to the Holy Trinity. Oh my child, the Holy Trinity prayer is the most powerful prayer you can pray to heaven. Just trust me, your Jesus. Trust with all your heart.

I, your Jesus, your God, your Lord, I came at this hour to give, convey this message of love, courage, faith, strength and trust in your Jesus, through my humble servant, my messenger.

I give my peace, my peace I give to you, your loved ones, family, friends, enemies. Oh, my child, pray for your enemies and for the conversion of sinners, for this chaotic world. Pray for my youth to come to my heart. My Blessed Mother, she is here to bless you and your loved ones. She will wrap you and

your loved ones with her Divine Mantle to protect you against the foe² of the enemy, from any dangers.

I, your Jesus, your God, your Lord say thank you. What I ask from all my children is to love one another, forgive one another as I forgave my enemies, come to Confession, repent, come to my Holy Mass and receive my Precious Body and Blood worthily. I will concede many graces to families. Pray the Rosary as a family – that’s my dear Mother’s request to all our children. My peace be placed upon all my children whom I love dearly. I want to save them all.

[Fernanda] *Thank you, my loving Jesus. I love you.*

Thank you, my precious little one. My dear Father, he is here to converse with you.

Father God

My daughter, I, your Father God, I am here to converse with you.

My daughter Fernanda, I have been waiting with my Son Jesus to converse with you. I was listening to my Son’s dialogue with you. Oh, my child, my Son’s message to our children for you to relay to my people, given to you by my Son Jesus... Oh, my little Petal, your mission, task is a very prominent for my people’s lives. You are our messenger. It’s also part of your task to relay their private messages to alleviate, compensate our children’s aching hearts. Oh, sometimes their trials and hardships are very difficult, but my people have to endure pain to come closer to my Son’s Kingdom. Teach all this to my people.

My Petal, I, your Father, the Holy Trinity, I am here to relay, convey, a prayer to my children to intercede to the Holy Trinity in their times of hardship, trials and tribulations – a prayer to heaven to ask for help from the Holy Trinity. My child Fernanda, I, your Father God, teach you this prayer request from the Triune God...

My Father God, my living Jesus Christ and the Holy Spirit, the Three-in-One Persons, I, your child _____, I am here on my knees to humbly ask this prayer request from my Holy Trinity, the strongest prayer from heaven to earth, to concede this favour that I, your child _____ ask you from the depths of my heart, to help me in this necessity, in this most painful time of my aching heart ...include request....

I will always be grateful for this special favour given to me, your child, in despair, in need of help. I thank you, my Holy Trinity, my Triune God, for loving us all, your children, with an infinite love. Amen.

My daughter, then pray one [Our Father](#), three [Hail Marys](#) and one [Glory Be](#) in honour of the Holy Trinity.

Conclude with a [Hail Holy Queen](#), then say...

My Holy Trinity, come, rescue, save your people. Amen.

My daughter, I, your Father God, say thank you. Relay, make copies and give them to my people to pray to us in heaven. The prayer name is “Prayer intercession to the Holy Trinity when in most need of help”. Thank you, my humble servant, for your time spent with me, my Son and my Blessed

Mother. I give my peace and love to you, your loved ones and upon this world. I, your Father God, say thank you.

[Fernanda] *I love you, my Father Almighty, with all my heart. Sua bênção*³.

Thank you. I love you too.

Blessed Mother, she is here to converse with you.

Mother Mary

My daughter, I, your Mother Mary, I say thank you for your time and patience to sit with my Son Jesus, our Father and me, your Mother Mary. My little precious one, I have a very special message to relay, convey to you. My dear child, I, your Mother Mary, I am here to relay this message with my Son Jesus.

My little lamb of your Mother Mary, of my Son Jesus, I say to you that soon, my Son will place your gift, your stigmata of his love upon you. Do not worry about malicious things, petty things, gossips infiltrated through jealousy. My little one, your mission is a very powerful, different, rare one. You are not going to have time for functions, for worldly things. Your time consumed will just be to help my Son to save souls. You will embark on your task to help my Son to rescue the scattered sheep, the flock, from peril because the time is near for you to start, to be concerned with only helping my Son to save souls – that's what my Son aim is – because our Father is waiting for my Son to give him the sign to place his hand on the world. He will turn this chaotic, troubled world into the most horrible world – too painful to describe in words.

My child, you know our Father's messages. You try to relay them to some of my children, but they turn a deaf ear. Our Father is very merciful, so is my Son Jesus, but if the world does not turn to conversion, repentance and prayer, soon my Son's hand will fall down and then my children will suffer endless pains. I know, I see that when you converse with my children, you want them to be aware of this, but then they turn the subject into a different conversation. Oh yes, you are a fanatic of my Son's love. When you speak about my Son, your face radiates that love, but my children have become blind to that. My child, our Father says that he will soon place the sign of the Holy Trinity upon you, then you will be free to proclaim my Son's living words to the world.

My daughter, I, your Mother, I am here to relay this message to let you know that all your worries about your finances, your priorities, will be solved in my Sons Jesus' holy name. My Son is your Spouse, you are his bride. Thank you, my humble servant, for sitting with me, your Mother Mary, and the Holy Trinity, for being my Son's messenger to help our children in despair. Thank you for your love towards my people when they have lost the faith and courage to persevere.

I bless you, your loved ones and the whole world.

[Fernanda] *Thank you, my Blessed Mother, for loving me and all you children. I love you very much. Sua bênção.*

I love you too, my Petal. Thank you for responding to my call.

Jesus Christ
