

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Father God, Jesus Christ, Mother Mary

Father God

My daughter, thank you for sitting with me, your Father, my Son Jesus Christ, the Holy Spirit and Mother Mary. My daughter, I, your Father, I am here to converse with you.

My humble servant, I, your Father, say thank you for all the prayers said to me, the intercessions for my children. I thank you for all the prayers asking me for forgiveness, mercy and compassion on them. I am pleased – you have been praying all the prayers given to you. My child, make copies of certain prayers for my people. My Son and I will provide all the necessities for you to have copies made. They will help a lot of my people.

Oh, thank you my little lamb, for relaying my message of love. I was very pleased with that. Do not fear to relay them because they come from me, your Almighty Father God. I am the power, the strength, with my Son Jesus, your Saviour, and the Holy Spirit, with the Breath of the Holy Spirit within you to proclaim these messages in my Son Jesus' holy name. All the power, honour and glory to my Son Jesus! You are my Son's messenger. He has given you the authority to relay, convey my messages, his messages and his Blessed Mother's to the world. My little lamb, do not fear criticism because my Son chose you for his glory, to be known by his children, for the lost, astray sheep. Oh, many souls need to be retrieved into my Son's heart, and you, my Petal, are his hope on this, to help my Son's aching heart, seeing his creation, his own flesh and blood perishing – that's my Son's worst pains. So do it in my Son's name, help my Son. My humble servant, when you read out, spread, expand my Son's messages, you alleviate my Son's aching heart because by doing that, you plant a seed. Even if it's in dry soil, with time, it will be watered and the fruit from the harvest will be reaped into Son's heart.

My little one, I, your Father, say to you today that tomorrow will be another fruitful day to carry on with the mission entrusted to you. Just be open to the eyes of your heart. The light will be coming to you soon for you to see the beautiful, fruitful harvest, to be pruned, to pick up the fruit from the dry trees. If you carry on with my Son's messages, the task, mission, oh, you're going to be so embraced in your work, in helping my Son. Oh, the rewards in heaven! It's the most rewarding to save all those souls being scattered, waiting for you to bring them to my Son's heart. Oh, many conversions will take place through your *esforços*¹, your hard work. Thank you, my humble servant, for being obedient to the Holy Trinity.

I give my peace to you, your loved ones, family and upon the whole world.

I, your Father God, say thank you for your time consumed with me, my Son and Blessed Mother.

[Fernanda] *Thank you, my loving Father. I love you with all my heart. Sua bênção², my Father and my Holy Spirit of my life, my Breath of Life.*

Jesus Christ

My daughter, I, your Jesus, say thank you for being with my Father and me, your Jesus, for this love.

My little Petal, I was very joyous about tonight, with my Father's message of love. I see you also wanted to read out my Mother's message about love that was given to you, but you didn't. You fear that it will make some of my children say that it's too long or that it's enough. I understand the consequences after the last episode there.

[Fernanda] *I am sorry, my Jesus. I want to relay, but I don't feel free to do that.*

My Petal, I am aware of that, but soon, with the sign placed upon you and nothing will stop you from that.

My little one, I know you have a request to ask me.

[Fernanda] *Thank you, my loving Jesus. My dear Jesus, your daughter Michelle, with your guitar melodies, singing praises and thanksgiving to you in your temple to help your children to be in tune with your love, she asked me, to ask my precious Jesus about a request that's been deep in her heart, about an apartment, flat, she intends to buy. But it seems now that the owner is not too keen to sell. She asked my Jesus if it's not for her to buy, please my Jesus, to give her peace in her heart because she says that otherwise she will be very cross, upset with him, your son. My Jesus knows better than me who your son the seller is. Thank you, my loving Jesus. I praise you, I adore you, I thank you, I love you.*

My Andorinha³, I, your Jesus, say thank you for your time spent explaining everything in detail to me. My child, I know all about this. Even before my children are born, I am aware of what is going to happen to each one of them. My daughter, my humble servant, I, your Jesus, I have a message to convey to my daughter Michelle...

My daughter Michelle, I, your Jesus of Nazareth, I come to you at this moment, to convey to you a message of love, thanksgiving, gratitude and appreciation for the beautiful, arduous work done for my children to feel my love and the love of my Father, the Holy Spirit and my Blessed Mother. Oh, the singing, melodies and praise and worship in my church, temple, with all your heart given to us in heaven is the most beautiful, joyous present given to us. It's a balm to my aching, pierced heart and my Mother's. The sacrifice to come regularly has been seen by me, my Mother and my Father. It's been written in the Book of Heaven in letters of gold for one day to be opened in eternity.

My daughter Michelle and your loved ones, I, your Jesus, your God, your Lord, I have seen all your hardships, trials and tribulations in the course of your lives, but my child, I, your Jesus, I have been with you and your loved ones in the midst of the rough seas. When the boat seemed to sink, oh, I was your rowing, your anchor to bring you safely ashore. I never, never abandoned or forsook you or

your loved ones. I was your footprints to guide you when you couldn't carry on with your cross. I helped you to alleviate your cross. I always send you earthly angels to help you and your loved ones.

My daughter, I, your Jesus of Nazareth, I am here again to help you with your heavy heart. Oh my daughter Michelle, I, your Jesus, I want to relay to you about your concern, how to solve this issue that's been in your heart. My daughter, be in peace with this. Pray always. Know, my little one, with me, your Jesus, nothing is impossible. Prayers move mountains. Know, my child, I only concede to my children in my own time what is best for their lives ahead. I see, I know my children's futures. I know what's best for them because I created them, I gave them the Breath of Life, so they are mine. Just trust me, your Jesus. I will give you what is best for you, for your soul and spirit to be in my peace, my love. I have taken care of this episode. You placed it in my hands and I have taken it into the abode of my heart. The rest is a mystery that belongs only to me, your Jesus Christ.

I give you my peace, my love to you and your loved ones, family and the whole world.

My Blessed Mother, she is here to say thank you to you for your time spent with her in singing and praising, for the most joyous moments when her Immaculate Heart has been in so much pain because of so many sins perforating her loving heart. She says, "Oh my daughter Michelle, it's moments like these that bring some joy to my heart and my Son's Sacred Heart that is being pierced with a crown of thorns. It's worse than when it was placed upon his head. My daughter, pray for the conversion of sinners, for the lukewarm souls. I thank you for all the Rosaries said to me and all the prayers, the prayers requests. I will cover you and your loved ones with my Divine Mantle to protect you and your loved ones from the foe⁴ of my adversary, from any dangers of this troubled world. I bless you all abundantly. My Son Jesus always protects, saves and helps our devoted children. The Holy Trinity will be your shield."

Thank you, my daughter, relay this message to my daughter Michelle.

[Fernanda] *Thank you, my Beloved Mother. Thank you, I love you.*

My daughter, my Blessed Mother, she will conclude the dialogue with you and my dear Mother.

Mother Mary

My daughter, I, your Mother Mary, say thank you for being our messenger to help our children's disturbed hearts, for being our intercessor, our *remediar*⁵ to help to bring joy and peace to their daily lives' pains and uncertainty.

Oh my child, I, your Mother Mary, I want to convey to you about my daughter Celeste's request. She asked you to be my intermediary for my request of my prayer group being placed upon my holy grounds, Mother of the Rays, in conjunction with me, your Mother of Fatima.

My daughter Francesca, I, your Mother of the Rays, I come to you at this hour through my humble servant, to convey, relay this different, unique request. I, your Mother of the Rays, I am here in proxy for my children of this prayer group. My request is that on the 13th day of October I want a day of prayer in conjunction with the Mother of the Rays and Nossa Senhora de Fatima⁶, Our Lady of Fatima's [prayer groups]. I want my rosebuds and I want my prayer group at Our Lady of Loreto to be open for a day of prayer, to pray for this chaotic world, [to stop] abortions, for my youth, my Church, my son priests, to ask my Father and my Son Jesus for more time for the world because my

Son's hand is getting too tired. I have run out of words to plead and to ask my Son to give us more time to the world. Join forces together to combat my enemy's evil tricks on this special day of prayer. My daughter, I, your Mother of the Rays, I want my holy grounds to be open all day, for my children to come in prayer as I request. Even if some of my other children are there, they are welcome to come in prayer. There are no limits or chosen ones, they are all my children with the same love towards them. Oh, my Son and I love our children equally. We don't pick and choose; we don't have favourites. What I want is to save them all. Thank you, my daughter Francesca, for being obedient to my call. I, your Mother of the Rays and Our Lady of Fatima, in unity of love, say thank you for your time spent listening to our message to help to bring souls to my Son's aching heart.

I bless you, your loved ones and the whole world. My Son Jesus Christ gives his peace to you, your loved ones and upon the whole world.

Thank you for responding to my call.

[Fernanda] *Thank you, my loving Mother of the Rays, Fatima. I love you.*

My humble servant, thank you. Relay this message to my daughter Francesca.

Jesus Christ

My little one, I, your Jesus, say thank you for being obedient to my Mother's call. Oh, my Blessed Mother, she is very pleased with this special day of prayer. Oh, my dear Mother tries everything possible to bring souls to my heart. My Mother's pains! You know how much my dear Mother pleads to me, constantly asking me to give more time to the world. I am very joyous with my children, the prayer group of Our Lady of Loreto, for listening to my Mother's call. I will bless this prayer group, their loved ones, families, my devoted children. Thank you.

My humble servant, I, your Jesus, say thank you for this special time. Oh, do not feel so sad, uptight in your heart, because you don't see our son Frank succeeding in life. I repeat, our son's future is in my hands for a special mission to be accomplished in my holy name. I want you to know that his finances are here. I want you to sit and kneel in prayer to me, in peace of mind. Trust me, your Jesus, it's been placed in my heart for our son to work for me.

I bless you, my peace be placed upon you, your loved ones, family and all my children.

[Fernanda] *Thank you, my loving Jesus, my Father, the Holy Spirit and my Blessed Mother. I love you all with all my heart. I praise, I adore you. All honour and praise be to our God, our living Jesus Christ for all eternity. ♥♥♥♥♥ I love you all. Beijinhos⁷ to my Jesus.*
