

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Father God

My daughter, thank you for waking up and sitting to converse with me, your Father God. My precious child Fernanda, I, your Father, I have this urgent request to relay to you at this hour of the morning. I, your Father, I am here [in] desperation to convey, to relay, this message for you to relay to my son priests about this disarrayed, disturbed world in need of reparation. I, your Father, say to you, my Andorinha¹, tell this to my son priests. Do not fear to open your heart to speak out about my Son.

My son priests, I, your Father God, I am here with my Son Jesus' messenger. Oh, she was resting at this hour of the morning, but she is my obedient, humble servant, to relay to you, my sons. I, your Father, I have this important message...

My sons, my Son Jesus' Second Coming is soon, it's approaching because every day, this sinful world is turning more and more into decay, destruction. My churches, my temples are getting fewer and fewer of my sheep. [My sheep] are lost. Oh, the enemy is succeeding in destroying my Son's Church. My son priests, it's going into decay because my son priests are in need of reassurance about my Son's commandments, not manmade laws. My Son's Church urgently needs reparation to be saved. Prayers are very important. It's in need of recuperation before it's too late because the enemy knows that without my son priests to consecrate my Son's Precious Body and Blood, my Son's Church will decay and my children's souls will perish without the Bread of Life.

My son priests, my humble servant has a message given from me, your Father God, to pray for my son priests, for my Church, to help to combat the enemy on this. My sons, my bishops, time is very precious to waste on debates of other issues. What's important is to save my Son's Church from being in decay, [from being] destroyed without repair, before the enemy comes like a fox to trap the *presa*² with his evil tricks to confuse my priests, the clergy and the head of the Church, my son the pope, my shepherd of my flock to save it. My sons, I, your Father, I am here to plead, to ask of your time to reap the dry harvest [by bringing it] into fruitful soil. Let my Son's messenger help recollect what has been going into pieces. [Enable her] to come, to be used in a different way of life. My sons, my Son Jesus has been placing, giving special gifts to his children to help to save our church, our son priests, our youth from satanic work, to save our children from this obscure place of hell – it's very painful to watch our children suffer in damnation of their souls.

Thank you, my shepherds, for listening to my call.

I, your Father Almighty God, say thank you for your time spent to try and help our flock, my sheep.
Oh, Confession! It's the most arduous work to bring them to my Son's heart. Persevere, my son
priests, with Confession – your special gift entrusted to you all to help to save souls.

I give my peace to you all and upon the whole world.

My Andorinha, oh, you need to rest in your *palhinhas*³, your nest.

I give my peace to you, our sons, your loved ones and all my children.

I, your Father, say thank you.

[Fernanda] *My loving Father, I love you. I am here to serve you, my Holy Trinity and my Blessed Mother, with all my will. I love you, my Father. Beijinhos*⁴ xxxxxx.
