

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Don't ignore these messages and prayers from God – good deeds, humility, simplicity, loving and forgiving others are Jesus' priority

23/06/2011 at 00h45

Father God, Jesus Christ, Mother Mary

Father God

My daughter, thank you for your time spent to sit with me, your Father God, my Son Jesus Christ and Mother Mary.

My precious child Fernanda, I, your Father, I am here to say to you, thank you for all the prayers said to me. I received them. My child, your time is limited now. It's only for us in heaven, to pray to us, to intercede for our children and to pray all the prayers entrusted to you. Write down everything and pray as much as possible, as you can.

My little one, I see, I know, your pain about our son Frank and your finances. I repeat, it's in my Son's hands. He has taken [everything] into the abode of his heart. He is taking care of you. We are aware of your payments that need to be made. My Son has chosen you, so he is aware of your heartache about this issue. Be in our peace. [May] the Holy Trinity's peace come upon you and your loved ones.

My humble servant, I, your Father, I am here to convey this message to you, our messenger to the world. Time is near. Oh, it's approaching for your big day, for your sign to be placed upon you, for you to be known as my Son Jesus' messenger to the world. Oh, your time is too meticulous to be wasted on petty, *misquinhas*¹, gossips. Do not worry if some of your sisters or brothers in Jesus Christ are out of your path. My Son has a reason for that. Oh, my Son keeps your surrounds clean, out of impurities. My Son purified you like gold, so your pathway, the surroundings have to be kept in a good condition of purity, clean, to be used by you for my Son's work. Oh, some of your loved ones, friends, they don't comprehend your rare gift. They are not aware of how you are in a different way of life, a different dimension from my children who are not able to see how you have been purified. But soon they will see the reason. Oh, you tried to explain about your rare gift, my Son's messages. Oh, they turned the music to another, different station. Oh, they're ignorant as to how your rare gift is going to be expanded, spread soon.

My Petal, I, your Father, I have a message to relay to my people.

My children, I, your Father, I am here in conversation with my humble servant, to say to you all, my people, don't ignore my Andorinha², my humble servant's messages. She has been given so many messages without your knowledge, to help to bring souls to my Son Jesus' Kingdom. She has been

¹ Portuguese to English: petty

² Portuguese to English translation: Swallow

given prayers to be said, to be prayed. My people, soon you will see how my Andorinha is to us in heaven. Oh, my Son chooses simple, humble children who forgive their enemies like my Son does – with the same love and way towards their persecutors. My people, know and try always to follow my Son's teaching because my Son is in desperation for my lost flock, my sheep, to be found through his servants, messengers, visionaries, to be saved from their sinful lives. My Son Jesus' hope is servants to serve him with love and humility, humbleness. Vanity is not from my Son because heaven sees everything. Status, riches and certificates don't enter in my Son's Kingdom. Only the good deeds, simplicity, loving one another and forgiving one another are my Son Jesus' priority in heaven. Come, my people, to my Son's Kingdom with your hearts full of heavenly riches. These are riches for my Son Jesus Christ's honour and glory.

I, your Father God, say thank you for this special time spent with me, my Son and my Mother Mary. I place my peace and love upon your hearts, your loved ones and the whole world.

[Fernanda] *Thank you, my loving Father God. I love you. Thank you for this infinite love towards us, your people.*

Jesus Christ

My daughter, I, your Jesus, say thank you for this time in conversation with my Father and me, your Jesus. Oh, thank you for coming and visiting at my tabernacle. It was appealing to my aching heart. Thank you for relaying the messages to my children. You must relay all of them.

My daughter, I heard the prayer for my son Raywin. My Petal, I have a message to relay to my son Raywin...

My son Raywin, I, your Jesus, your God, your Lord, I am here to convey this message to you. My son Raywin, I want to say thank you for all the prayers, prayer requests said to me, to my Father, the Holy Spirit and my Blessed Mother's Rosaries. She says thank you for all the Rosaries prayed to her and for the love and patience to come and keep me company at my tabernacle, my Blessed Sacrament. Oh my son, I am very pleased with you for your sincerity, chastity, purity of heart, trying always to please me, not to hurt me. Oh, it's like a balm to my heart. Very few of my youth have the sincerity and purity to please me as per my commandments.

My son, don't be concerned about who is going to be your spouse. I know the desires of your heart, your wishes. My son, before you were conceived and born, I, your Jesus, chose your spouse, your life, your sorrows, pains, trials and your joyous times as well, as I produced for you all the sun, the rain, the day, the night, the stars and [everything] all over the world. My son, I have seen your sighs, your tears, joys, your love and all the prayers to me to my Father, the Holy Trinity and my Father, my Mother Mary. My Son, I am aware of all your desires.

My Son Raywin, about your melodies, your music played at my tabernacle, the singing – oh, it alleviates my pierced heart with joy. I thank you for the many times you praised and sang to me with your melodies – it entwined my heart and my Blessed Mother's. My Son, have faith, courage and strength, persevere on this road of being my musical instrument. In my own time, everything will fall into place. Do not become despondent with this issue because I, your Jesus of Nazareth, will bring into the light what has been kept in the dark.

I say thank you for the many hours spent with me in my Blessed Sacrament. It's all kept and written in the Book of Heaven to be read out one day on the day of your last breath on earth. Thank you for your time spent in Adoration to me and for this time to listen to my message given to you through my humble servant, my messenger.

I give you my peace – to you, your loved ones, family, all your enemies and all my children. My Mother's Virginal Mantle covers you to protect you from any dangers of this chaotic world.

Pray for the conversion of sinners, the nonbelievers and for the world in decay. I, your Jesus, your God, you Lord, say thank you for this special time.

[Fernanda] *Thank you, my loving Jesus, my Blessed Mother. I love you.*

My daughter, my Blessed Mother, she is here to converse with you.

Mother Mary

My daughter, I, your Mother Mary, I am here to say thank you, my Petal, for sitting with us with so much patience, always late, never concerned with the time spent with us. Your priority is to be with my Son Jesus, our Father, and me, your Mother Mary.

My little Petal, I, your Mother, I am here in so much pain because I see that the world is going more and more into a different dimension, [away] from peace, love and unity. Oh war, war, is destroying many souls, because killing is the victory – power and glory to men is their concern. My Son Jesus, God, doesn't exist to them. The words "God" and my Son "Jesus Christ" are not remembered by the leaders, by the world at war, who are in disturbance of power and glory. Oh, my Son, our Father, the Holy Spirit and me, we watch all of this malicious venom, evil, done to the world. Innocent children, innocent people die constantly because of war, pain, suffering, thirst and hunger. Many, especially my innocent children, are dying because of war, malnutrition, being underfed. Oh, my heart, my Son's heart! We see, we watch this constantly, every second of the day. Oh, our pains! My child, do you understand how our hearts are perforated, like [with] a crown of thorns, to be a witness of all this carnage, the atrocities upon my children. It's horrific to see all this. Only a few of our children with their love alleviate our aching hearts. My Petal, your kisses given to us in our hearts are like medicine rubbed into a deep wound – the more you rub, the more the wound gets healed – so are your kisses to our pierced hearts. Thank you, my Andorinha.

I bless you, your loved ones and all my children. My Divine Mantle is placed around you and your loved ones and all my children. Have a blessed night in our love, tender love. Thank you for responding to my call.

Jesus Christ

I, your Jesus, I give my peace and love to you, your loved ones, family and the whole world.

[Fernanda] *Thank you, my Lord, my King, my Spouse, my Saviour, my Holy Trinity and my Blessed Mother Mary. I love you all. Sua bênção³. Thank you for everything, the graces and blessings upon our granddaughters and our grandson and all your children. ♥♥♥♥ I love you. Beijinhos⁴ xxx.*
