

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

People need to be taught how important the power of prayer to the Holy Trinity is and to be open to the Holy Spirit – the key to heaven

Father God, Jesus Christ, Mother Mary

Father God

My daughter, thank you for sitting with me, your Father, my Son Jesus, the Holy Spirit and my Blessed Mother. My little one, I, your Father, I am here to convey this message.

My little one, I, your Father, say to you that you are my Son's messenger to the world. Oh, my people ignore your messages.

My son priests, my Church, my clergy, I, your Father, say to you that the time is soon here for my Son's messenger, our humble servant, to be known for relaying my Son's messages, my messages and Blessed Mother's to the world. Oh, today, I saw your disappointment in my son priest, Father _____, for not believing in the messages given to you. Soon, my humble servant, the sign will be placed upon you. Oh, the stigmata placed with my Son's love and my Holy Trinity's sign will be a sign of strength and courage for my children to pray to the Holy Trinity.

My Petal, oh, this world is in dismay. There is so much pain in my children's hearts. Oh, there are so many atrocities being caused because there is not enough prayer in families. Oh, my people need to be taught about how important the power of prayer is. My sons, my clergy, it's time to be open to the Holy Spirit in our churches, our temples. The Holy Spirit is the light in the darkest of times of my children's souls. Oh, the Holy Spirit is the strength in my children's lives, the Holy Spirit is the key to heaven. The Triune God is the most powerful prayer. Oh my people, open your hearts completely to the Holy Spirit. Oh, many gifts from the Holy Spirit have been placed upon my people, but my people have closed the door to him. The Holy Spirit brings clarity to my children's lives when they are like at a T-junction. Ask the Holy Spirit to enlighten you with wisdom to guide you to the right path of life. The Holy Spirit brings my children closer to my Son's heart, to my heart, to their salvation. Do not reject the Holy Spirit from entering your heart. Open the door, the door of your closed heart. Oh my people, the Holy Spirit is very strong in prayer in conjunction with me, your Father and my Son Jesus. Oh, believe in the gifts of the Holy Spirit to infill your empty vessels. My people, I, your Father God, I am here in unison of our voices to sing and praise, alleluia to the Most High, all honour and praise to the Holy Triune God. Amen.

My daughter, I, your Father God, say to you thank you for your time in helping my people and teaching them about us.

I give my peace, my peace I give to you, to your loved ones, family and the whole world. Peace be placed on earth.

Jesus Christ

My daughter, I, your Jesus, I am here to convey a message of gratitude and appreciation to you and my daughter Alice for visiting and praying with my son Manuel Felix Capelaco. Thank you for praying my Divine Mercy Chaplet by my son Felix. Thank you for being obedient to me, the Holy Spirit and my Father. This was necessary!

Oh, thank you for helping my daughter Rita to come to Confession, for helping her with her unforgiveness of heart. Oh, her pain is like a crown of thorns in her heart. My daughter, I have a message of love to relay to my daughter Rita and my son Fernando. My daughter Rita, I, your Jesus of Nazareth, I am here to convey this message to you and your loved ones.

My daughter, I, your Jesus, I have seen your pain, hardships, sufferings in the course of these years, and my daughter Rita, I am aware of your heart ache, your ache in your heart. Oh, I was in the midst of your tribulations with your loved ones, all of you, my children, being abused, but my child, I was with you and your loved ones. I never left you alone or forsook you. I was your anchor when the tide was very strong. I was in the midst to calm the sea. Oh, I saw all your tears shed in despair, fear, terror of the most horrible pains. My child, I, your Jesus, I love you and all my children. I died on my heavy cross to save you all. My enemy's aim is to destroy my families. He tries the hardest to take my children into disharmony, discord. I love peace between my children. Oh my daughter Rita, I saw, I know what you underwent in so much pain. My child, I, your Jesus, your God, I was falsely accused of a crime I never committed. I was taken into a prison. Oh, what I underwent there! I was stripped, *despido*¹, of my clothes. Oh, my dignity! Then they spat on my face. They cut open my flesh until I didn't have any more blood to come out of me. My sweat was sweat of blood, then I had only water coming out of me. I carried a cross weighing more than 30 kilograms. I fell three times and I couldn't get up, but when I looked up, I saw you all, my precious children. That gave me the strength to carry my cross until the end. The reason? My love to you all, to save you all, to bring you into my Kingdom to sit with me, my Father, the Holy Trinity and Blessed Mother at the Banquet of the Lamb. Oh, my precious children, I cannot describe my pains, and my children will never know or understand what my pains were – the crucifixion with those big, huge nails, being nailed into that cross. Oh, and to hold myself up on that cross – it was the most horrendous, indescribable pain! But my child, my Blessed Mother was next to me, watching my sufferings in silence. She knew I had to go through it to save you all. My beloved children, this is love, which my children don't want to see or take. But my precious child, I, your Jesus, your God, while I was on my cross, I called my Father, "Abba, Father, forgive them, forgive them, my enemies, my persecutors, because they don't know what they are doing." I came to save, not to judge, because my only aim is to save you all.

My daughter, my children, I, your Jesus, what I ask from all my children is to love one another as I love you. Forgive one another's mistakes, faults and errors as I forgave my enemies. What I want from all my children is love, peace and unity between families. My daughter Rita, my son Fernando, I, your Jesus, I want to say, to ask from all of my people to come to Confession. Come to my Holy Mass and receive my Precious Body and Blood worthy of me. My children, I am alive in my Eucharist. My son priests consecrate my Precious Body and Blood. I am no longer a wafer; I am alive for you all: my own flesh and blood. I give a special gift to my son priests on the day of their Ordination to celebrate my Holy Mass, to consecrate during Mass, during my Elevation, my Precious Body and Blood, and to hear Confessions. Oh, I am in the Confession box with my son priests to absolve you, my children. Do not fear Confession. When my children come to Confession with contrite hearts, oh, it pleases me very much. I forgive all their sins, even the most horrendous sins. I, your Jesus, clear

that Black Book of Heaven. Know, my children, there are two books in heaven, and all the good deeds are written in the Book of Heaven in letters of gold to be read out one day in eternity. Know, my precious daughter Rita, I, your Jesus, say thank you for today, for coming to me in Confession, for your sincere, painful [Confession] with a clean, pure heart. Oh my child, that's what I want from my children, always, regularly, to receive me worthy of me.

My Blessed Mother, she is here to convey a message to you both.

Mother Mary

My precious children, I, your Mother Mary, say thank you for your time spent listening to this message from my Son Jesus and me, your Mother Mary.

Do not fear anything. I will wrap you both and our precious little one to be born soon into the world. I will protect you from any dangers, from the foe² of the enemy. Pray, pray, my precious children, pray the Rosary as a family. A family that prays together, stays together. Pray for the conversion of sinners, for the nonbelievers, the lukewarm souls, for this chaotic world in need of prayer. Only prayers can save this dismayed world.

I bless you abundantly and I place a special blessing upon my little one. I will guide you always. Open your hearts, my children, to my Son's heart. Let him enter your hearts, your homes. My children, my request is to love my Son Jesus with all your hearts. Oh, when you love my Son, you love me, and vice versa.

Thank you for your time spend with me, your Mother Mary, the Mother of the Saviour of the world.

Jesus Christ

I, your Jesus, I give my peace to you, my peace I give to you, your loved ones, family and all my children. I came to relay this message of love, faith, trust in me, your Jesus Christ, appreciation, courage and perseverance in life, through my humble servant, my messenger.

[Fernanda] *Thank you, my loving Jesus. I love you.*
