

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Jesus answers our prayers in the way that is best for us, and it's time to obey his call in these messages to be saved from horrific sufferings

Father God, Jesus Christ, Mother Mary

Father God

My daughter, thank you for sitting and conversing with your Father God, my Son Jesus, the Holy Spirit and my Blessed Mother.

My dear daughter, thank you for today, for helping my children. My humble servant, I, your Father God, I have this special message to give to the world about my Son's Second Coming.

My precious children, my people, I, your Father God, I am here with my humble servant, our messenger for my Son Jesus Christ's Second Coming. My people, I am here in pain to convey this message to you all, to the world. Oh my people, time is near, time is running out, because my Son Jesus' End of Times is approaching, oh, very soon! I am here in pain because I see my Son Jesus' aching heart and his Blessed Mother's. I see my Son's pains, wanting so much to save his children, the world, from horrible, horrendous sufferings, pains. My Son's heart is so pierced and yet the world doesn't see, doesn't want to believe what is going to happen soon. Oh, if only my people, the world, would repent, pray, come to Confession and closer to my Son's loving heart. I am in pain because I see my Son's sufferings because of so many sins, and our children constantly being in peril. I am in pain because my heart turns to my Son's compassion towards his children and I, your Father, have to see what my Son's pains are and [then] to see, hear, my Son asking me constantly to give more time to this decaying world! I, your Father God, I love my Son dearly. I obey my Son's pleas, begging me, "Please, my Father, have compassion to see if they will come closer to me." I love my Son as I love you all, my people, but my Son paid the price 2,000 years ago to save you all. I allowed my Son to be crucified, but it's time now for my people to see – my Son can't pay the price again. You, my people, have to help my Son on this, by repenting and listening to my Son's messages that he has been giving to my humble servant, and to the other messengers all over the world, to save the world. His Beloved Mother Mary cries tears of blood to see the world in this turmoil, chaos, destruction, and there is no remorse or pain for their sins. His Mother walks all over the world [appearing in] apparitions to visionaries for this reason, for conversions, to bring the sinners to her Son's heart. She knows what is going to happen to you all, to her children, the pain and suffering, seeing them in peril. When they come to eternal life, it's very painful if they perish on their judgment day, on their last breath on earth. My people, listen! Don't turn a deaf ear to my Son and his Mother's calls for the salvation of your souls.

I, your Father God, say thank you for listening to this message of love, consideration and apprehensive care towards you, my people.

Thank you, my humble servant, for your time spent with us. I give my peace, my peace I give to you, your loved ones and family, and peace be placed upon the world.

[Fernanda] *Thank you, my dear loving Father. Thank you for your love to us, for giving your Only Begotten Son Jesus to save us all.*

Thank you, my little yellow rose.

My Son Jesus, he is here to converse with you.

Jesus Christ

My daughter, I, your Jesus, say thank you for your time to converse with me, your Jesus.

My precious child, thank you for your time to help my daughter Ana Maria, for your time to listen to her pains. Oh my daughter Ana Maria, it's like she is at a crossroad. She doesn't know which way to turn. Oh, the fear, not knowing where to go, not knowing her future, the worrying about tomorrow. Oh, I, your Jesus, I am going to help my daughter Ana to come out of this web, this crossroad, because I will be standing with her to guide her, to show her the right path to go on. I will take her hand. She must totally trust me, her Jesus. I will be holding her hand tight. She must not loosen the grip. She must have faith, courage and strength when I am holding her hand.

Soon, my daughter Ana, I will alleviate this heavy cross upon your shoulders. I will help you to carry it. Do not worry about tomorrow because tomorrow belongs to me, your Jesus. I know, I see all your hardships, trials and tribulations. I am here – just pray to the Holy Trinity and my Blessed Mother, we will help you. The Holy Trinity is the most powerful prayer you can pray. Come to my Holy Mass with our precious little ones and receive my Precious Body and Blood. I am your daily food to strengthen you and your faith. You are mine, my child. You are my own flesh and blood. I love you and all my children. Know, my child, sometimes my little sheep, my flock, have been scattered and through hardships I then bring them back to me.

I give you my peace, my love to you, to our little precious ones and your loved one, my daughter Lidia. My Beloved Mother blesses you all with her Divine Mantle. You and your loved ones are protected from any dangers. Just pray and do not lose faith in me, your Jesus. I am the Alpha and the Omega. I love all my children. I want to save you all.

[Fernanda] *Thank you, my loving Jesus. I love you. Thank you for helping your daughter Ana Maria.*

Thank you, my child. Pray for my daughter, for faith, strength, courage and perseverance.

My Petal, I, your Jesus, say to you that you are my people's anchor, strength and prayer warrior. My child, pray all those prayers entrusted to you. Soon, the time will come when your work is only for me. You must relay the messages given to my children.

My Blessed Mother, she is here to converse with you.

Mother Mary

My little Andorinha¹, I, your Mother Mary, I am here with you to say thank you for sitting with our Father, my Son Jesus and me, your Mother.

My daughter, I see all my children's pains. I see their anguish, suffering and hardships. Oh, I see your heart wanted to help them, especially financially, but my daughter, pray, pray for them, for faith,

courage and strength to believe in my Son Jesus the Redeemer, the Saviour and the healer of thee, the helper in their hardships. My Son heals and helps in his own time. My Son knows what is best for his children, for their souls. My people don't see the reason for some delays in prayers. Oh, my children, I heard tonight at the prayer group, the question being asked about my Son not answering their prayer requests for my children's healing, when my children pray for many years and nothing happens. My daughter, I, your Mother Mary, the Mother of your Jesus, I am going to explain to you, and you must relay this message to my children.

My dear children, I, your Mother Mary, I am here with my Son Jesus, our Father and the Holy Spirit – the Triune God – to convey to you this message.

My children, my Son, our Father, the Holy Spirit and me, your Mother Mary, oh, we receive all the prayers, prayers requests, intense novenas prayed to us, oh, and the prayers to the saints and angels. Each one of your prayers is heard by us in heaven and listened to. Not one of your prayers is wasted or in vain. They have all been taken into my Son's hands and the abode of his loving heart.

My children, you love your children dearly, but when one of your children asks, begs for something, do you always give to your child what they have asked for, and right away? Don't you first see if it's the right thing to give, to offer, to answer their requests? Know, my children, my Son loves you so much. He died because he loves you. My Son knows what is best for all his children, as you, my children, you also want the best for your precious children, but you don't always concede or grant them their requests, because you have your reasons for it. My Son always grants his children's request in his own time. He heals his sick children in his own time. If it's not the body, he heals the soul and spirit for eternal life, to be seated at Banquet of the Lamb. My Son answers his children's prayers, each one of them. Sometimes he answers them in a different way, in a different dimension of life, which my children don't see. Oh, he answers their prayers. Many times, he concedes many graces in their lives through those prayers, but my children don't see how, that my Son answered their prayer requests on different occasions, because he concedes the graces of their prayers. At many different times he concedes the requests – for instance, for protection, love, courage, strength, perseverance, faith and help in the most dangerous [times] against the enemy. All this and much more is through my children's prayers, prayers requests. Know that the rest, my children, is my Son's mystery and belongs only to him. My Son always gives the answer to their prayers [in the way] that he knows is best for them, for their lives, for their souls, and through that as well, he brings them closer to our hearts.

Thank you, my dear children, for your time to listen to this message. Pray, pray always for the nonbelievers and for the lukewarm souls, the ones who hurt my Son Jesus the most.

Thank you for responding to my call.

My precious child Fernanda, relay this message to my children.

I bless you and your loved ones, family and all my children.

Jesus Christ

My daughter, I, your Jesus, say thank you for this special dialogue. It was beautiful.

My Blessed Mother explained this question to you all, my people. I, your Jesus, I love my children, but sometimes I wait for the right moment, appropriate time, to give [the graces] to them because sometimes, for some other reason, it's not the right time to give to them. Thank you, my child, for understanding. My time and patience are the keywords. My child, many times I beg, I plead to my

children to come closer to me, to my heart, to come to Confession, to repent and to come to my Holy Mass. How long do I wait for my children to listen to my call to pray, to be saved, for them to be saved? But, my child, I have patience to wait for my sheep, my flock to come to me. Oh, my Mother prays intensely for our children to listen, for them not to perish. This is also a request from the Holy Trinity, my dear Mother, the angels and saints, to my children to pray – a request from heaven to earth to all my people. Thank you, my children.

I, your Jesus, I give my peace, my love to you all, your loved ones and the whole world. My Petal, thank you for this special time. I give my peace to you all and the whole world.

[Fernanda] *Thank you, my loving Jesus, for your love to us all. Sua bênção², my Holy Trinity. Sua bênção, my dear Mother. I love you all. ♥♥♥♥ I love you, my Jesus.*

I love you too, my Andorinha. It's time to go to your *palhinhas*³.
