

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

The road to Jesus' Kingdom is not an easy one, mostly very rocky, but if you open your heart to Jesus, he will smooth the way for you

Father God, Jesus Christ, Mother Mary

Jesus Christ

My daughter, thank you for sitting with me, my Father, my Holy Spirit and my Beloved Mother.

Thank you for today, for helping to console and pray for my daughter Inés. Oh, my daughter is in pain. Thank you for alleviating her aching heart. I was with you in prayer. Thank you for calling the Holy Trinity.

My precious child, I want to convey a message of love to my daughter Inés and her loved ones...

My daughter Inés, I, your Jesus of Nazareth, come to you to relay, convey, this message of love, appreciation and gratitude to you and your loved ones. Oh my precious daughter, I, your Jesus, your God, I have seen your hardships, trials and tribulations all these years, but my child Inés, I, your Jesus, I never abandoned you or forsook you or your loved ones. I was in the midst of the storm. When the tide was rough, I was there to calm the sea – the same Jesus who calmed the Sea of Galilee. My precious daughter Inés, I was there, I took your hand. I was your anchor, your rowing to bring you and your loved ones safely ashore. My child, know that the road to my Kingdom is not an easy road, most of time it's a very rocky road, but I, your Jesus, I am always in front to smooth the way for you to walk on better soil. To enter into my Kingdom, sometimes my children have to pass through the narrow gate, but my child, heaven is a beautiful place. If only my children would open their hearts to me and let me in.

My child, I know your sorrow at the moment about our daughter Carla. Know, my child, I am aware of everything. I see your tears, your sighs, your pain. Know that your daughters are our daughters. I created them, I gave them the Breath of Life. I entrusted them to their earthly parents – I chose you and my son Ernesto, so she is our daughter. What you care [for], I care [for]. Do not fear, my child. Just pray, pray – prayers move mountains. With me, your Jesus, nothing is impossible. I, your Jesus, I say thank you for taking care of our daughters.

My daughter, I, your Jesus, I want to say thank you for taking care of, for helping your loved one, your brother, my son Emanuel. Know, my child, heaven sees everything. All these good deeds are written in the Book of Heaven to be opened one day in eternity. My daughter, what I want from all my children is: to love one another as I have loved you, to forgive one another's errors, mistakes, faults as I forgave my enemies. Oh, I died on that heavy cross to save you all because I loved you all, my precious children, equally. I don't have favourites.

My child, my Blessed Mother, she is here to convey a message to you and your loved ones.

Mother Mary

I, your Mother Mary, the Mother of your loving Jesus, I say to you to pray, pray the Rosary as a family. The Rosary is the strongest weapon against my enemy. Pray, my children, for the nonbelievers, for the sinners. Pray for this decaying world. Pray for my Son to give more time to the world. My Son's hand is getting tired. My children, help me, your Mother Mary, with this request. I will protect you and your loved ones with my Divine Mantle against any dangers, from the foe¹ of the enemy. The Holy Trinity will be your shield for all of you. My children, repent and come to Confession. Come to my Son's Holy Mass. Confession is very essential to my children's lives for eternity. Come, receive my Son's Precious Body and Blood worthy of him. This is a request from us in heaven.

My child Inés, I see your pain. All the prayers have been taken into the abode of my Son's loving heart. My Son is a loving Jesus, a merciful God, full of compassion. He loves all his precious children with an unconditional love. My children don't see how great my Son's love is. It's like an ocean, it's endless. Thank you, my precious children. Just trust, trust my Son Jesus with all your hearts. He is the healer of thee. Love your Jesus, your God, with all your hearts. Oh, when you love my Son, you love me and vice versa.

Jesus Christ

I, your Jesus, I give my peace to you, your loved ones, family, friends, enemies and all my children. Thank you for listening to my message given to you with love, for courage, strength, faith and perseverance in life, through my humble servant, my messenger.

[Fernanda] *Thank you, my Jesus, my dear Mother. I love you.*

Father God

Jesus Christ

My daughter, you have a request to ask me, your Jesus?

[Fernanda] *My loving Jesus, can I go this weekend with your daughter Lizette and all her loved ones to Mabalingwe? I said yes, but I didn't ask permission from my Jesus, my Holy Trinity, if it's alright with my Jesus? I can still say no. Thank you, my Jesus.*

My humble servant, I, your Jesus, and the Holy Trinity, say thank you for this beautiful act of love. My humble servant, I, your Jesus, I want you to go there because you are needed [to be] with all my children, this entire family. I, your Jesus, have a purpose for this weekend, for you to go because it's time for you to open your heart completely. Teach my children about my love for them. I will make it possible for you to open your mouth and your heart to the Holy Spirit. I will do the rest. Thank you, my child, for accepting this invitation. I allow you, my Andorinha, to fly. Your wings are free to fly. I

¹ An archaic way of saying "enmity" or "hostility"

will give to our sons and your loved ones the peace in their hearts, especially our son Frank. He will feel total peace.

I bless you. My peace to you and upon this whole world.

[Fernanda] *Sua bênção², my Holy Trinity and my Blessed Mother. I love you all. ♥♥♥♥ I love you with all my heart. Beijinhos³, beijinhos.*

Beijinhos too, my Andorinha.
