

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

It hurts Jesus to see so many of his children not appreciating his sacrifice of Holy Mass where he gives himself completely to them

Father God, Jesus Christ, Mother Mary

Father God

My daughter, thank you for sitting with me, your Father, my Son Jesus, the Holy Spirit and Blessed Mother. My daughter Fernanda, I, your Father, I am here to converse with you.

Oh, my little Petal, I heard your tearful cries in desperation while you were praying. My child, do not cry any more. Do not despair. We, the Holy Trinity, are with you. My Son Jesus is doing everything possible for you to start your task soon and to give to you what he promised you and our son Frank as well. Oh, my Son knows you are not working. He is your Spouse. My Son, the Holy Trinity, we are the Triune God. We are proceeding with our gift to you, your financial [help]. Do not worry about anything. Your rent and the money to live on are here for you. My Petal, you have to concentrate on our prayers. Praying is a must because all the prayers entrusted to you are for a reason: to help this chaotic world.

My daughter Fernanda, I have something to relay to you, a prayer request for my Son's Communion, to be prayed before Communion. Keep praying for my people during the Elevation. The manner in which you have been praying is very appropriate. The prayer is prayed in this way...

My Father God, my Holy Spirit, I thank you for the gift of your Son Jesus Christ, offered in sacrifice to us, your children. In reparation for the outrages and sacrileges done to your Only Begotten Son and to the Immaculate Heart of Mary, his Beloved Mother, I pray for the ones who offend your Son Jesus' Sacred Heart. I thank you for the merits of your Son's Precious Blood shed in Golgotha for us, for this special gift of my loving Jesus offered to us. Amen.

My daughter, thank you. I am going to give you one to pray in thanksgiving after Communion...

My Father God and the Holy Spirit in conjunction with my Blessed Mother Mary, I thank you for my loving Jesus coming into my heart to purify my body and soul. I will always have this great thanksgiving and gratitude towards my Jesus for this beautiful act of love, given to me and your children. I will be your faithful child forever. Amen. Thank you, my Jesus.

My daughter, pray this prayer after you receive my Son's Precious Body and Blood. My daughter, make copies and give the prayers to my people. They have to know how important it is for them to appreciate my Son's sacrifice of his Holy Mass. My Son Jesus will soon show you at his Holy Mass how beautiful it is – to attend with dignity and respect. My people don't know how important my Son's sacrifice of giving himself completely to all his children is – the importance of my Son's Precious Body and Blood, offering himself, the Lamb of God, alive during all Masses, [which is] too

precious to not be witnessed by my children. They don't have to see to believe because my people know that my Son is alive for all my people. Oh, they don't even care to look ahead, in front. Some of my people sometimes come to Mass just to say, "I went to Mass," but they don't absorb anything because their minds are only on earthly things during the Mass. Oh my humble servant, it is very sad, painful, for my Son to see his children not even having the slightest idea of how he gives himself completely, Body and Blood, to them. But soon, my Son will communicate with you, for you to transmit to my people about my Son's love during his Holy Mass.

Thank you, my Petal, I give my peace to you, your loved ones and upon the whole world.

[Fernanda] *Thank you, my loving Father, for teaching me all this love. I love you, my dear Father. I love you, my Holy Trinity and my Blessed Mother.*

Thank you, my little lamb.

Mother Mary, she is here to converse with you.

Mother Mary

My daughter, I, your Mother Mary, I am here in love to give you this special message to be delivered to you because it's about time. You have to know all about your mission, about all your concerns, about your daily life. I have this task entrusted to me, to relay to you from heaven, the Triune God.

My humble servant, I convey to you that your mission is near. Do not despair about your future finances because your task, your mission, consists of everything possible for you to live on while on this earth. You will never be short of money, finances, for your daily life's chores – it's being provided for you to go far away, to travel the world, to go afar, to go forth in my Son Jesus' holy name. You are going to have the essentials, more than you can imagine, for you to help my children who are most in need, in despair, as your heart desires to help.

My daughter Fernanda, my Son has chosen you – humble, sincere, with humility in your heart – for this mission. The right moment is here, arriving, for you to proceed, but my child, the road to be my Son's messenger for his Second Coming is not easy. Be aware. It's a very difficult task and you will encounter some disturbances, criticism. Do not fear. The Triune God and me, your Mother, the angels and saints will always be your shield. Pray as you do for the angels and saints to accompany you, and they will be your safeguard, the guards of honour to protect you on this mission. Know that I will be your guidance – that's my task chosen by my Son, to be your guide. Do not fear. I repeat, financially, you are not going to worry. I know your concern about visiting our granddaughters. You will have enough to help them, to give something, which your heart has desired to do for a long time.

My daughter, I received the prayer for our son John Paul and our daughter Tersia. I gave it to my Son. He will concede the grace that you want so much ...private message removed... Be in our peace.

I bless you and give my peace, my love to you all. I, your Mother Mary, say thank you, thank you for responding to my call.

[Fernanda] *Thank you, my adorable Mother. I love you.*

Jesus Christ

Thank you, my Andorinha¹, I love you and say thank you for sitting in this position to converse with our Father and my Mother.

I, your Jesus, say thank you for all the prayer requests said to me. My Petal, I heard your plea – your pains, your tears: I embraced you and I wiped away those tears of despair. I know how much you have in your purse. I know all about my children, each one of them.

My daughter, my Mother relayed the message entrusted to her to relay to you about all your task. Oh, I know, I heard your cry of anguish, also because of our son not being able to help you and his daughters. I know how you desire to see them, especially our daughter Laurinda and our little one. I will bring them to you – you deserve this opportunity to embrace them. My daughter, our son Frank will have the money to help and support his daughters. I know how much he prays for that. Soon, I repeat, soon, it's not far now, all the worry will vanish because you need to be with me in prayer. Your concentration is going to be on prayers to help my children.

I want you to rest now. I give my peace, my love to you, your loved ones and the whole world. I give my peace to you and your loved ones, family, friends, enemies and all my children.

[Fernanda] *Thank you, my loving Jesus. I love you, Jesus. Sua bênção², my Holy Trinity and my dear Mother. ♥♥♥♥♥ I love you. Beijinhos³ xxxxx.*
