

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

We must love, appreciate and pray for Jesus' priests – being able to administer the Holy Sacraments is the most powerful gift upon them

Father God, Jesus Christ, Mother Mary

Father God

Thank you, my daughter, for sitting with me, your Father God, my Son Jesus, the Holy Spirit and our Blessed Mother.

Jesus Christ

My daughter, I, your Jesus, I am here to converse with my Andorinha¹. My little one, I, your Jesus, I say thank you for sitting and conversing with me. I see the effort you are making to converse with us in heaven.

I am aware that you are going to fly early tomorrow morning to attend to our daughter Tersia. Do not worry, I will call you to wake up. My daughter, do not worry, I will be the physician of our daughter Tersia. I will heal her completely from this pain. I know you are needed here at our home, place, our little nest.

My little one, the time is approaching for your mission. I will help you to start with the books to give to my son priest, your spiritual director.

My little one, I, your Jesus, I see your concern about our son Frank (Francisco). I will restore everything owed to him in my holy name. I will help him financially.

My daughter, I, your Jesus, I am here with you – just look up! I am sitting next to you. Stop, I am embracing you, can you feel my presence? Do not doubt.

Yes, I will heal your eyes, your vision. I am your physician. Trust me, your Jesus.

My Mother of Medjugorje is waiting for you there. Oh, many miracles will occur there. My channel, my instrument – you are going to be used as my channel in my holy name.

[Fernanda] *Oh my loving Jesus, thank you. I praise you, I adore you with all my heart. I will serve my Lord, my King. I will help my Jesus to bring souls to your heart. I love you, my Jesus.*

Thank you, my Petal. I love you too, my Andorinha. My loving Father, he is here to converse with you.

Father God

¹ Portuguese to English translation: Swallow

My Andorinha, my Petal, I, your Father, *Altíssimo Pai*², I am here (we, the Holy Trinity) to converse with you. Thank you for this special time. I know you wanted to rest for a few hours before you go to your loved ones, but you decided to converse with us. Oh, your heart cannot stay without us. Thank you for this love and dedication to us. You are our little Petal, our Andorinha.

My child, my Son Jesus said to you now that he is sitting next to you. Yes, the Holy Trinity, we are all around you, sitting with you on this soft blanket.

[Fernanda] *Oh my loving Father, thank you, thank you. My Father, with all my love and respect, can I ask a big favour of my Father? Oh, I don't want to offend my Holy Trinity if I ask this of my Father.*

Yes, my Petal, you may ask, with my permission.

[Fernanda] *My Father, I wish that when I converse with my Father, my Jesus and my Blessed Mother I could be allowed to see the Holy Trinity and our Blessed Mother. Oh, I know I shouldn't ask this, but my Father, that's my desire. I am sorry, my Jesus, for this question. I love you, my Father.*

Oh my Andorinha, thank you for this question. I love you too. Oh, you don't offend me or my Son because your wish will be granted soon. You are worthy of our love. Know that my Son Jesus said to you before that with your own eyes, you will see the Holy Trinity, Blessed Mother, the angels and saints, oh, as my Son said, promised to you.

I know how concerned you are about your eyes, your vision. I know that you can't see much. I will, my Son Jesus will restore it.

My daughter, I, your Father, will converse with you later because you need some little rest tonight.

I give you my peace, my love to you, your loved ones, family and friends and to all my people.

[Fernanda] *Thank you, my Father. I love you.*

Jesus Christ

My daughter, our Blessed Mother, she is waiting to converse.

Mother Mary

My daughter Fernanda, I, your Mother Mary, I am here to converse with you.

My Petal, tonight was my son priest Father Charbel's birthday. Oh, he was very joyous tonight because of his special day. I blessed him abundantly on this big event of his birthday.

My son priests are very special to my heart. My son priests should be looked at with respect, admiration and consideration because they are chosen by my Son Jesus to consecrate his Precious Body and Blood and to celebrate my Son's Holy Mass. Oh, my Son's Holy Mass is the most beautiful sacrifice that my Son gives to his children, his people, his sheep. Oh, but my children ignore this act of love and sacrifice to them. It's like they are going through a parade, not appreciating the value of the Mass. From the beginning of the Mass, my Son offers himself to his children to give them the Bread of Life, the food to sustain them through the times of trials and tribulations. Oh, if [only] my people would see that my Son gives himself to our children! My daughter, my Son will come alive for you in Mass, from the beginning of Mass, for you to transmit to my children, the value of his Holy Mass.

² Portuguese to English translation: Most High Father

I, your Mother Mary, I want, I wish for all my children to love and appreciate the value of my son priests, their role. On the day they celebrate their first Mass, oh, what my Son gives, offers to them, it's the most powerful gift upon each one of them, for them to be able to celebrate Mass; to consecrate his Precious Body and Blood; to bury the dead; to anoint the sick, the moribunds, the dying; to consecrate marriage vows; to baptise my children and to hear Confession in my Son's holy name and in his invisible presence to absolve their sins. At all these special Sacraments, on all these special occasions, my Son Jesus is with all my son priests to assist them. Oh my beloved son priests are my special sons, but the adversary attacks them and my Church the most. My people must pray intensely for my son priests' protection against the foe³ of the enemy. They must pray for my son priests when they sometimes fail because my adversary destroys them. Instead of criticising them, my children must pray, pray for them against the snares of the enemy. My child, my heart pounces when my children criticise one of my son priest's mistakes, errors, faults. Oh, my son priests are human, with human fragility. Oh, I love my beloved son priests. Pray the prayer entrusted to you for my son priests.

I bless my son priest Father Charbel. I am very pleased with this beautiful work towards my children. My son priest Father Charbel is growing so much in teaching my lost sheep, my flock, in bringing them to my Son Jesus' heart.

I, your Mother Mary, the Mother of your loving Jesus, I say thank you for your arduous work to teach my children about my Son, the Holy Trinity and me, your Mother Mary, to love us, to repent and to come to Confession. Oh my son priest, here in heaven we see, we hear, everything. We are very grateful and appreciate the love towards us, the marvellous work to help my Son to save souls, to bring them to my Son's heart, to his Kingdom.

I, your Mother Mary, I say thank you. I bless you on this special day. I will keep you safe with my Divine Mantle against the foe of the enemy. Thank you for responding to my call.

My daughter, thank you for relaying this message to my son priest. Do not fear criticism, you are my Son's messenger. Thank you, my Blessed Mother. I love you.

Jesus Christ

My daughter, I, your Jesus of Nazareth, I say thank you for this special time. I have a message to relay to my daughter Goretti, but I want you to rest. I will convey this message later.

I give my peace, my love to you, your loved ones, family and to all my children.

[Fernanda] *Sua benção⁴, my Holy Trinity. Suab benção, my Blessed Mother. I love you with all my heart. ♥♥♥♥♥ I love you. Beijinhos⁵, beijinhos.*

Beijinhos, my Petal, from your Jesus. I love you too.
