

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

It hurts Jesus when his children turn away from him and his Church, not understanding the salvific role of his priests or praying for them

20/08/2011 at 01h00

Father God, Jesus Christ, Mother Mary

Jesus Christ

My daughter, thank you for sitting with me, your Jesus, my Father, the Holy Spirit and my Blessed Mother. My Petal, I, your Jesus, I say thank you for sitting and conversing with me.

My Andorinha¹, I, your Jesus, I say to you, oh, I missed you last night. I understand that you couldn't keep your eyes open. I, your Jesus, say to you that I understand. I want you to be in our *palhinhas*², our nest, our little shrine, because [then] your time, concentration, is just for me. My little one, I say solemnly to you that soon, you are going to start your mission. My daughter Fernanda, I, your Jesus, I have this special, unique message to relay to you.

My children, I, your Jesus, I have entrusted this message to my humble servant to relay to you, my people whom I created with so much love and care – oh, what they are doing to my heart and to my Blessed Mother's! My children, I, your Jesus, say to you all, my people, listen and absorb my messages given to my humble servant. I, your Jesus, come to you all with compassion, love and mercy upon all of you. Do not ignore my messenger when she comes to relay the messages to you. It's me, your Jesus, who comes to you in love to save you, to bring you to salvation. My heart pounces in so much pain because I see that you are turning away from me, your Jesus, from my Church. Oh, my children, they don't understand the role of son priests, what they are to me, to my Church. My children, do not neglect my son priests. Pray for them, for strength and faithfulness to me and to my Church. My son priests belong to me, to my Church. My son priests are my Mother's privileged sons. My Mother defends her son priests constantly. She constantly asks to pray fervently for them because without my son priests, there will be no Holy Mass and no one to consecrate my Precious Body and Blood. My son priests are my representatives in my Church to bring my lost, astray sheep, my flock to my loving heart. My children, I, your Jesus, I ask all of you to pray, pray for them. Do not criticise them, pray for them instead. My son priests are human too and they also sin. Prayers are very essential for them to guide and teach my children to love me, to listen, to come to my Holy Mass, to be saved from the peril of hell, that obscure place.

I, your Jesus, say thank you for listening and following with your hearts this teaching from me, your Jesus of Nazareth. My Blessed Mother loves my priests intensely. Respect them like [they are] your own fathers. Forgive them for their faults, errors, mistakes, and pray for them.

² Portuguese to English translation: little nest

Thank you, my dear children.

[Fernanda] *Thank you, my dear Jesus. I love you. I am sorry for not sitting with my Jesus yesterday.*

My daughter, my loving Father, he is here to converse with you.

Father God

My daughter, I, your Father, say thank you for this special time.

[Fernanda] *Oh my loving Father God, I, your humble servant, I say I am sorry for not sitting and conversing with my Father.*

Oh my humble servant, I, your Father God, I comprehend your situation. Everything will come back to normal. Soon you will be going back to our little home, filled with our love.

My Petal, I, your Father God, I say, my dear, do not worry about petty things because your time is worth more than [wasting it on] petty things.

My little one, I, your Father, came here to convey this message to you. I came at this time to relay this message.

I, your Father, I say to you, my precious children, my people, I say: respect and love your neighbours as your own brothers and sisters in my Son Jesus, Jesus Christ's name. I, your Father, I have this message of love to you, to the world. My children, do not neglect my love, my care for you. My people, I, your Father, I have this special, unique love to save you. Oh, I see my Son Jesus' love for you, but only a few receive this love and appreciate his sacrifice.

Oh, today I saw, I heard the dialogue between my people about my son priests. Oh, they criticised my sons, their love for us in heaven. My children, I have this infinite love to offer to you if you open your arms and your heart to my Son Jesus. I get this pain when I see my people turn more to sin, away from my Son. My heart is in pain because of this. My people, listen to me, your Father. My precious children, I want to say: persevere, do not neglect us, the Holy Trinity, in heaven, our love. Oh, it doesn't cost anything to love my Son Jesus because he has [done] so much [for you] to enter his Kingdom. Oh my son priests are my special devoted priests to defend [you], to pray to us in heaven.

My people, be attentive to the signs that my Son has given to you. They are signs for you, my people, to listen, to absorb, to penetrate into your hearts. I, your Father, I am here to help you to listen, to be attentive to this call from me, your Father God. I love you, my people. I am here to help you to see how much my Son has given, his sacrifice for you. Thank you for your time spent in this dialogue with my humble servant, my Son's messenger for this Second Coming.

[Fernanda] *Thank you, my loving Father. I love you.*

Mother Mary

My daughter, I, your Mother Mary, I am here to say thank you for spending this time in conversation with me, your Mother.

My Petal, I, your Mother Mary, I am here to convey, relay to you about this kind of disaster that is going to happen soon in this disturbed world. I say to you, pray those prayers entrusted to you. This big disaster is going to affect, destroy millions of my people. My children must avoid disturbances in their lives and live in compassion towards one another. My people must understand how much

[pain] I, your Mother, have in my heavy heart. They must be coming to my Son's heart for him to alleviate these pains that are going to happen soon. The prayer entrusted to you is to help with this disaster. Oh, it's going to happen very strongly. My children must not carry on like nothing is going to happen – the most powerful ever volcano of water. Oh, it's [going to be] horrible.

My daughter Fernanda, I, your Mother, I ask you to pray those powerful prayers to help with this and to pray the other prayers.

I bless you, my people. I love you, my children, with all my heart. Thank you for responding to my call.

Jesus Christ

Oh my child, I, your Jesus, I say thank you.

My daughter, today at my daughter Madalena's birthday, I was very happy, joyous that we, the Holy Trinity, the angels and saints, were invited to be with you all. I was in the midst of your conversations. I was sitting next to you on that empty chair [with] the Holy Trinity and my Blessed Mother.

I give you my peace, my peace I give to you, your loved ones, families, friends and to all my children all over the world.

[Fernanda] *Thank you, my loving Jesus, my Father, my Holy Spirit and my Blessed Mother. I love you all ♥♥♥♥♥. I love you. Beijinhos³. Sua bênção⁴. Beijinhos.*

Beijinhos, my Petal. I love you too.
