

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Father God, Jesus Christ, Mother Mary

Jesus Christ

My daughter, thank you for sitting with me, your Jesus, my Father and my Blessed Mother. My daughter, thank you for your time spent at this hour of the morning to converse with me, your Jesus Christ.

Oh, today was beautiful. My daughter, you went to some function to help my daughter Nicole who needed help. Pray for my daughter Nicole. I will heal my daughter.

My daughter, I saw your encounter with my daughter Mel. Oh, she and my son are in terrific pain because of [the loss of] their loved one, João Carlos (Jayson). My humble servant, I, your Jesus Christ, I have a message to relay to my children Mel and Jorge.

My daughter Mel, my son Jorge and your loved ones, I, your Jesus of Nazareth, the Saviour of the world, I am here to convey, relay to you and your loved ones, a message of love, courage, faith, perseverance and strength to you, my precious children. My children, I, your Jesus, I want to say to you, oh, I have seen your pains, tears shed constantly because of the loss of your loved one, our son João Carlos (Jayson). My precious ones, I, your Jesus, your Creator, your strength in your pains, your aching hearts, I am here to say to you that I know these past two years have been very painful for you. My daughter Mel and my son Jorge, I want to convey to you that our son Jayson is in my care. I, your Jesus, your God, your Lord, I created our son Jayson. I gave to him the Breath of Life. I entrusted him to his earthly parents. I chose you both to take care of him while he was on earth. Your son João Carlos (Jayson) is my son as well. He is our son. Know, my children, the time for our son Jayson on earth, his last breath, *Sopro de Vida*¹, was accomplished on earth. It was time for our son Jayson to come back home to me, to his Jesus Christ.

My children, I want to convey to you that when I created all my children and gave them the Breath of Life, the Holy Spirit within them. I know when all my children are supposed to come back to me. Oh, I don't tell them what time, when, what age, but I, your Jesus, know when. I entrust my children to their earthly parents. I know all about each one of them: their time, hour, age they will come to me. That's why I say to all my people to always be prepared for my call. I don't advise when their last breath of life on earth will be.

¹ Portuguese to English translation: breath of life

My dear children and your loved ones, our son is in my care, my arms. I will ease, appease your pain and suffering in time to come. I, your Jesus, I want to relay to you both and your loved ones that I am aware of all the pains, trials, tribulations and hardships in your lives, but I, your Jesus, your God, I will never abandon you or forsake you and your loved ones in the course of your lives or at this time of sorrow. I have been your pillar of strength, your anchor. Oh, when the sea, the tide, was very strong, I have been *remo*², rowing for you. I took your hand and brought you safely ashore. Oh, when the boat seemed to sink, I gave you my hand to hold onto me, to my heart.

My daughter Mel, my son Jorge, I say to you, do not feel so deeply sad about our son because one day you are all going to be united again in my Kingdom, my love, your Jesus Christ. This is only a temporary road to pass, to walk, to grow, to come closer to my heart and my Blessed Mother's.

Oh my precious children, always follow my commandments. What I ask from all my people is this: come to Confession, repent, come to my Holy Mass, forgive one another as I forgave my enemies, love one another as I, your Jesus, love you unconditionally. Come to Confession with contrite hearts. Receive my Precious Body and Blood worthy of me. Oh, that pleases me very much.

My Blessed Mother Mary, she is also here to convey a message of love to you, my children.

Mother Mary

I, your Mother Mary, the Mother of your loving Jesus, the Saviour of the universe, I convey to you that I empathise, I see all your tears shed in despair, in longing for our son João (Jayson). My daughter, my son, I, your Mother, I am a mother too. My heart aches for you, your pains, oh, I also cry with you. But my Son Jesus has his plans, his time for all his children. My Son Jesus knows what is best for all his children. My Son Jesus is the healer. He will heal your pains, your sorrowful hearts.

Thank you, my children, for your patience in this [time] of mourning. Oh, heaven sees and knows about everything, our children. I, your Mother, I always ask this from all my children: pray, pray the Rosary, pray as a family, pray for the conversion of sinners, for the nonbelievers, for this chaotic world in need of reparation. Pray for my youth, my son priests, my Son's Church, against the foe³ of the enemy. I, your Mother Mary, I will wrap you and your loved ones with my Virginal Mantle to protect you from any dangers of the adversary.

I bless you all, my dear children.

Jesus Christ

My daughter Mel and my son Jorge, I, your Jesus, your Lord, your God, I give you my peace, my peace I give to you, your loved ones, family, friends, enemies and all my children upon the whole world. I came here to relay, convey this message of my love and of strength and courage to you, your loved ones, through my humble servant Fernanda, my messenger.

[Fernanda] *Thank you, my loving Jesus. I love you.*

Thank you, my humble servant. Relay this message to my children. They are in need of this reassurance in their time of sorrow.

My daughter, my Father God, he is here to converse with you.

Father God

My Petal, I, your Father, I am here to converse with you. My Andorinha⁴, I your Father, I have this message to relay to you for the world.

My children, I, your Father, I am here with my humble servant to relay to you about my Son's pains in this time of destruction and disarray in the world. My people, I have given so many messages to my child Fernanda to relay to you all about my Son's pains. Yes, my Son's pains! I repeat: I see him constantly in terrible, aching pain. The crown of thorns has been placed upon his heart, his pierced heart, the thorns infiltrating in his heart [because of] the offenses, sacrileges that he receives constantly, continuously upon his loving heart. Right now, I see my Son going through this pain. I see that he tries to compensate for these horrific pains with some, very few, of his children who are helping him with some reparation, love, prayers, loving my Son Jesus and giving him praises, *louvores*⁵. The few times that he receives this kind of love alleviates, embalms his pierced Sacred Heart and his Mother's Immaculate Heart of Mary, which is always being pierced in conjunction with her Son Jesus' heart.

I, your Father God, I am here to convey to you. I listen to my Son's requests to me, pleading to me for all of you. His Beloved Mother Mary continuously intercedes to him, like at the wedding of Cana, but there is a time limit for everything. I, your Father, I love my Son dearly, but I repeat, I cannot permit these atrocities for too long. These barbaric pains have been allowed for too long. I say that the time is near for this kind of inhumane pain that has been placed again in my Son's heart [to not be tolerated]. I repeat my messages, my pleading: repent, listen to all these messages and do not neglect the Holy Trinity. The Holy Trinity is the most powerful in heaven. Pray always to us, asking the Holy Trinity for mercy and compassion, for the sinners to repent, asking for pardon upon the sinners' souls.

I, your Father, I say to you these solemn words from me, the Almighty God. I give my peace, blessings upon the whole world, upon you, my child Fernanda and your loved ones.

[Fernanda] *Thank you, my loving Father God. I love you.*

Mother Mary

My daughter, I, your Mother Mary, I am here to convey, to converse with you.

My Petal of your Mother Mary, I say to you that today at my holy grounds was very pleasing to me, to my Son, our Father, the Holy Spirit. Oh, the workshop, oh, some of your love was transmitted to my children. The Holy Trinity, my Son and I saw your love. The picture – oh, you couldn't draw anything, but you expressed yourself in words. Thank you. Your heart is free of past pains, hatred and unforgiveness. You are an example to my people, but they didn't see when you tried to explain the meaning of the words. Yes, the writing said everything. Oh, you did your drawing from your heart as usual. Yes, all those errors represented your purification. Thank for telling, explaining, for them to understand that through all those crosses, you have been purified. Oh, my Son purified you, refined you like a goldsmith purifies gold.

My little Petal, at my holy grounds, the music and melodies entwined with our hearts. Thank you to you and my daughter Alice for empowering [my children] with the music and for helping my daughter Francesca to see more profoundly the necessity of having more healing musical

instruments brought to my holy grounds in love, for my children to come closer, more in prayer. Yes, my holy grounds needed this kind of upliftment to open more widely the hearts of the nonbelievers, the lukewarm souls. Oh, my holy grounds need more strength, more intensity in a different dimension for my people to feel my love and my Son's love.

My daughter, it's getting late. I bless you, I give my love to you and your loved ones and to all my children. Thank you for responding to my call.

Jesus Christ

I, your Jesus of Nazareth, I give my peace to you and your loved ones, family, friends, to our sons, our daughters, granddaughters, grandson and all my people all over the world.

[Fernanda] *Thank you my loving Jesus, I love you. Sua bênção⁶, my Holy Trinity. Sua benção my Beloved Mother. I love you. Beijinhos⁷, beijinhos ♥♥♥♥. Beijinhos, I love you.*

Beijinhos too, my Petal. I, your Jesus, the Holy Trinity and my Blessed Mother, we love you and all our children.
