

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

My daughter, keep praying the novenas that you have been praying for our son and daughter. My child I will bring many blessings upon them.

My daughter, my Father, he is here to converse with you.

Father God

My daughter Fernanda, I, your Father, I am here to convey to you about this world being in discord and turbulence because of so many sins committed upon this world. Oh, the world is in so much damage because the enemy destroys the peace between families.

My daughter, I, your Father, I want to convey to you that you are going away from certain places because you have to be in peace and purity, out of dismantled, destructive surroundings. My child, I, your Father, I want to say to you, to the world: this time of disarray, dismay in the world is soon going to come to an end because my people will soon see the world being placed in a different dimension to what is happening around them. Oh, there is so much that will come to an end, and only through a very painful chastisement will it come to an end with a new life, a new beginning. Oh, my people need to pray, to pray the Rosary and to come to my Son's Holy Mass.

My daughter, I will convey a message of love towards my people because of this world [in destruction].

My people, I, your Father God, I relay this message of my Son's love towards [each one of you]. My people, my children, listen to your inner voice when my Son comes to your heart. My Son Jesus' love for his children is very strong – a sincere, pure heart, full of love and compassion. My Son's immense love is a love that the world cannot give – only by his graces can it be obtained. My Son's love has no measure or barriers. There is no limit because my Son's love towards all his children is very rare. If only my people would see or comprehend how great his love is.

My daughter, you are not sitting comfortably. I want you to go and rest tonight. A very powerful love is placed upon you, your loved ones and all my children.

I, your Father God, say thank you for your time spent with me.

[Fernanda] *Thank you, my loving Father God. I love you.*

Mother Mary
