

ALPHA+OMEGA  
God's Way Till Eternity

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7-8

## Fernanda feels some of Jesus' pains from the lukewarm souls: love and repentance from his children are Jesus' only medicine

### Jesus Christ

My daughter, thank you for sitting with me, your Father God, my Son Jesus Christ, the Holy Spirit and Blessed Mother Mary. My daughter, I, your Jesus of Nazareth...

[Fernanda] *I am sorry, Jesus, to interrupt our conversation. I was in pain. I had to stop...*

My daughter, I know – that's what I am feeling constantly in my aching heart. Do not despair, your leg will be healed soon by me, your Jesus.

I need you to be in prayer for me<sup>1</sup>. I have given you a tiny seed of my pain. Remember, my Father placed some of my pain upon your heart with the Sign of the Cross upon your heart. I, your Jesus, know your pain that you are suffering to alleviate my pains. I can heal you, free you from this pain, anytime, but my child Fernanda, I want you to go through some time with my pain. Soon, I will take away this pain.

[Fernanda] *I am sorry. I had to stop again. Oh, thank you, my Jesus.*

I know, I see all of these pains! Tell my people about this pain, my pains. They need to know more profoundly that I, their Jesus Christ, I am, every second of the day, in excruciating pains because of their sins. I know your leg and all of your body is aching – that's how I am every second of each day. The only medicine that can help me to alleviate my aching heart, my pains, is love in my heart from my children: to repent, to love me the way I love them all, and to love their enemies, their neighbours.

My child, thank you for your patience at this moment to be with me in conversation. Even though your pain is persevering, you are still with me in our conversation. My daughter, I, your Jesus, I am here with you at this precise moment. My child, I have something to convey to you. My little Petal of your Jesus, be strong – you passed the test in my holy name. I am, I will be, with you and you with me for my End of Times, to be my messenger, my witness, with me, your Jesus – and for eternity. So do not fear pain or anything. I am taking care of you always.

My little one, I your Jesus, I need you to work for me. I will give back your health. I will restore it, my little princess. I will crown [reward] you one day in heaven, to be seated at my Banquet of the Lamb

<sup>1</sup> To alleviate Jesus' pains.

with all my angels and saints. Bear with me always, with this infinite love and patience towards me, your Jesus, my Father, the Holy Trinity and my Blessed Mother.

This is for you to know: I never leave you or forsake you. My Andorinha<sup>2</sup>, trust me, your Jesus. I am your healer, the healer of thee. My child, I, your Jesus, say to you, I repeat, all these pains during our conversation are my pains from the sinners, the lukewarm souls, from hatred, malice and many, many more sins. My children committed sacrileges, outrages, on my Precious Body and Blood.

My child, my Divine Father, he is here to converse with you.

[Pause because of Fernanda's pains]

### **Father God**

My daughter Fernanda, I, your Father, I am here with you and my Son Jesus. Oh, thank you for these pains, my Son's pains. My Petal, I, your Father, I am here to convey to you, my little one, to say, do not worry, you will be free of these pains to go on our journey, the pilgrimage<sup>3</sup>. My Son, he is your spouse, you are his bride. He will take you to a beautiful place. My daughter, I have so much to converse with you, but I see your pains. I will let you rest your aching body. I will let you rest in my Son Jesus' heart, his arms. I bless you, I give you my peace, to you, your loved ones and the whole world.

### **Mother Mary**

My daughter, I, your Mother Mary, I am here with you to converse with you, but I also want you to rest. You are in too much uncomfortable pain, you can't converse with us lying this way. I bless you as well, as the Father and my Son bless you, your loved ones and all of my children. Thank you for responding to my call.

### **Jesus Christ**

I, your Jesus, I give you my peace, my love to you, your loved ones and to all of my children.

[Fernanda] *Sua bênção*<sup>4</sup> my Holy Trinity and my Blessed Mother and all my love to all my angels, my guardian angel and all the saints of heaven. Amen. ♥♥♥♥. *Beijinhos*<sup>5</sup> – I love you all xxxx. Thank you, my Jesus, for everything.

I love you too, my Petal.
