

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Father God, Jesus Christ, Mother Mary

Father God

Thank you, my daughter, for sitting with me, your Father God, my Son Jesus Christ, the Holy Spirit and Blessed Mother Mary.

Jesus Christ

My daughter, I, your Jesus of Galilee, I say thank you for these special moments spent in prayer, asking my healing for your aching leg. My daughter Fernanda, I say thank you for praying to me, asking me to help you to release the sciatic-nerve pain. I know your back also needs restoration. Remember, exactly two years ago, you were in excruciating pain, but you came to my holy place, the Sea of Galilee, to pass the way where I went through my Passion on Via Dolorosa. I took you to a special place where I allowed you to take a photo of my Precious Blood¹, for you to show my children, for you to share. My child, you must give [my children] more photos of this special place – I have given the privilege [of taking this photo] only to you. My humble child, you are so humble. You didn't want to say much about this unique photo given to you from me, your Jesus Christ. I showed you this special gift entrusted to you. Give more [copies] of this photo to my people and tell them it was my blood shed on Golgotha for all of them. Thank you, my humble servant. I want, I allow you to announce and explain this special miracle of my blood, to share this with your sisters and brothers in Jesus Christ's holy name.

My little Petal, I will restore your health. I will send you again to my Mother's holy place of Medjugorje and my blessed place of my appearance to my Saint Faustina. I want you to be there. I have something for you [there] and also at my Mother's holy place. You are going to be my channel, my instrument, to be used again. Do you understand, I will not let you go in pain. I am the same Jesus who sent you there two years ago with no pain.

I thank you for tonight, it was beautiful. You sang and you danced for me, for us in heaven.

Do not doubt about your rare gift. You are my messenger for my End of Times. I explained to you already about your pains. Tell my children this was part of my pains. No strong medicine could have helped you with this because it was my desire to let you have some of my pains, to experience and teach my people. Know that you have given your will to me – thy will be done according to my will, your Jesus Christ's. My Petal, soon you will be free again of this kind of pain. The stigmata will be

placed upon you at the right time, as you desire to help me with my pains, but for now, you are going to be healed in my holy name. Oh, you are going to walk freely, I say, [with] no pain.

My daughter, tonight at my Holy Mass I was very pleased with my son priest Father Richard. Oh, he touched my children's hearts. He taught my people about the importance of my Holy Mass. My son Father Richard is my shepherd with so much love and wisdom. He is full of the Holy Spirit to infill my sheep, my lost, astray, scattered flock. He will gather many of my sheep back into my heart. I am very pleased with my son priest Father Richard's beautiful work done for my dry fields. My heart and my Mother's were in awe of thanksgiving for my son's teachings. Shepherds like this help to appease my pierced heart and my Mother's Immaculate Heart. I will bless my son priest abundantly for his arduous work because this road is very difficult and arduous to recollect my children to my aching heart.

Thank you, my son priest Father Richard. I give my peace to you and to all my lost, astray sheep, my flock and to all my children.

My daughter Fernanda, relay this message to my son priest for my appreciation and gratitude in helping me, his Jesus Christ, to save souls and to bring them to my heart.

[Fernanda] *Thank you, my loving Jesus. I love you very much. I am sorry if I hurt or offended my Jesus tonight when I was praying, singing and asking my Jesus, my Holy Trinity and my Blessed Mother. I love you with all my heart. Beijinhos² in your aching heart, my Jesus.*

Oh, thank you for my *beijinhos* in my aching heart. You didn't offend me with all your prayer requests and singing. Oh, I was missing all the singing, the dancing. Oh, you danced with no pain!

My Blessed Mother, she is here to converse with you.

Mother Mary

My little Andorinha³, I, your Mother, I am here to say, my little one, trust, trust my Son Jesus. You are his messenger for his Second Coming. My Son has taken care of you. You are going to come to our holy grounds, place, with so much joy in your heart. Everything has been taken care of.

Yes, I was also there with my Son, our Father, the Holy Trinity. Oh, a multitude of angels and saints all came to help you as you called them. They all interceded for your pains. Thank you for praying to us. All the prayer requests, especially the Rosary of my tears of blood⁴ and [the prayer] for the big disaster have been of great help on this. One day, my Son will show you how your prayers helped for this big disaster of 9.2 [magnitude], the biggest ever to happen.

My little one, I see you wanted to relay the message about my role in heaven. Soon the time will come [when] you will be free of fear to relay our messages. The time will come. You will obey my Son Jesus Christ only and not man. You are going to be free to convey our messages in my Son's holy name.

My daughter Fernanda, I bless you, your loved ones and all my children.

Thank you for responding to my call.

Father God

My Petal, I, your Father God, I am here with the Holy Spirit and my Son Jesus to converse with you.

My Petal Fernanda, I, your Father, say thank you for praying those prayers entrusted to you. I also came to help you while you were imploring to my Son to heal you – all your prayers reached heaven. Know that when you intercede for our children or for your loved ones, for you, heaven hears everything, and also all my people's prayers, but my Son concedes at the right time, in his own time.

My little one, I, your Father God, I was listening to the dialogue about my Son's Holy Mass. Yes, my son priest came forth in bringing all the knowledge, teaching my people about the holy sacrifice of my Son's Holy Mass. I have said before how beautifully my Son offers himself in sacrifice for all his children. Only, my people come to Mass with no respect, not genuflecting when they enter my Son's church. Sometimes, they come for the sake of saying, "I went to Mass." When my people come to my Son's holy sacrifice of His Holy Mass, my Son comes totally in love to all his children. Oh, it hurts my Son deeply when they come and greet one another before greeting my Son. He is waiting patiently to be greeted. My Son waits for his children, with so much respect and love, to embrace his loved children. Oh, in return, they turn their heads around to see who is there. My Son is so happy and joyous when they come to say, "Hello my Jesus, I love you. Thank you for being here for me and for all your children." Know that I, your Father, I am also standing next to my Son and the Holy Spirit.

Do you know, my Petal, when my people come into the church, they must bless themselves properly, not running their hands so fast from one side to another side when they make the [Sign of the Cross](#). [They must do so] with love and respect, knowing that the Holy Trinity is also present at my Son's Holy Mass. My child, you have been doing as we told you: genuflecting so beautifully, then saying, "In the name of the Father" (I, your Father, bless them on their foreheads), "the Son" on their breast (my Son blesses their hearts), "and the Holy Spirit" from the left shoulder to the right shoulder (the Holy Spirit bless them). "Amen." Know that a multitude of angels say in unison of voice, "Amen. Amen," in praise of the Holy Trinity. My little lamb of your Father God, I want you to teach this to my people, how it pleases the Holy Trinity when they bless themselves properly in love to the Triune God. It's a very powerful blessing when they understand the full meaning of the Sign of the Cross, and Blessed Mother Mary also stands next to her Beloved Son to extend her love to all her children. She attends her Son's Holy Mass, waiting for her children to appreciate her Son's sacrifice of himself, giving His Precious Body and Blood alive, his own flesh, to be given to all his children. But my little lily, when they come to my table not worthy of him, oh, it's very painful to his aching heart. His Blessed Mother prays fervently, imploring her Son again, "Have mercy, forgive them, they will repent, they will come one day, soon, worthy of you, my Son." Then, again and again, my Son Jesus obeys his Beloved Mother's pleas to have mercy and compassion on the sinners. This is repeated constantly in all the Masses throughout the world.

My daughter Fernanda, I, your Father God, I am explaining all of this. It's some part of my Son's Holy Mass. I will conclude again with a full comprehension of about my Son's Holy Mass, the importance of Mass⁵. I have to let you rest tonight.

Know that it was a beautiful healing here at our little shrine, our home, our special place.

Soon, I will allow you to have a special table and chair for you to sit and converse with us in the proper position. I know, your back aches to sit and converse with us, but you, my meek lamb, never complain about how you sit. You always find a place to sit with us.

I, your Father, say thank you.

I bless you, your loved ones and all [my people] in this world in turmoil.

[Fernanda] *Thank you, my adorable, unique, loving, merciful [Father, who is] kind to all his people. Thank you for giving us your Only Begotten Son to save us, for this great act of love towards us sinners who constantly hurt your Son with our sins, placing a crown of thorns in his loving heart. I love you, my Father God. I am here to serve you, my Father, your Son Jesus Christ, the Holy Spirit and our Blessed Mother.*

Jesus Christ

Thank you, my little one of your Jesus Christ, for the beautiful appeasing words to our pierced hearts.

I give my peace, my love to you, your loved ones, family, enemies and upon the whole world.

[Fernanda] *Thank you, my loving querida⁶ Jesus, my Spouse. I love you. Sua bênção⁷, my Holy Trinity. Sua bênção, my Beloved Mother, Mama. ♥♥♥♥♥ I love you all. Beijinhos, beijinhos. I love you, my Saviour.*
