

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

There is nothing to fear in these end times if you live according to Jesus' teachings – repent, love, forgive and let go of petty things

Father God, Jesus Christ, Mother Mary

Father God

My daughter, thank you for sitting with me, your Father God, my Son Jesus Christ, the Holy Spirit and Blessed Mother. My daughter, I, your Father, I say thank you for sitting with me, your Father. I was missing, longing for these moments in conversation.

Oh my little lamb of your Father, I see your pains. I saw some of your tears. Do not be concerned. I say solemnly in my Son Jesus' holy name that I will also come to rescue you from your pains on your sickly body. I know, I see your aching leg in pain. I come to you now to say, to convey this to you: these are my Son's pains, which you accepted to alleviate my Son's aching heart. My little one, I, your Father, I convey this to you: I am taking care of you, the Triune God is here to help you with this. My child, this is your Father in conversation with you.

[Fernanda] *My dear Father God, can I please check on the mobile if it's something urgent, with my Father's permission. Thank you, Father.*

My child Fernanda, with my consent, you may see who it is.

[Fernanda] *Thank you my Father, just a second, thank you, Father... I am sorry, my dear Father, it's your daughter Mariazinha. It's not urgent.*

Thank you, my Petal.

My daughter Fernanda, I, your Father, I am here to convey this message to you. My daughter, relay this message to my people.

My people, I, your Father from heaven, I am here again to relay this message for you all to understand, to see how important it is for you, my people, to see the contents of this unique, different message. I have to intervene with this message. This message contains this special assignment upon the world – because I have to come soon to intervene – about my Son's Chastisement, about my people not letting go of certain things of this world, being against one another, especially families. This message is for all the families in dispute with one another, with differences between one another, not forgiving one another, not loving one another. I am here to intervene with this message in my Son's holy name because my Son's heart can no longer take these sufferings. I came here because heaven is about to let my Son's hand come down upon you, my children. My dear people, I come out of pure love, compassion and mercy towards you all because heaven sees everything, every single one of our children's deeds, hearts and the malice towards

each other. What they do just to gain wealth, status, vainglories of this world, to gain access to positions – enviousness, *maldades*¹, jealousy towards their own flesh and blood, not concerned with what it can bring later to their souls, with no consciences towards one another. As long as they win, it's the only thing that matters. They know that my Son, the Holy Spirit, Blessed Mother and I are all aware of their most perfidious sins, infiltrated to their own loved ones; not speaking to each other, especially families – then they come to eternity full of hatred, unforgiveness and inheritance owed to one another, especially families. Do they bring anything with them? Without exception, the Book of Heaven is opened with nothing, almost nothing to save their souls. They stand with my Son Jesus, in front of my throne, wanting to come to a beautiful place called heaven. Oh, when my Son opens the Black Book, it's horrific to watch them in disbelief, being in damnation of sins. I, their Father, watch all of this in pain because I see my Son's excruciating pain for them not to be condemned. But, my people, all of this was written 2,000 years ago: to repent and confess the bad [deeds] in time for their last day and breath on earth, to enter my Kingdom with good deeds to present to us in front of my throne.

I am here to say all of this for you to understand my Son's commandments, my Son's teachings left by the Apostles in my Son's holy name for you to be saved from peril. I want all families to understand and love one another, forgive one another and let go of petty things. Live in peace, love and harmony, not in discord because all of this brings only darkness of sin into your Black Book. Do not fear this message, just live according to my Son's teachings to save yourselves.

I repeat, I am here again to ascertain these words from me, your Father God, to help you to see that everything stays behind. There is nothing that you, my people, can bring with you to present to me or to my Son, only what my Son has been teaching from the beginning of times till the End of Times, to save you from peril in hell. This is me, your Father God, saying solemnly to you all, my children: time is near for repentance for your souls to be saved. Amen.

I give my peace and my love to you and to this entire world.

[Fernanda] *Thank you, my loving Father. I love you my dear Father.*

Jesus Christ

My Petal, I, your Jesus, I am here with you to converse with you.

My little one, I, your Jesus, I am saying this to you: thank you for alleviating my pains. You will walk freely soon at those special places, holy places, my place and my dear Mother of Peace's. Oh, I see your discomfort in sitting and walking. Oh, your little leg, is aching in pain, but I will restore it. My Petal, I say to you to pray. Do not neglect our important prayers. I know you are in pain, but I am waiting for those special prayers to us here in heaven.

My daughter Fernanda, I, your Jesus, I am here to say to you, to relay this message to my children – my Father's dialogue with you. It's very important for my children to listen, to come to my temple because my Holy Mass is very important. I need them to come to my heart worthy of me.

My child, Fernanda, I see that today you came to my Holy Mass. You were in excruciating pain. You came to receive me and to listen to my holy words. I saw how difficult it was for you to stand. You felt uncomfortable to stand. Oh, your pain! Thank you for the sacrifice to come and visit me, to

receive me, even with your incessant pains. I repeat, I heard you calling my name for help. I came to help you, and all the angels lifted you up on high to help you to carry your pain.

My daughter Fernanda, my Blessed Mother, she is here to converse with you.

Mother Mary

My daughter Fernanda, I, your Mother, I say to you that I am here. I am going to alleviate your pains, my Son Jesus' pains. I am here to relay to you that you will be healed of all these pains that have been perforating your sickly body, for you to come and visit [our holy places] with joy, dancing and singing for me, my Father and the Holy Spirit.

My daughter, I, your Mother, I am here to convey to you that you are our hope for my Son's aching heart. You are our joy. My Son will never leave or abandon you, especially in these difficult moments. You are his messenger. My daughter, my Son has been waiting patiently for you to come and help him. My little one, I, your Mother, say to you, my Petal Fernanda, do not worry about this pain because you are sitting with me and your Jesus. My child, about these terrible pains: I want you to know and my Son, your Spouse, wants you to know that he has a reason for this delay in your healing. He knows that you are needed to help him at this crucial, painful time.

I bless you, your loved ones, family and all my children.

[Fernanda] *I love you, my dear Mother. My Jesus, I adore you, I praise you, my perfect Jesus. My dear Mother, sua bênção². My Jesus, sua bênção. Sua bênção, my Father. Sua bênção, my Holy Spirit. My Jesus, I praise, I adore you. I louvo, meu Jesus³.*
