

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Marriage vows at Jesus' altar are forever – the family that prays the Rosary together stays together and helps to crush the serpent's head

Father God, Jesus Christ, Mother Mary

Father God

My daughter, thank you for sitting with me, your Father God, my Son Jesus, the Holy Spirit and Blessed Mother.

My daughter, I, your Father, say thank you for the prayers today. I see you thanked me, the Holy Trinity, because you felt better today. Oh, you decided to see your old physician. Thank you for being obedient to the Holy Spirit. Yes, today your pains were more relieved. I said to you that I would rescue you from more excruciating pains. My Petal, you will be healed in my Son's holy name.

My Petal, these were my Son's pains while he was carrying his cross upon his shoulders. Oh, he couldn't walk because all his ligaments and muscles upon his back, his spine, were all twisted. Oh, my Son gave you a tiny seed of his pains on his left leg, under his foot where the nail came out. Yes, you felt that pain these past few weeks, but you will walk freely on our holy places, grounds.

My daughter, when you come back from our pilgrimage to my holy places, you are going to start your task, your mission, because time is near for my people to repent. My little one, I, your Father, I say to you that very soon, you will go to faraway places to teach, preach and proclaim my Son Jesus' messages, our messages, to the world.

My daughter, I see you are still in some pain. I am going to let you rest early tonight.

I give my peace to you, your loved ones, family and upon all my people all over this world in turmoil.

I, your Father, say thank you for this special time spent with me, your Father God.

Jesus Christ

My daughter, I, your Jesus of Nazareth, I am here to converse with you.

My little Petal, I, your Jesus, I was listening to my Father's dialogue about your pains, my pains. Yes, it's my pains placed upon you, but I am going to release you from this for you to walk free of pain. Oh, our special pilgrimage is approaching. Oh, lots of miracles will occur during this time.

My daughter, I see your concern about my children. Pray for all of them, especially for my daughter Dalia. She will be free of that. It's been causing so much disturbance in her life. Pray as the Holy Spirit guides you to pray for her and this entire family.

My daughter, I, your Jesus, I see my children are going for marriage counselling. It's very important in these awkward days, full of vengeance and hatred. My children came to receive a blessing for their wedding. This is a very delicate promise made at my holy altar. In the weddings of today's [times], they should respect their vows made on their special day. Marriage is forever, at death apart, but my children of today don't respect that pact made at my holy altar. They don't tolerate one another's mistakes, faults, errors. For anything that happens, their words are "divorce, divorce". Oh, it hurts me very much because there is no patience, understanding or faith while in their trials, hardships. Marriage is not just a bed of roses – there are many thorns between those beautiful roses. Oh, before, there were strong, rock-[solid] marriages based on love, faith, perseverance, patience, forgiveness towards one another. Today, my children forget. As soon as there is some hardship, discord and disharmony arrives between them, and instead of working on the foundation of the discord and then coming in love to solve the root of the problem, the communication disappears between one another. My children must try to speak out and solve it just between the two of them, but sometimes there are many interferences between them, especially the enemy – his aim is sow discord and disharmony between my children. What I ask, and as your Mother desires, is to pray the Rosary as a family because the family that prays together stays together. The Rosary is the strongest weapon against the enemy. The adversary hates my Mother's Hail Marys. He hates my Mother. He knows that in the end, my Blessed Mother will conquer the serpent's head, she will crush it.

[My children should pray and] thank my Blessed Mother for her pain and sufferings during this time of tribulation, in the course of this faithful time, for my Mother to win over the serpent's head. Oh, my Mother's pain and sufferings that she undergoes during this chaotic time to save my children! My children should pray with my Mother in this warfare, this battle against the foe, the snares of the enemy.

My Petal, my Blessed Mother, she is here to converse with you.

Mother Mary

My daughter Fernanda, thank you for your time and patience, even in your pain, to sit with us, my Son Jesus, our Father and me, your Mother Mary.

My Petal, I, your Mother, I am here to convey to you about your pain. Yes, my Son Jesus and our Father alleviated this pain today. You will be healed of this chaotic pain, nerve spasm in your back.

My child, the Holy Trinity and I will bless our son John Paul and our daughter Tersia for the great help given to you during this time. You are blessed by us because we blessed our son and daughter and their loved ones to help you. As my son said, he will provide for you. He is your Spouse, he is taking care of you, my little yellow rose, my rosebud.
